

REGISTRATION BROCHURE

APRIL 27-30, 2017

2017 **OARSI**

**WORLD CONGRESS ON
OSTEOARTHRITIS**

**CAESAR'S PALACE
LAS VEGAS, NV**

Dear Colleagues,

We are pleased to invite you to the 2017 Osteoarthritis Research Society International (OARSI) World Congress to be held in Las Vegas, USA from April 27th–30th, 2017.

The annual OARSI Congress is a global forum for those involved in OA research and treatment from academia and industry; including basic scientists, clinical investigators, radiologists, rheumatologists, orthopedic surgeons, physicians in physical medicine and rehabilitation, allied health professionals and policy makers. In keeping with the multidisciplinary international membership of OARSI, this meeting will feature a worldwide selection of expert speakers.

Highlights this year include plenary sessions in 'Hand OA', 'Retinoic acid in OA', 'Improving outcomes in OA studies', 'Designer scaffolds for cartilage repair' and our annual debate; 'Is exercise good or bad for OA joints?!'. We have no fewer than 3 pre-meetings; the 'OARSI workshop in OA pain' that will feature speakers from industry and academia, 'Reducing the burden of OA through prevention' run by the Alberta OA team in collaboration with two UK OA Centres, and the 'Young Investigators' session'. The meeting will also be preceded by an 'OARSI Clinical Trials Course (on Wednesday, April 26th) following the highly successful lunchtime session that was held at the OARSI 2016 meeting.

As our society grows we have needed to provide measures to reflect the increased numbers of abstracts submitted and posters displayed. To this end we have increased the poster times, introduced breakfast poster tours and will be trialing 'Rapid fire poster tasters' embedded within a plenary session. We aim to increase the exposure of our younger members and enable our delegates to learn from the depth and breadth of work presented at this meeting. OARSI 2017 will also be a great opportunity for young investigators to receive mentorship, through the 'Meet the professor' session, to discuss their ideas, hopes and ambitions with leaders in diverse fields of research.

The OARSI app which was introduced last year has been further refined and promises to provide an efficient and easy way to navigate the meeting's sessions and access abstracts and other information at the press of a button!

A new addition to the schedule is the inaugural course on Osteoarthritis clinical trials to be held on April 26. This course will cover the methodologic and clinical concepts specific to design and conduct of the randomized clinical trials in osteoarthritis.

We hope you will join us to contribute to this exciting meeting. See you in Vegas!

2017 OARSI World Congress Program

Pre-Congress Workshops

WEDNESDAY, APRIL 26TH 2017

11:00 AM – 8:00 PM **OARSI Clinical Trials Course**
(separate registration fee)
**see page 9 for more details*

THURSDAY, APRIL 27TH 2017

8:00 AM – 12:30 PM **Reducing the Burden of Osteoarthritis through Prevention**
Chaired by:
Carolyn Emery, PT, PhD
Nigel Arden, MBBS, FRCP, MSc., MD
John Loughlin, PhD

Speakers to include:
Nigel Arden Carolyn Emery
Vera Araujo-Soares May-Arna Riseberg
Jackie Whittaker Jos Runhaar
Michelle Hall David Lloyd
Tom Andriacchi Roman Krawetz
Ali Mobasher David Hunter
Walter Herzo

9:00 AM – 12:00 PM **Current Perspectives on Pain in Osteoarthritis**
Anne Marie Malfait, MD, PhD

10:00 AM – 12:00 PM **OARSI Young Investigator Workshop OA Imaging: A Look to the Future with Novel Imaging Approaches**
Simo Saarakkala, PhD
Chunyi Wen, PhD

Please note, although the Young Investigator Pre-congress Workshop is organized by Young Investigators, the workshop is open to all OARSI participants.

