

PAEDIATRICS STUDY DAY 2024

- Friday, 27 September
- Horizon Leeds, LS10 1JR

Welcome ...

BMUS is pleased to offer another full-day paediatric ultrasound course aimed at radiology trainees, consultant paediatric radiologists, consultant radiologists with an interest in paediatrics and all other practitioners passionate about paediatric ultrasound.

The day will have a wide range of lectures from experts in the field of paediatric ultrasound, including a session dedicated to neonates and a session on scanning the child presenting with an acute abdomen. There will also be a session dedicated to advanced scan techniques and Doppler assessment in paediatrics and an interesting case quiz.

Fees

Member registration	£120
Student member registration	£75
Non-member registration	£220
Course registration with print membership	£205
Course registration with digital membership	£200
