REGISTRATION BROCHURE

Dear Colleagues:

On behalf of the AOFAS Board of Directors, I cordially invite you to attend the 2016 AOFAS Annual Meeting and Pre-meeting Course on July 20-23 in Toronto. Join your friends and colleagues at the premier event for orthopaedic foot and ankle specialists. We have planned an unsurpassed program combining the best in education, the latest in technology, and the opportunity to network with colleagues from all around the world.

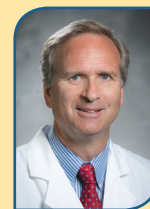

Program highlights include:

- Pre-meeting Sports Course chaired by Ned Amendola, MD
- Focused symposia presenting the latest research and approaches
- Scientific paper sessions featuring 115 presentations
- Rapid-fire mini-debates on hot topics in our specialty
- Invited guest speakers on key research topics and controversies
- More than 200 ePosters
- Optional programs, including the Research Forum and the Young Orthopaedic Surgeons Forum
- Industry satellite symposia and an Exhibit Hall featuring the latest products and services
- **New!** Concurrent sessions on Friday afternoon

Special thanks to Selene Parekh, MD, MBA, and his Program Committee, for assembling an outstanding scientific program. Timothy Daniels, MD, and Johnny Lau, MD, our local hosts, have selected events to showcase Toronto and recommended local must-see places to visit.

I look forward to seeing you in world-class Toronto!

— **Mark E. Easley, MD, AOFAS President**

Drs. Amendola, Easley and Parekh look forward to seeing you in Toronto!

TARGET AUDIENCE

This educational program is designed for orthopaedic surgeons, physicians and allied health professionals in the field of orthopaedic foot and ankle surgery.

EDUCATIONAL OBJECTIVES

At the conclusion of the Pre-meeting Course and Annual Meeting, learners should be able to:

- Recognize and assess current data reflecting clinical trends, emerging surgical techniques, pre- and post-operative procedures, and technological innovations in orthopaedic foot and ankle surgery
- Describe and apply current research in foot and ankle disorders to improve patient care
- Identify ways to avoid potential complications in foot and ankle procedures
- Outline treatment options for common and difficult foot and ankle injuries in athletes
- Incorporate knowledge of patient safety, outcomes and evidence-based medicine into foot and ankle patient care

STATEMENT OF NEED

A need for this educational activity has been determined based on previous course evaluations and the AOFAS educational curriculum. The content of this course was based on current issues and topics provided by AOFAS membership and leadership. For more information on the AOFAS CME mission, visit www.aofas.org/education.

ACCREDITATION

The American Orthopaedic Foot & Ankle Society (AOFAS) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education (CME) for physicians.

AMA PRA CREDIT

The AOFAS designates this live activity for a maximum of **25.5 AMA PRA Category 1 credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity. Course participants are required to submit a completed evaluation form at the end of the course in order to receive CME credit.

DISCLOSURE

The AOFAS requires all instructors, planners and other individuals in a position to control or influence the content of an educational activity to disclose all relevant financial relationships or affiliations during the past 12 months with any commercial interest (any entity producing, marketing, re-selling, or distributing health care goods and services consumed by, or used on patients). All identified conflicts of interest must be resolved and the education content vetted by the AOFAS for fair balance, scientific objectivity and appropriateness. The AOFAS also requires faculty to disclose when off-label/unapproved uses of a product are discussed in a CME activity. The AOFAS attests that the persons responsible for the development of this educational activity did so independently and were not influenced by commercial supporters. All financial disclosures will be provided to meeting attendees in the final program materials.

DISCLAIMER

The material presented in this continuing medical education activity has been made available by the American Orthopaedic Foot & Ankle Society (AOFAS) for educational purposes only. This material is not intended to represent the only, nor necessarily the best, methods or procedures appropriate for the medical situation discussed, but rather is intended to present an approach, view, statement, or opinion of the authors or presenters, which may be helpful or of interest, to other practitioners. Methods, techniques and procedures demonstrated and views and opinions expressed by speakers, presenters and faculty are their own, and do not necessarily represent those of the AOFAS, nor does presentation on the program represent or constitute endorsement or promotion by the AOFAS. The AOFAS expressly disclaims any warranties or guarantees, expressed or implied, and shall not be liable for damages of any kind in connection with the material, methods, information, techniques, opinions or procedures expressed, presented or demonstrated. AOFAS may photograph or record you as you participate in this meeting and related activities. Meeting lectures and questions from the audience will be captured and recordings made available in the future. Photos and recordings may be used by the AOFAS in future promotional materials.