WELCOME AND PLENARY SESSION 1 - HAND OA

1:30 PM – 2:00 PM **Clinical Update in Hand OA**
Ida Haugen, MD, PhD

2:00 PM – 2:30 PM **Is Retinoic Acid a Target in Hand OA?**
Helgi Jonsson, MD, PhD

2:30 PM – 3:00 PM 3 Abstract Presentations

3:00 PM – 3:30 PM Break

PLENARY SESSION 2

3:30 PM – 5:00 PM **Nine Highest Rated Abstracts by Young Investigators**

5:00 PM – 5:15 PM Recognition of Young Investigators

5:15 PM – 5:45 PM Break

PLENARY SESSION 3 - OPENING CEREMONY / AWARD PRESENTATIONS

5:45 PM – 7:00 PM Presidential Address and Award Session

PLENARY SESSION 4 - KEYNOTE ADDRESS

7:00 PM – 7:30 PM **All You Need to Know About The Microbiome!**
Lindsay Hall, BSc, PhD

7:30 PM – 9:00 PM **Opening Reception with Exhibitors**

FRIDAY, APRIL 28TH, 2017

7:30 AM – 8:30 AM **Breakfast Workshop A OA for Beginners**
Marc Hochberg MD, PhD

Breakfast Workshop B In vivo Models of Cartilage Repair and Chondrogenesis
Francesco Dell'Accio, MD, PhD

WEDNESDAY

THURSDAY

FRIDAY

7:30 AM – 8:30 AM

**NEW THIS
YEAR!**

Breakfast Poster Tour 1
Osteoarthritis Therapy

Breakfast Poster Tour 2
Cartilage & Bone

Breakfast Poster Tour 3
Imaging and Biomarkers

Breakfast Poster Tour 4
Biomechanics

(Separate registration fee)
See page 9 for more details

CONCURRENT SESSION 1 – CARTILAGE BIOLOGY

8:45 AM – 9:15 AM

Engineering TIMPs for OA Therapy
Linda Troeberg, PhD

9:15 AM – 10:15 AM

6 Abstract Presentations

CONCURRENT SESSION 2 – BIOMECHANICS

8:45 AM – 9:15 AM

**Mechanical Plasticity in Locomotion
Biomechanics with Age; its
Relevance to OA**
Paul deVita, PhD

9:15 AM – 10:15 AM

6 Abstract Presentations

10:15 AM – 10:45 AM

Break

PLENARY SESSION 5 – TOWARDS CARTILAGE REPAIR

10:45 AM – 11:15 AM

**Designer Scaffolds
for Cartilage Repair**
Molly Stevens, PhD

11:15 AM – 12:00 PM

Rapid Fire Poster Tasters
15 x three minute presentations,

12:00 PM – 1:00 PM

Poster Session 1

1:00 PM – 2:30 PM

Lunch on own

1:00 PM – 2:30 PM

Satellite Lunch Symposium

Disease Modification in Knee
Osteoarthritis: Potential for a First
in Class Small Molecule Wnt Inhibitor
SM04690
Sponsored by Samumed

PLENARY SESSION 6 – IMPROVING OUTCOME IN OA STUDIES

2:30 PM – 3:00 PM

**Meta-research:
A Bird's Eye View of OA**
Robin Christensen, PhD

3:00 PM – 3:30 PM

**Enhancing the Value of
Pre-Clinical Studies**
Malcolm Macleod, MD, PhD

3:30 PM – 4:00 PM

3 Abstract Presentations

4:00 PM – 5:00 PM

Poster Session 2

CONCURRENT SESSION 3 – GENETICS AND EPIGENETICS

5:00 PM – 5:30 PM

Molecular Targets Arising from GWAS
Rik Lories, MD, PhD

5:30 PM – 6:30 PM

6 Abstract Presentations

CONCURRENT SESSION 4 – INFLAMMATION (CLINICAL)

5:00 PM – 5:30 PM

**Hydroxychloroquine in Hand OA;
Results of the UK HERO Trial**
Sarah Kingsbury, PhD

5:30 PM – 6:30 PM

6 Abstract Presentations

7:00 PM – 8:00 PM

**Meet the Professor Mentorship
Session for Young Investigators
Followed by Reception**

SATURDAY, APRIL 29TH, 2017

7:30 AM – 8:30 AM

**NEW THIS
YEAR!**

Breakfast Workshop C
**Non-pharmacological
Treatments in OA**
Gillian Hawker, MD, FRCP

Breakfast Workshop D
**Radiographic Predictors of OA
Progression**
Frank Roemer, MD, Associate Professor

