

EARN 30 CME/CPD/CE CREDITS

Nov 17–18, 2027 | Dubai, UAE

6TH GLOBAL PEDIATRICS, NEONATOLOGY, EMERGENCY CARE SUMMIT AND EXHIBITION

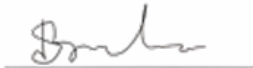

We are delighted to bring together pediatricians, neonatologists, healthcare professionals, researchers, and experts from around the world to share knowledge, exchange ideas, and advance excellence in pediatric and child healthcare.

WELCOME MESSAGE

DR. UMA BUCHA

Uma Bucha, Ph.D., SCBA-C, ISA, RBA (Ontario)

Best Regards

I am Dr. Uma Bucha, a behavior analyst and healthcare professional affiliated with Spark Lifecare, Canada. I hold a Ph.D. in Psychology along with an M.Sc., and I am a certified BCBA-D, LBA (VA), RBA (Ontario), and International Behavior Analyst.

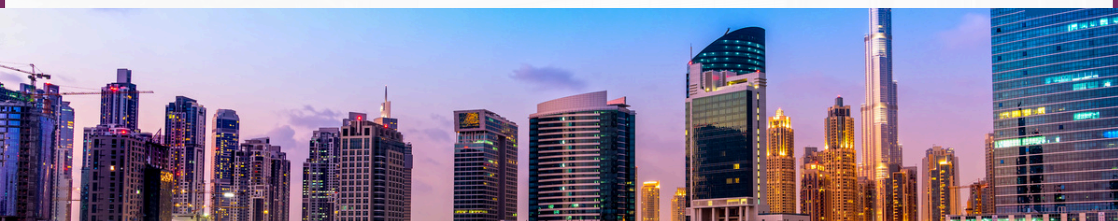

My professional work focuses on Autism Spectrum Disorders, developmental disabilities, functional behavior assessments, and parent and staff coaching. I have extensive experience working in the healthcare sector and supporting children with developmental challenges through evidence-based behavioral interventions.

It is my great pleasure to invite you to the 5th World Summit and Exhibition on Pediatrics, Perinatology, and Emergency Pediatrics Care, which will take place from June 18–20, 2026, in Kuala Lumpur, Malaysia.

I am honored to be presenting my talk titled “Effectiveness of Video Modeling to Teach Imitation Skills to Children with Autism in an Underprivileged Community on the Island Nation of Mauritius.” This global summit will bring together pediatricians, researchers, academicians, healthcare professionals, and experts from around the world to share knowledge, discuss innovative research, and explore the latest advancements in pediatric and child healthcare.

Join us for an inspiring and meaningful experience filled with knowledge, collaboration, and global networking. I look forward to welcoming you all to Kuala Lumpur.

I look forward to having you as part of this brilliant event

About the Conference

The 6th Global Pediatrics, Neonatology, Emergency Care Summit and Exhibition serves as a prestigious international platform that brings together nurses, healthcare professionals, researchers, academicians, and industry experts from across the globe.

Target Audience

Pediatricians, neonatologists, perinatologists, pediatric surgeons, pediatric nurses, pediatric residents and fellows, pediatric emergency specialists, child health experts, obstetricians, gynecologists, general practitioners, healthcare professionals, pediatric researchers, academicians, medical faculty members, clinicians, pediatric nutritionists, public health officials, hospital administrators, childcare specialists, educators, pharmaceutical representatives, biotechnology professionals, medical device manufacturers, laboratory technicians, pediatric therapists, social workers, policymakers, pediatric associations and societies, training institutes, nonprofit organizations, students

Benefits UCG is providing:

1. Get to know other people in your field
2. Hear about the latest research
3. Visit a new place and have fun
4. Meet your academic heroes
5. Engage in high-level debates and refine your ideas
6. Adding to your CV
7. Avail of CME/CPD certification
8. Network with your peers
9. To expand your knowledge and find solutions to problems
10. Meet the best influencers
11. Get new ideas and solutions
12. Get certified or learn new skills

REGISTRATION

We warmly welcome pediatricians, neonatologists, pediatric nurses, child healthcare professionals, academic leaders, researchers, and industry experts to participate as a group of three (3) members, representing esteemed pediatric societies and academies, children's hospitals, neonatal and pediatric care units, professional pediatric associations, multispecialty hospitals, universities and medical colleges, as well as research and academic institutions.

