

Preparation Course for the Diploma in Special Care Dentistry (ONLINE)

Overview

This online preparation course is aimed at candidates preparing for the RCSEd Diploma in Special Care Dentistry. It gives participants the opportunity to familiarise themselves with the exam format and includes sample questions.

Aims & Objectives

To inform candidates about the DSCD Examination including types of questions used and to give advice as to how to prepare for the exam.

Learning Outcomes

By the end of the course, participants will have an appreciation of the examination format, breadth and depth of knowledge required and will be aware of the types of questions used in the examination.