Breakfast Poster Tour 5
Osteoarthritis Therapy

Breakfast Poster Tour 6
Cartilage & Bone

Breakfast Poster Tour 7
Imaging and Biomarkers

Breakfast Poster Tour 8
Biomechanics

(Separate registration fee)
See page 9 for more details

CONCURRENT SESSION 5 - INFLAMMATION

8:45 AM – 9:15 AM

**Response of Articular Chondrocytes
to Reactive Oxygen Species (ROS)**
Richard Loeser, MD

9:15 AM – 10:15 AM

6 Abstract Presentations

CONCURRENT SESSION 6 - JOINT HEALTH

8:45 AM – 9:15 AM

Joint Health Begins in Childhood
Graeme Jones, MD, FRACP, FAFPHM

9:15 AM – 10:15 AM

6 Abstract Presentations

10:15 AM – 10:45 AM

Break

CONCURRENT SESSION 7 - MATRIX

10:45 AM – 11:15 AM

**Type II Collagen; Designed to Last a
Lifetime?**
Katja Heimemeier, PhD

11:15 AM – 12:15 PM

6 Abstract Presentations

CONCURRENT SESSION 8 - OA TREATMENTS

10:45 AM – 11:15 AM

**Effectiveness of Surgery: Perception
versus Reality**
*Ian Harris, AM, MBBS, MMed(Clin Epi),
PhD, FRACS(Orth), FAOrthA*

11:15 AM – 12:15 AM

6 Abstract Presentations

12:15 PM – 2:00 PM

Lunch on own

12:15 PM – 2:00 PM

Young Investigator Workshop
**#SocialMediaSavvy: Tips for Using
Social Media to Successfully Promote
Your Research**
*Francis Berenbaum, MD, PhD
David Hunter, PhD, FRACS, MBBS
Ali Mobasheri, BSc, ARCS, MSc, DPhil*

CONCURRENT SESSION 9 - IN VIVO PATHOGENESIS

2:00 PM – 2:30 PM

**Sik3 Suppresses Disease
in Murine OA**
Noriyuki Tsumaki, MD, PhD

2:30 PM – 3:30 PM

6 Abstract Presentations

CONCURRENT SESSION 10 - METABOLISM

2:00 PM – 2:30 PM

Metabolic OA; Does it Exist?
David Felson, MD, MPH

2:30 PM – 3:30 PM

6 Abstract Presentations

3:30 PM – 5:00 PM

Poster Session 3

PLENARY SESSION 7 - DEBATE

5:00 PM – 6:00 PM

Is Exercise Good or Bad for OA?!
*Nigel Arden, MBBS, FRCP MSc, MD - Pro
Steve Messier, PhD - Con*

6:15 PM – 8:15 PM

Chinese Abstract Session

6:15 PM – 8:15 PM

Japanese Abstract Session

SATURDAY

SUNDAY, APRIL 30TH, 2017

7.30 AM - 8.30 AM

Breakfast Workshop E
**Effect of Intra-Articular Placebo:
Implications for Trial Design**
Tim McAlindon, MD, MPH

Breakfast Workshop F
Clinical Testing in Veterinary OA
Peter Hanson, DVM, PhD, DACVS

CONCURRENT SESSION 11 - MECHANOBIOLOGY

8.45 AM - 9.15 AM

**Mechanical Factors in Bone
and Joint Development**
Eli Zelzer, Prof.

9.15 AM - 10.15 AM

6 Abstract Presentations

CONCURRENT SESSION 12 - IMAGING

8.45 AM - 9.15 AM

MRI in OA Research and the Clinic
Edwin Oei, MD, PhD

9.15 AM - 10.15 AM

6 Abstract Presentations

10.15 AM - 10.45 AM

Break

PLENARY SESSION 8 - YEAR IN REVIEW

10.45 AM - 11:00 AM

Rehabilitation and Outcomes
Dieuwke Schiphof, PhD

11:00 AM - 11:15 AM

Osteoarthritis Biology
Tom Appleton, MD, PhD, FRCPC

11:15 AM - 11:30 AM

Clinical
Amanda Nelson, MD, MSCR, RhMSUS

11:30 AM - 11:45 AM

Genetics/Genomics and Epigenetics
Mandy Peffers, PhD

11:45 AM - 12:00 PM

Biomarkers
Fiona Watt, B.Med.Sci, MBBS, PhD

12:00 PM - 12:15 PM

Imaging
John Carrino, MD, MPH

12:15 PM - 12:30 PM

Mechanics
Yang Wang, PhD

SUNDAY

All sessions of the Congress, including exhibits, posters, and oral presentations will take place at Caesar's Palace in Las Vegas, Nevada, USA.