This course will include symposia and scientific papers on sports, and provide the opportunity to learn and discuss with the experts in an interactive meeting format. We will address controversies, hold debates, and outline innovative approaches to difficult problems in the athletic population. Scientific papers on sports and arthroscopy will also be presented during the day. There will also be opportunities outside of the CME program for hands-on exposure to the state-of-the-art techniques in industry symposia. The Pre-meeting Course will provide an excellent way to kick off the meeting in Toronto.

Take Note! RESEARCH FORUM • Presented by the AOFAS Research Committee
The Research Green Thumb: How To Develop, Fund and Maintain a Research Program
CME: 1.5 AMA PRA Category 1 Credits™

This year's meeting features expert symposia, exciting lectures and debates, scientific papers, and ePosters. New for this year will be the Elite 8, Final 4 and Finals Round Debates on controversial topics and TED talks on foot and ankle surgery. Topics will include how to manage common and complex problems, breakthroughs in technology, and advances for the future. Case-based interactive discussions sessions will build on last year's popular Ask an Expert, and other Friday afternoon concurrent sessions will be offered for the first time.

AOFAS Exhibit Hall – Metro Toronto Convention Centre

Minimum Age: 16

This is your first meet and greet with attendees, their spouses and guests, as well as with industry representatives, all of whom will be looking forward to your arrival as they present the latest advances in foot and ankle care products and services. Enjoy light appetizers and beverages as you walk through the aisles of the expansive Exhibit Hall. Exhibitor participation is vital to the Society. The AOFAS encourages meeting attendees to support industry efforts by taking advantage of this dedicated time in the Exhibit Hall.

Cost: Included in meeting attendee registration fee

Separate spouse / guest registration is required (minimum age: 16)

HOME RUN GALA

Friday, July 22

6:00 – 10:00 pm

Rogers Centre Ballpark

Rain or Shine

Toronto Blue Jays vs. Seattle Mariners Baseball Game

The site of this year's annual Gala Event is the Rogers Centre – famous the world over for its fully retractable roof and home to the Toronto Blue Jays Baseball Club™, World Series Champions in 1992 and 1983.

Come One, Come All to cheer on your favorite team. This year's event will be unique, whether you are the serious baseball fan that enjoys the intensity of the game and doesn't want to miss one minute of the action, or you are the baseball fan that enjoys a more relaxed setting where you can monitor the plays while engaging in conversation with friends and colleagues. Whichever your style, this year's Home Run Gala has the right ticket for you.

Choose Individual Stadium Seating (200 Level) or the Special Event Suite (400 Level). The vantage point from either location will be the same – overlooking the 3rd base line. For those watching from the Suite, enjoy a relaxed buffet dinner; for those nestled in a Stadium Seat, choose from a wide range of food and drink vendors using a pre-paid voucher.

If your schedule allows, head over to the ballpark a little early – batting practice begins at 5:30 pm and ends at 6:30 pm. The Rogers Centre is a short 2-block, 10-minute walk from the Convention Centre.

Which team will come out the winner? Will it be the Blue Jays at home in Toronto and the site of AOFAS Annual Meeting 2016, or the Mariners visiting from Seattle and the site of AOFAS Annual Meeting 2017? Pick a team, cheer them on and together let's "hit it out of the park!"

Ticket Cost:	AOFAS Member/Non-Member, Orthopaedic Resident/Fellow, Allied Health, and their families	Industry Representative and their families
Stadium Seat:		
Adult, Youth or Child	\$50	\$100
Special Event Suite:		
Adult	\$75	\$150
Youth (6 – 17 years)	\$35	\$150
Child (5 years & under)	No Charge	No Charge

DISCOVER TORONTO

www.SeeTorontoNow.com

Toronto is ranked #7 on the top 52 places to go in 2016 (NY Times, January 2016) and is listed in the Top 10 of the most culturally diverse cities in the world (CNBC, May 2015). Discover all this waterfront city has to offer and plan to enjoy it before and after the AOFAS Annual Meeting.

WEATHER AND SUGGESTED MEETING ATTIRE

Typical July temperatures in Toronto tend to run in the high 70s(F) / 20s(C) and rain is generally not the norm. For meeting segments, pack business casual wear and bring a jacket or sweater for indoor air conditioning. For outdoor activity, pack light summer clothing along with your running, walking or biking gear.

HOUSING

Headquarter Hotels: AOFAS room block rates will be available until June 14, 2016 or until the group block is sold out, whichever comes first. There are no resort fees. The conference rate will be available three days before and after the meeting based on availability. Hotel deposit and cancellation penalties apply; review these details when making your reservation.

Traveling from Outside Canada?

Government documentation is the responsibility of each traveler, children included.

Find out what you need to visit Canada as a tourist and what documents you need to carry with you to transit through Canada.

Carefully review all information provided by the Government of Canada, especially on the home page and under the Travel tab by visiting **<http://www.cic.gc.ca/english/visit>**. View today so you have ample time to obtain all required travel documents. There is a Contact button on the bottom left of the site's home page for Enquiries should you need further direct assistance.

