ASTHMA EDUCATORS**

## **ANNUAL CONFERENCE**

# **Emerging Breakthroughs in Asthma Education: Shaping the Future**

**Marriott Country Club Plaza**  

---

**Kansas City, MO**

**JULY  
23, 24, 25  
2025**

# Welcome!

The Association of Asthma Educators (AAE) is the premier national nonprofit organization devoted to excellence and raising the competency of diverse individuals who educate patients and families living with asthma. The AAE Annual Conference is the most prominent educational offering of AAE, drawing over 250 asthma educators from all professions, including: respiratory therapists, nurses, pharmacists, physicians, nurse practitioners, physician assistants, community health workers, athletic trainers, and other healthcare professionals.

The common denominator of our conference attendees is a passion for improving asthma care through asthma education. This multidisciplinary approach provides a unique opportunity to reach a diverse, and influential target group. The inter-professional nature of the AAE Conference makes it unique as attendees gain new knowledge, skills, and insights to improve patient care when they return to their practice sites. Our conference will offer AMA PRA Category 1 Credits, ACPE, CE, and CRCE credits.

Thank you for joining us Kansas City!

| <b>Students: Full Conference</b>                                         | \$200.00    |

# Plan Your Stay

Two nationally renowned art museums are located nearby, [The Nelson-Atkins Museum of Art](#) and [Kemper Museum of Contemporary Art](#). Located on the campus of UMKC, the [Kansas City Repertory Theatre](#) is one of the best-kept secrets in the Midwestern theater scene, delighting local audiences and inspiring New York productions at the same time.

Sidewalk cafes and patios on the Plaza just can't be beat. See for yourself and rest your heels at local institutions like [Fiorella's Jack Stack Barbecue](#) (upscale smoky 'cue) and [Gram & Dun](#) (comfort food with creative drink pairings). [Rye](#) features down-home favorites such as fried chicken and hand-selected steaks cooked over pecan and white oak, plus a killer weekend brunch. Other favorites include [Kaldi's Coffee](#) for caffeination and [Shake Shack](#) for craveworthy cheeseburgers.

# Continuing Education

## Accreditation Statement:

### NURSING

This program has been planned and implemented in accordance with the requirements of the California Board of Registered Nursing. The Association of Asthma Educators is an approved provider (#13605) of continuing education in nursing. This activity meets criteria for mandatory continuing education requirements, and the participant is awarded 23.75 contact hours.

### RESPIRATORY

This program has been approved for a maximum of 23.75 Continuing Respiratory Care Education (CRCE) contact hours by the American Association for Respiratory Care, 9425 N. MacArthur Blvd. Suite 100 Irving TX 75063 Course #194456000

The University Of North Carolina Eshelman School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. ACPE program **TBD** provides 23.75 contact hours of continuing pharmacy education credit. To receive CE credit, participants must verify attendance, and complete the evaluation form(s) of this program. Participants must provide their name, email address, NABP e-Profile ID, and date of birth (MMDD) to receive credit. Statements of credit can be viewed and printed in CPE Monitor in approximately 2 to 3 weeks. It is the participant's responsibility to check CPE Monitor to verify credit has been uploaded. If credit is not shown please contact the provider \*\*No partial session credit will be given\*\*.

To receive the maximum number of credits you must sign-up for Track 2/Day 1.

Day 1 ACPE# 7.5hours **TRACK 2 ONLY**

Day 2 ACPE# —9.25hours

Day 3 ACPE # 6.75

### CME

The AAAAI is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide CME for physicians. The AAE Annual Meeting is the premier continuing education event. It provides an opportunity for physicians to earn up to 22.5 Category 1 credits. Physicians should claim only the credit commensurate with the extent of their participation in the activity." To receive the maximum number of credits you must sign-up for Track 2/Day 1.

## NETWORKING WELCOME RECEPTION

Join us for a casual  
gathering.

Meet representatives of  
NBRC, AAE Board of  
Directors, Speakers,  
Attendees and Sponsors.

**The team learning  
connection starts here!**

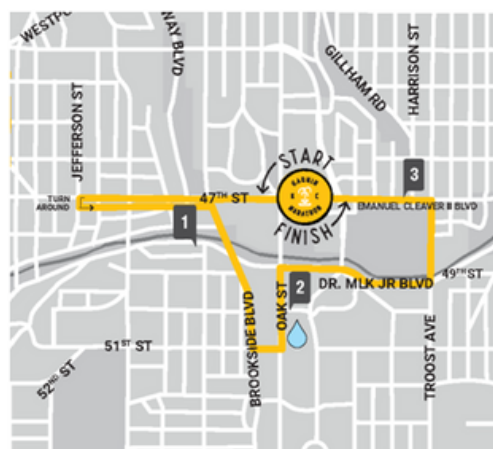

**MI GREATROOM**  
**6:30 PM TO 8:00 PM**  
**LOCATED ON THE MAIN FLOOR**

FRI. JULY 25 @ 6:15 AM

AAE has put a strong emphasis/focus on health for all our members with the annual Cooper 5K FunRun/1 mile walk at every conference since 2012 led by Cindy Cooper herself. This activity truly extends out to the patients' lives we all touch who have asthma, leading by example, and stressing the importance of taking it one step at a time and remembering every step matters!

You can't pour from an empty cup. Take care of yourself first.

# SPECIAL SESSION: PULMONARY FUNCTION

**Location: ROANOAKE**

**Friday, July 25, 10:15 AM - 4:15 PM**

**Participants  
must pre-  
register and  
attend the  
entire series**

A progressive learning pathway uses lectures, demonstrations, and individual practice to provide participants with the skills to conduct accurate and valid lung function testing in the hospital or clinic settings. The breakout sessions are designed for the beginner to more advance practitioners; participants will earn 5.0 hours of continuing education credits.

**Limited to 24  
Participants**

|                         |                                                                                    |                                    |