Hotel Information/Reservations

For your convenience OARSI has reserved sleeping rooms at the Caesar's Palace in Las Vegas. Please note that you may make reservations in the block at the group rate until Monday, March 27, 2017 or until the group block is sold out, whichever comes first. After that time, the group rate will be offered based on hotel availability only or prevailing rates for the hotel will apply. Hotel reservations can be made by visiting <http://2017.oarsi.org/housing>.

For guests that prefer to phone in their reservations, they may call the Reservation Center at 866-227-5944 to secure a reservation on our group block. Currently, the name of the group is listed as Osteoarthritis Research Society Intl. (OARSI) and you can also mention our group code, SCORS7 to identify the group upon booking.

Travel Information

World Travel, Inc. has been designated as the official travel coordinator for the 2017 OARSI World Congress. We recommend that you contact World Travel Group Department at 1-800-867-2970 (Monday - Friday, 8:00 am - 5:30 pm EST) for your transportation and car rental needs. Please identify yourself as Osteoarthritis Research Society International (OARSI) meeting attendee. World Travel will make all reservations based on the lowest fare available on date of issue.

AIRPORT:

McCarran International Airport
5757 Wayne Newton Boulevard • Las Vegas, Nevada 89119

TAXI SERVICE

More than ten taxi companies provide service to and from the airport and locations throughout Las Vegas. Taxi cab service is regulated by the Nevada Taxicab Authority, a Nevada State agency responsible for issuing medallions and setting fares. The airport is just a few minutes from Caesar's Palace.

Public Transportation : The Regional Transportation Commission of Southern Nevada (RTC) provides bus service to and from McCarran International Airport. For route information, please visit the RTC web site.

SHUTTLES

Shuttle services are available to and from communities outside of Las Vegas. Please visit <https://www.mccarran.com/Go/Inter-CityShuttles.aspx> for more information.

Registration/Membership

All attendees must register for the meeting. Register early and get the discounted pre-registration fee. The pre-registration deadline is April 1, 2017.

Member rates: If you have paid your 2017 membership dues prior to December 31, 2016, member rates apply.

	EARLY BIRD REGISTRATION	AFTER APRIL 1, 2017
Regular Health professional or researcher from a broad range of disciplines	\$695	\$795
Associate Resident, fellow, post doc, research assistant, Verification from supervisor is required.	\$325	\$425
Student You will be required to upload a document for proof of your Student status.	\$160	\$260
Retiree Individuals retired from the field of osteoarthritis.	\$160	\$260

New and Non-member rates: If you have not renewed your dues by December 31, 2016, or are not a member of OARSI, these non-member rates include membership dues for 2017.

	EARLY BIRD REGISTRATION	AFTER APRIL 1, 2017
Regular Health professional or researcher from a broad range of disciplines	\$950	\$1050
Associate Resident, fellow, post doc, research assistant, Verification from supervisor is required.	\$500	\$600
Student You will be required to upload a document for proof of your Student status.	\$255	\$355
Retiree Individuals retired from the field of osteoarthritis.	\$255	\$355

Fellows must include a letter on letterhead signed by your program director indicating you are in training. Students must provide a current copy of student identification.

The Congress Non-Member registration fees include 2017 OARSI membership renewal, or new membership. The fee also includes a Congress bag, abstract supplement, all scientific sessions and poster sessions, welcome reception, and breaks.

Ticketed Registration Fees

INAUGURAL COURSE ON OSTEOARTHRITIS CLINICAL TRIALS

\$250 • REGULAR MEMBER/NON-MEMBER

\$150 • ASSOCIATE, STUDENT, RETIREE MEMBER/NON-MEMBER-
(Limited space available)

On behalf of OARSI and the organizing committee, we are pleased to invite you to attend the inaugural course on Osteoarthritis clinical trials. This course will cover the methodologic and clinical concepts specific to design and conduct of the randomized clinical trials in osteoarthritis.