PACKAGE REGISTRATION

2-5 Nights Accommodation | Presentation/Participation Slot | 10 CME Credits | 80+ Sessions Access | Networking | Coffee Break + Lunch | Conference Kit & Program | Photography & Videography | Free Wi-Fi | Profile & Banner | Award Nomination | Chairperson Opportunity | 25% Publication Discount | Amenities: Pool, Laundry, AC, Internet, Room Service, Parking

SPEAKER REGISTRATION

Join us as a Speaker at the 5th World Summit and Exhibition on Pediatrics, Perinatology, and Emergency Pediatrics Care and present your research, insights, and expertise to a global audience of healthcare professionals.

As a speaker, you will have the opportunity to showcase your work, connect with international experts, and contribute to the advancement of pediatric practices and patient care worldwide.

DELEGATE REGISTRATION

Join as a delegate at the 5th World Summit and Exhibition on Pediatrics, Perinatology, and Emergency Pediatrics Care and gain valuable insights from leading experts in pediatric and child healthcare. Participate in scientific sessions, explore the latest research and innovations, and expand your global professional network.

As a delegate, you will receive full access to all conference sessions, learn from international experts, engage in meaningful discussions, and receive a certificate of participation while enhancing your knowledge and professional growth.

POSTER PRESENTER

Join as a Poster Presenter to showcase your research in a visual format and share your findings with a global audience in the field of pediatrics and child healthcare. This is an excellent opportunity to present your work, receive valuable feedback, and engage with experts and peers from around the world.

As a poster presenter, you will gain visibility for your research, interact with international pediatric professionals, receive constructive feedback, expand your professional network, and receive a certificate of presentation while contributing to knowledge exchange in pediatric and child healthcare.

EXHIBITOR REGISTRATION

Join as an Exhibitor to showcase your products, services, and innovations to a global audience of pediatric healthcare professionals, decision-makers, and industry leaders. This is an excellent opportunity to enhance your brand visibility and connect with potential clients and strategic partners.

As an exhibitor, you will gain direct exposure to a targeted audience, promote your brand, generate new business leads, build valuable partnerships, and strengthen your presence in the global pediatric and child healthcare market.

EARN 30 CPD CREDITS

The term continuing, or continuous, professional development (CPD), is used to refer to any form of learning you do to better your knowledge, comprehension, and experiences in a certain field. It is an acronym for continuous and planned learning and development. It emphasizes what you learn and how you grow, but it could also involve a formal method for documenting it.

YOUR GROWTH STARTS WITH 30 CPD & CME CREDITS

Earn 30 CME Credits

The term "continuing medical education," refers to learning experiences that help doctors keep their knowledge, skills, and professional relationships up to date, develop them, or improve them so they can better serve their patients, the general public, or the profession.

- ✓ Stay updated with the latest medical knowledge, research, and clinical advancements
- ✓ Enhance practical skills and improve the quality of patient care
- ✓ Strengthen your professional profile and credibility in the healthcare field
- ✓ Support career growth, promotions, and new opportunities

Win Best Speaker Awards

Best Keynote Speaker

Honoring an outstanding and inspiring keynote presentation that delivers impactful insights.

Best Oral Presentation

Awarded for delivering a clear, impactful, and well-structured oral presentation.

Best Poster Presentation

Awarded for an outstanding, clear, and visually engaging poster presentation.

Listener/Delegate Award

Recognizes active participants for their engagement, learning, and contribution to the conference experience.

Young Researcher Award

Honoring early-career researchers for innovation and excellence.

Best Research Award

Recognizing exceptional research that advances nursing practice and patient care.

Testimonials

Dr. Canut Denisa Maria

Pediatric Surgeon | Ponderas Academic Hospital

Invaluable Learning Opportunities: The sessions offered were both informative and thought-provoking. Keynote speakers and panelists shared cutting-edge research and best practices that are directly applicable to my daily work. The emphasis on evidence-based practice and new technological advancements was particularly beneficial.

Dr. Zaher Taher Gardi

Consultant Pediatrician

One of the highlights of the conference was the opportunity to connect with peers and experts from diverse backgrounds. Engaging in meaningful conversations and collaborative discussions has broadened my perspective and sparked new ideas for future projects. The exchange of best practices and experiences was particularly valuable and will undoubtedly foster improvements within our team and the broader healthcare community. In closing, I extend my heartfelt thanks to the organizers.

Dr. Haya Malallah

Postgraduate Research Student

Attending the conference provided me with invaluable insights into the latest advancements and challenges in our field. The sessions on Healthcare Innovations were particularly enlightening, offering practical strategies that I am eager to implement in my practice. The keynote speakers, including Dr. Noor, delivered thought-provoking presentations that underscored the importance of relevant topics like patient-centered care, emerging technologies, etc.

