

**SECOND ANNOUNCEMENT
CALL FOR ABSTRACTS**

VIRTUAL 9th FFN

Ensuring Smooth Transitions in
Fracture Care and Management

28–30 September 2021

www.fragilityfracturenetwork.org

#FFNCongress2021

**Dear Colleagues,
Dear Ladies and Gentlemen,**

For the first time the FFN will hold a Global Congress virtually from 28 September until 30 September 2021 and support it with 3 regional meetings designed to meet the needs of Asia-Pacific, Latin America and Europe as well as workshops for physiotherapists and nurses.

This meeting promises to be an important and exciting step in expanding our global reach through virtual technology as we continue in our commitment to deliver on our mission.

We look forward to welcoming you at the 9th FFN Global Congress!

“ENSURING SMOOTH TRANSITIONS IN FRACTURE CARE AND MANAGEMENT

JAY MAGAZINER, US

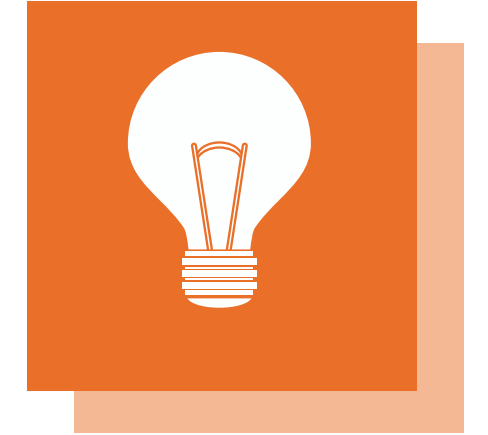

FFN President
Congress Co-Chair

RHONA MCGLASSON, CA

Executive Director Bone and Joint Canada
Congress Co-Chair

What research would you like to share with your colleagues?

The impact of post-fracture care has grown exponentially over the past years. If you have recently concluded a research on one of the following topics, you too can make an impact by submitting your e-Poster abstracts for the virtual #FFNCongress2021 now.

- Acute Orthogeriatric Care
- Rehabilitation
- Secondary Fracture Prevention
- Changing Health Policy and Audit
- Ensuring Smooth Transitions in Post Fracture Care

Submit your latest findings until 13 July 2021!

Original abstracts should be prepared in English. e-poster abstracts will be available in the virtual platform at all times for the participants during the congress and in an online archive for 3 months following the congress. Abstracts will be published in the Geriatric Orthopaedic Surgery and Rehabilitation journal.

Please visit www.fragilityfracturenetwork.org for further instructions for the preparation of your e-posters.

REGISTRATION

Kindly note that the acceptance of your abstract does not include congress registration. Submitters of accepted posters have to register and receive the early bird fee, even after the deadline.

Ensuring Smooth Transitions in Fracture Care and Management

The programme throughout the global and regional events will include a distinguished faculty of leading experts from across the globe to deliver plenary sessions, workshops and programmes that meet the needs of the globe and are supported by sessions tailored to three key regions.

The meetings will be hosted using a state-of-the-art virtual meeting platform to deliver engaging, interactive and informative presentations, workshops and poster exhibitions, as well as industry sponsored exhibition booths and satellite symposia and networking opportunities

REASONS TO ATTEND

NETWORKING

The virtual congress will give you ample opportunity to meet new colleagues and catch up with old acquaintances – it's not just about you meeting the right people – it's also about the right people meeting you.

KNOWLEDGE AND TAKEAWAYS

FFN 2021 provides a unique platform to learn about new technical developments, state-of-the-art interventions, international research and to interact with leading clinicians, researchers and other professional health workers and stake holders. If there is something specific that you want to know, there are many opportunities for you to get the answers you seek.

LEARN SOMETHING NEW OUTSIDE YOUR FIELD

Broaden your horizons and gain an eclectic overview of what's shaping the fragility fracture network. Who knows – you might find the solution to a problem or inspiration discussing hot topics with orthogeriatricians, anesthesiologists and surgeons.

INDUSTRY PARTNERS

Visit the Virtual Hospitality Suite especially designed to engage with industry partners and get the latest news on services and products.
