Welcome note

Welcome to the 4th OFISACON International congress, organised once in two years by the Ophthalmic forum of Indian society of Anesthesiologists. The central idea of this conference is to bring Anaesthesiologists and Ophthalmologists onto one common platform to review current medical practices and guidelines enabling delivery of high quality patient care. Many renowned National and International speakers will talk on various topics in the field of Ophthalmology and Ophthalmic Anaesthesia, which has come a long way in the last decade. In this congress we have stressed on the interactive sessions of audience with speakers, hands on demonstrations, medicolegal expert opinion, live streaming of EUA from OR, simulators, pediatric sessions and 3D Shows. we aim to deliver both applied knowledge and theoretical pearls as a take home message for the delegates.

L V Prasad Eye Institute takes immense pleasure to organise and host the the 4th OFISACON - 2017. We warmly invite all speakers and delegates to our institute for the congress and also to the beautiful city of the Nizams, Hyderabad. We look forward for the scientific and professional exchange of knowledge and skills in the field of Ophthalmology and Anaesthesiology.