Dr. Linda Abu Jaber

Board-certified pediatrician and pediatric infectious disease specialists

Dr. Linda Abu Jaber delivered an outstanding session at the 4th World Pediatrics Conference. Her evidence-based approach, deep expertise in pediatric infectious diseases, and clear, practical insights engaged participants fully, leaving them with valuable knowledge and strategies to implement in their clinical practice.

Dr. Ibraheem Krebit

Consultant in Pediatric Emergency Medicine

Dr. Ibraheem Krebit delivered an exceptional session at the 4th World Pediatrics Conference. His evidence-based approach, practical insights, and deep expertise in pediatric care engaged attendees fully, offering valuable strategies and knowledge that can be applied in clinical practice. His presentation was both inspiring and highly informative for all participants.

Dr. Monica Peres Oikeh

Medical Doctor and Nigerian-Irish General Practitioner

The conference not only expanded my knowledge but also inspired me to bring a renewed passion and perspective to my role. The sessions on leadership and career development were particularly motivating, offering strategies to advance my career and contribute to the nursing profession more effectively.

Prof. Gulsen Meral

Founder of the Nutrigenetics and Epigenetics Association

Attending the 4PPCHUCG2025 Conference was a highly rewarding experience that has significantly impacted my professional development. I left the conference feeling inspired, informed, and equipped with new tools and ideas to improve patient care and advance nursing practice. I highly recommend this conference to any healthcare professional looking to stay at the forefront of their field and connect with a community of dedicated practitioners.

Dr. Tracy Augustine

Post-Doctoral Research Fellow

Dr. Tracy Augustine delivered an outstanding session at the 4th World Pediatrics Conference. Her expertise in pediatric and adolescent health, combined with practical insights and evidence-based strategies, provided participants with valuable knowledge. Attendees appreciated her clarity, engaging style, and actionable guidance for improving child healthcare practices globally.

Miss. Lydia Munn Ying Chang

Core Surgical Trainee

Miss Lydia Munn Ying Chang delivered an inspiring session at the 4th World Pediatrics Conference. Her presentation highlighted innovative approaches, practical strategies, and evidence-based solutions in pediatric care. Participants appreciated her clear communication, engaging style, and actionable insights, which provided valuable guidance for professionals working in child and adolescent health globally.

Dr. Gunay Salehova

Doctor of Philosophy in Medicine

Dr. Gunay Salehova delivered a highly engaging session at the 4th World Pediatrics Conference. Her expertise in pediatric and adolescent health, combined with practical, evidence-based strategies, provided attendees with valuable insights. Her clear communication and innovative approaches made the session both informative and inspiring for all healthcare professionals.

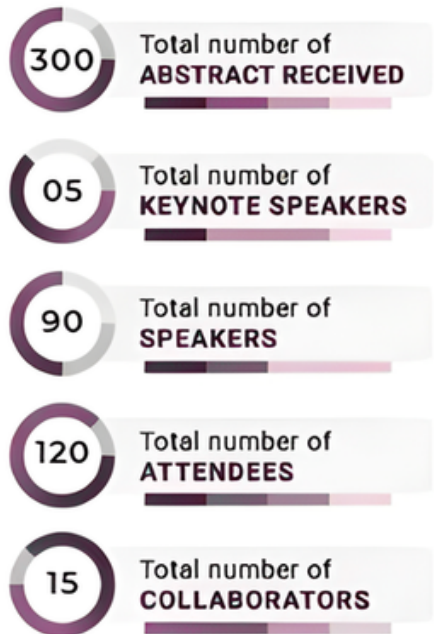

Past Event Report

Utilitarian Conference Gathering successfully organized the 4th World Summit and Exhibition on Pediatrics, Perinatology, and Emergency Pediatrics Care, which was held in Dubai, UAE. Building on this success, the Pediatrics Summit 2026 will focus on the theme: "Transforming Pediatric Outcomes: Innovations in Perinatology, Child Health, and Emergency Care."

The summit will showcase groundbreaking research, highlight emerging trends, and provide a platform for engaging and thought-provoking discussions that aim to redefine the future of pediatric and emergency child healthcare worldwide.

The overwhelming response and enthusiastic participation of the Organizing Committee Members played a significant role in the success of this global healthcare event. We extend our sincere appreciation to all distinguished guests, keynote speakers, poster presenters, and delegates for their valuable contributions and for sharing their research within our international scientific community.

The Organizing Committee also expresses its heartfelt thanks to everyone who attended the conference and helped make the sessions informative, engaging, and truly enriching. We would especially like to acknowledge the session moderators and all contributors whose efforts ensured the smooth and successful conduct of the event..
