Anatomic and Reverse Total Shoulder Arthroplasty: State-of-the-Art

November 4 – 5, 2016

OLC Education & Conference Center

Rosemont, IL

Joseph A. Abboud, MD
Course Director

J. Michael Wiater, MD
Course Director

Drs. Abboud and Wiater have created the next generation TSA skills course with a top-notch faculty of experts. Intensive lab sessions provide tips and tricks for managing challenging patient cases. There is no other TSA course where you will find the educational quality, breadth of learning, and value to your practice!

Course highlights include:

- How to determine the proper indications for anatomic and reverse total shoulder
- Tips and tricks for surgical exposure
- How to avoid complications intraoperatively, and how to handle complications when they arise
- Dynamic debates such as lateralized vs. medialized center of rotation in RSA
- Diverse portfolio of industry vendors; Gain exposure to different shoulder systems!

Who should take this course?

General orthopaedic surgeons with an interest in performing TSA, in addition to Shoulder, Sports Medicine, and Hand specialists interested in expanding their practice.

New! Advanced Reconstruction Shoulder 2 Arthroscopy, Arthroplasty, and Fracture Management

Jeffrey S. Abrams, MD, Robert H. Bell, MD, and John M. Tokish, MD, Editors

Techniques, tips, and strategies from more than 130 leading surgeons. Step-by-step guidance through 60+ surgical challenges.

List price: ~~\$319.00~~ **\$255.20**

AAOS/ASES member price: ~~\$239.25~~ **\$191.40**

Resident/U.S. military price: ~~\$175.45~~ **\$140.35**

FRIDAY, NOVEMBER 4

Morning 7:00 am – 12:00 pm

ANATOMIC TSA

LECTURES

Modern Indications for Anatomic TSA – When to Do It

10 Steps to Successful TSA Exposure: Know the Anatomy!

Managing the Subscapularis: Peel vs. Tenotomy vs. Osteotomy

Anesthetic Considerations and Perioperative Pain Management

FACULTY SURGICAL DEMONSTRATIONS

Surgical Exposure and Approach for Shoulder Arthroplasty

SSC Peel vs. Tenotomy vs. Osteotomy

Humeral Resurfacing

HANDS-ON SKILLS LAB

Surgical Exposure

Deltopectoral Approach

SSC Peel vs. Tenotomy vs. Osteotomy

Humeral Prep

Resurfacing

LECTURES

Current Trends in Shoulder Arthroplasty: PSI, Stem Options, Augmented Glenoids

Diagnosis and Management of the Infected Shoulder Arthroplasty

Postoperative Rehabilitation and Activity after Anatomic TSA

LUNCH WITH RAPID FIRE PANEL DISCUSSION

Anything Goes – Ask The Experts

Everything You Always Wanted to Know About Shoulder Arthroplasty but Were Afraid to Ask

FRIDAY, NOVEMBER 4, continued

Afternoon 12:15 pm – 4:30 pm

1 ON 1 DEBATE

Rotator Cuff Deficiency

- Hemi is Tried and True
- Reverse TSA Has Changed Everything
- Superior Capsular Reconstruction Actually Works (We Hope)
- There is Still a Role for Tendon Transfers

SYMPOSIUM

Managing the Difficult Glenoid

- B2 Glenoid: Ream vs. Bone Graft vs. Augmented Glenoid vs. RTSA
- Medial Wear: Anatomic vs. Reverse vs. Bail-out Hemi
- Revision: Is There a Role for Anatomic TSA?
- Illustrative Case Presentations

CASE DEBATES

46-Year-Old with GH OA – Hemi vs. TSA

83-Year-Old with GH OA and Atrophic but Intact Cuff – Anatomic TSA vs. Reverse TSA

FACULTY SURGICAL DEMONSTRATIONS

Primary Anatomic TSA

- Humeral Neck Osteotomy
- Glenoid Exposure
- Glenoid Instrumentation
- Implant Anatomic Glenoid Component
- Soft Tissue Balancing

HANDS-ON SKILLS LAB

Primary Anatomic TSA

INDUSTRY SPOTLIGHT SESSION #1 (Non-CME)

CME: 15.75 Total Credits of Category 1 CME

Course participants are required to complete an online evaluation survey to receive CME credit. AAOS members: Your transcript will list your CME credit for participation in this CME course approximately four weeks following the course.

