Why Biosimilars Matters Now

India's biosimilars landscape is entering a new phase, driven by regulatory evolution, market access, innovation, affordability, and global opportunities.

ABOUT THE EVENT

India's biosimilars landscape is entering a phase of growth, driven by evolving regulatory pathways, market competition, and the need for greater access to biological treatments. As India strengthens its position as a biosimilar hub, focus is growing on cost competitiveness, scalable manufacturing, commercialisation, and global market alignment.

The 21st Biosimilars Congregation 2026 brings together industry leaders and experts to explore pricing, market access, affordability, intellectual property, portfolio planning, and payer expectations. Meanwhile, next-generation biosimilars, RWE, AI, and digital technologies are transforming development while strengthening physician confidence, patient trust, quality, and sustainable growth.

WHO SHOULD ATTEND

CSOs, CMOs, Presidents, Vice Presidents, Heads, Directors, Team Leaders, and Senior Scientists from Biopharmaceuticals, Biotherapeutics, Follow-on Biologics, Biotechnology, Legal Affairs, Intellectual Property, Health Economics, Pricing & Reimbursement, Clinical Immunology, Regulatory, Quality, Analytical Technologies, New Product Development, Process Science, Portfolio Management, Research & Development, and Business Development.

WHY JOIN US?

Expand Your Network

Connect with global policymakers, industry leaders, and peers to exchange actionable insights across the biosimilars value chain.

Explore Innovative Solutions

Discover emerging biosimilar technologies, AI applications, RWE approaches, and advanced strategies shaping the future of biological treatments.

Benchmark Your Strategy

Benchmark your approach against industry frontrunners and gain perspectives on pricing, market access, regulation, and commercial strategy.

Develop Actionable Plans

Build immediate action plans to address R&D costs, regulatory barriers, market entry hurdles, and changing biosimilar competition.

Drive Business Growth

Develop sustainable strategies that strengthen affordability, accessibility, innovation, and competitiveness while unlocking new commercial opportunities in biosimilars.

What You'll Explore

Discover the latest biosimilar trends, regulatory developments, market strategies, technological innovations, and best practices shaping the future of biosimilars, patient access, affordability, and sustainable growth.

KEY THEMES, EMERGING TRENDS AND STRATEGIC DISCUSSIONS

Regulatory Updates & Policy Shifts

Patent Landscape & IP Navigation in India

Market Access, Pricing & Affordability Strategies

Real-World Evidence (RWE) & PMS in India

Cost Competitiveness vs. Global Players

Patient Awareness & Education Initiatives

Scaling Manufacturing / Development / Commercialisation

Physician Trust & Clinical Confidence Building

Export Growth & Global Market Alignment

Quality Standards & Biosimilar Pharmacovigilance

Next-Gen Biosimilars & Technological Innovation

Digital Tools in Biosimilar R&D and Process Monitoring

Role & Expectations of Payers

What's the way forward? / Opportunity - Learn & Network

FEATURED DISCUSSION FORMATS

Keynote Presentations

Learn from senior industry leaders sharing practical insights and global perspectives. Gain valuable strategies and real-world experiences shaping the future of pharmacovigilance.

Panel Discussions

Engage in expert-led discussions covering today's most pressing pharmacovigilance challenges. Exchange ideas, explore solutions, and learn from diverse industry perspectives.

Interactive Networking

Connect with peers, regulators, sponsors, and technology partners throughout the event. Build meaningful relationships that inspire collaboration and future business opportunities.

Meet the Experts

Learn from internationally recognised biosimilars leaders, regulatory experts, and industry pioneers shaping the future of biosimilar innovation, market access, and growth.

Conference Agenda

Explore expert-led keynotes, panel discussions, and networking sessions shaping the future of biosimilars, market access, innovation, and growth.

08:30 – Coffee and registration

An opportunity to meet and to network with your conference colleagues.

DEVELOPMENT / COMMERCIALIZATION

09:20 – Keynote Address - Strategic Portfolio Planning: Identifying the Next Billion-Dollar Biosimilar Opportunities.

- Evaluating global patent expiry opportunities.
- Selecting high-value molecules for development.
- Competitive landscape and portfolio prioritization.
- Intellectual property and lifecycle management strategies.
- Strategic partnerships and licensing opportunities.
- Long-term portfolio planning for sustainable growth.

TRENDS & STRATEGIES

10:00 – Panel Discussion with Experts - The Next Decade of Biosimilars: Driving Innovation, Global Leadership & Sustainable Growth.

Moderator