Citizens of certain countries and territories need a visa to visit or transit Canada. Others need an Electronic Travel Authorization (eTA). Starting March 15, 2016, visa-exempt foreign nationals who fly to or transit through Canada will need an eTA. Exceptions include US citizens, and travelers with a valid visa. Be sure to carefully read about all changes and how they may affect you.

If you need additional travel assistance you may also contact AOFAS travel agent Ms. Tomi Gaudio (see page 12 for contact information).

Passport reminder to enter/depart Canada:

Your passport must not have an expiration date within six months of July dates of travel. Check your expiration date now and renew immediately if necessary.

Expedite your travel time:

Consider enrolling in Global Entry. Go to:

<http://www.cbp.gov/travel/trusted-traveler-programs/global-entry>

Review carefully for eligibility.

Canadian Currency

What you should know about loonies, toonies, credits cards, and more!

New travelers to Canada will quickly learn about the money you will use during your stay. Canadian coins include the loonie (\$1), toonie (\$2), 25¢ quarter, 10¢ dime, and 5¢ nickel. The Canadian Dollar (CAD) value floats against that of all other major currencies.

US dollars are accepted in most Toronto establishments, although you'll receive change in Canadian funds and exchange rates will differ from merchant to merchant. To learn more visit **<http://gocanada.about.com/od/canadatravelplanner/qt/Money.htm>**.

It may be advisable to exchange currency or traveler's checks at a bank, not a currency exchange, hotel, or shop. Get up-to-the-minute exchange rates online before you go at **www.oanda.com/currency/converter** or **www.xe.com/ucc**.

Tips for using a debit or credit card in Canada may be found at **<http://gocanada.about.com/od/canadatravelplanner/qt/Tips-for-Using-Debit-Cards-In-Canada.htm>**. Check with your card provider to be sure your charges in Toronto will be processed properly.

Phone Home

For travelers coming from outside Canada, you may want to contact your mobile phone provider in advance to learn about Canadian call fees and to determine whether money-saving international travel phone call fee packages for Canada are available.

SPOUSE / GUEST REGISTRATION

Paid registration (\$55 per person) is required for all spouses and guests who intend to take advantage of any or all of the following:

- Welcome Reception in the Exhibit Hall (minimum age: 16)
Appetizers and refreshments will be served
- Admission to the Exhibit Hall during posted hours
(minimum age: 16)
- Breakfasts and Breaks as scheduled for meeting attendees

See **Spouse / Guest Social Fee** listing found on the Registration Form. Badges will be issued to registered spouses and guests and must be worn for admission to all of the activities listed above.

Spouses and guests who only plan to attend the Home Run Gala at Rogers Centre are required to pay the ticket fee for this event, but not the additional Spouse / Guest Social Fee.

COURSE POLICIES

Meeting sessions are for registered meeting attendees only. Spouses who are physicians and expect CME for attending the scientific sessions must register as a full meeting attendee and pay the appropriate fees. Food functions and educational displays are meant solely for registered meeting participants plus those who have registered and paid as a spouse or guest of an attendee (see Spouse/Guest Registration section above). The AOFAS regrets that spouses, guests, families, and unregistered staff are not permitted in these areas.

If you have not received your registration confirmation within one week of departure for this meeting please write to **registration@aofas.org** or call 800-235-4855 or 847-698-4654 (outside US). The AOFAS will not be responsible for expenses incurred by an individual who is not confirmed and for whom space is not available at the meeting.

Meeting registrants are asked to wear their registration name badge throughout the meeting and during AOFAS social events. The AOFAS may photograph or record you as you participate in this meeting and related activities. Meeting lectures and questions from the audience will be captured and recordings made available in the future. Photos and recordings may be used by the AOFAS in future promotional materials. Photography and recording of the sessions by meeting attendees is strictly prohibited.

CANCELLATION / REFUNDS

Requests to cancel registration and obtain a refund must be received in writing at the AOFAS Executive Office by the key deadlines shown in the Important Deadlines section.

Building a Solid Footing

YOUR SUPPORT IS NEEDED

The Orthopaedic Foot & Ankle Foundation (The Foundation) is a 501(c)(3) nonprofit organization that helps provide funding for essential AOFAS programs for research growth, humanitarian service, and educational outreach.

Your support is vital and appreciated. Donor contributions to date have helped the Society provide the following:

- Research Grants
- Orthopaedic Foot & Ankle Outcomes Research Network (OFAR)
- Traveling Fellowship Program
- Resident Scholarship Program
- Resident Review Courses
- Visiting Professor Program
- Overseas Outreach Project to Vietnam

Invest in the future of the profession. Help the Foundation reach its Campaign 50 goal of \$3 million by 2019, the 50th anniversary of the AOFAS.