Faculty

April D. Armstrong, MD
George S. Athwal, MD
Theodore A. Blaine, MD
David N. Collins, MD
Edward V. Craig, MD
Lynn A. Crosby, MD
John M. Itamura, MD
Rolando Izquierdo, MD
Jay D. Keener, MD

Mark D. Lazarus, MD
William N. Levine, MD
Anand M. Murthi, MD
Gregory P. Nicholson, MD
Bradford O. Parsons, MD

Please note: Course faculty subject to change. All faculty members have disclosed potential conflicts of interest. These disclosures can be viewed online at www.aaos.org under 'Member Services'.

SATURDAY, NOVEMBER 5

Morning 7:00 am – 1:00 pm

INDUSTRY SPOTLIGHT SESSION #2 (Non-CME)

REVERSE TSA

LECTURES

Modern Indications for Reverse TSA – When to Do It

Reverse TSA Biomechanics – How Does It Work?

Technical Pearls for Reverse TSA – Not Too Tight and Not Too Loose

1 ON 1 DEBATE: CENTER OF ROTATION OFFSET

Lateral COR

Medial COR

LECTURES

Chronically Dislocated Native Shoulder in 68-Year-Old...Reverse? How and Pearls and Pitfalls

Management of Catastrophic Axillary Artery Injury During Shoulder Surgery

FACULTY SURGICAL DEMONSTRATION

Primary Reverse TSA

HANDS-ON SKILLS LAB

Primary Reverse TSA

LUNCH WITH PANEL DISCUSSION

Complications of Reverse TSA – How to Avoid and How to Manage

How to Manage the Patient with Severe ER Deficit

- Latissimus Transfer
- Center of Rotation Offset
- Humeral Version
- Repair or Not Repair the Subscapularis

Afternoon 1:00 pm – 3:30 pm

FACULTY SURGICAL DEMONSTRATION

Latissimus Transfer

LECTURES

Reverse TSA for Failed Shoulder Arthroplasty
Postoperative Rehabilitation and Activity After Reverse TSA

Reverse for Acute Fracture

- Tuberosity Reconstruction

FACULTY SURGICAL DEMONSTRATION

Reverse TSA for Fracture

HANDS-ON SKILLS LAB

Reverse TSA for Fracture

Tuberosity Reconstruction

AAOS | ASES Anatomic and Reverse Total Shoulder Arthroplasty: State-of-the-Art Course 3270

OLC Education & Conference Center
Rosemont, IL

AAOS/ASES Member/
Candidate Member/International
Member/Emeritus Member **\$1,669****

Nonmember Orthopaedic Surgeon/
International Nonmember **\$2,069**

AAOS/ASES Resident Member/
Resident/Post-Residency Fellow/Military*
\$1,469

**Visit AAOS.org for available special member registration fees

Course Tuition

Registration fee includes course materials,
electronic syllabus, and refreshment breaks.
Lunches are included for full-day sessions only.

Lab Partner Request

Please provide the full name of your preferred lab
partner for this course (if any).

How to Register:

1. **Online** at aaos.org/3270
2. **Call** AAOS Customer Service at **1-800-626-6726** from 8:00 am to 5:00 pm CT. Outside U.S. dial **+1-847-823-7186**.
3. **Print** registration form at aaos.org/3270.
Mail the completed form to AAOS, 9400
W. Higgins Rd., Rosemont, IL 60018. Or fax
to **1-800-823-8025**. Outside U.S. fax to
+1-847-823-8125.

Hotel

Hampton Inn & Suites

9480 W. Higgins Road
Rosemont, IL 60018
Phone: **1-800-744-1500**

**Next door
to the AAOS
and OLC!**

Housing Reservation Deadline

October 20, 2016

Room Rate

\$125/night (plus applicable taxes)
Single or Double occupancy

Accreditation Statement

The American Academy of Orthopaedic Surgeons
is accredited by the Accreditation Council for
Continuing Medical Education to provide continuing
medical education (CME) for physicians.

AMA Credit Designation Statement

AAOS designates this live activity for a maximum
of 15.75 **AMA PRA Category 1 Credit(s)**[™].
Physicians should claim only the credits commensurate
with the extent of their participation in the activity.

Obtaining CME Credit

Course participants must complete and submit an
online evaluation form to receive CME credit.