This course is designed to provide valuable insight and information to those wishing to participate in multi-center clinical trials with the Biopharmaceutical industry as well as those planning to design and conduct investigator-initiated randomized controlled trials, either as a single center or in multi-center setting. Highly esteemed faculty has been selected by the Planning Committee from across academia and industry to provide this instructive, in-depth and focused course, where delegates will come out with a greater understanding and ability to design and conduct successful clinical trials in the patient population with osteoarthritis. *Lunch and dinner will be provided.*

BREAKFAST WORKSHOPS • \$30 PER SESSION

(Limited space available)

Based on the popularity of the morning workshops in the past, there will be six breakfast workshops during the 2017 Annual Congress. These workshops will take place on Friday, Saturday and Sunday morning. Attendance is limited, so register early. A continental breakfast will be provided. There is a separate registration fee for each workshop.

BREAKFAST POSTER TOURS • \$25 PER TOUR

(Limited space available)

Sponsored by Boston Imaging

We are excited to offer breakfast poster tours for attendees of the 2017 Annual Congress in Las Vegas, Nevada. Experts in the field will host four tours focused on the following topics: Osteoarthritis Therapy, Imaging & Biomarkers, Cartilage & Bone, and Biomechanics. Poster Tours will take place from 7:30 - 8:30am, and continental breakfast will be available. A fee of \$25.00 per tour will be charged upon registration, and tours will be limited to 20 registrants so please register early!

OARSI Young Investigator Activities

No additional fees required for the sessions below. Must designate your attendance on the registration form. All young investigator events are open to ALL congress participants.

PRE-CONGRESS YOUNG INVESTIGATOR WORKSHOP:

OA Imaging: A Look to the Future with Novel Imaging Approaches

Thursday, April 27, 2017 • 10:00 AM – 12:00 PM

Whether at cellular, tissue or whole-organ level, imaging modalities are essential for diagnosis and quantitative assessment of experimental and human osteoarthritis. X-ray, computed tomography and magnetic resonance imaging belong to the routine imaging techniques for basic and clinical science in osteoarthritis. The continuously evolving osteoarthritis research field, will inevitably witness the advent of novel high-resolution imaging approaches. The Young Investigator committee is excited to offer a sneak preview of the upcoming imaging approaches for osteoarthritis, including photo-acoustic imaging and contrast-enhanced computed tomography. The workshop will feature presentations by world wide experts followed by a forum discussion. Please note, the workshop is open to all OARSI participants.

MEET THE PROFESSOR MENTORSHIP SESSION FOR YOUNG INVESTIGATORS (FOLLOWED BY RECEPTION)

Friday, April 28, 2017 • 7:00 PM – 8:00 PM

The Young Investigator committee invites all pre-doc, post-doc and tenure track researchers to engage in informal conversation with their peers and experienced osteoarthritis mentors. This year, participants are given the opportunity to get the most out of their sessions by signing up for research- or career-based discussion topics. The mentorship session will be followed by a reception with food and beverages. A separate Young Investigator social event will be hosted after the reception.

YOUNG INVESTIGATOR HOSTED WORKSHOP * #SOCIALMEDIASAVVY: TIPS FOR USING SOCIAL MEDIA TO SUCCESSFULLY PROMOTE YOUR RESEARCH

Saturday, April 29, 2017 • 12:30 PM – 2:00 PM

**this workshop has limited attendance*

Social media have become prominent parts of life of many people today. Scientists and healthcare professionals are no strangers to this trend and social media can offer a powerful tool for communicating research quickly and efficiently with your peers and the public. The Young Investigator committee is excited to offer a workshop on using social media to promote your research featuring short presentations by active OARSI Twitter users and discussions with the audience. Please note, the workshop is open to all OARSI participants.

Cancellations/Refunds

To cancel your registration and receive a refund, a written request with your registration confirmation and receipt card must be received by March 17, 2017. Cancellation requests received by this date will receive a refund less a \$75 processing fee. Refunds will be processed after the meeting. All requests received after March 17, 2017, will forfeit 100% of monies paid.

Certificate of Attendance, Badges, Passports and Visas

A certificate of attendance will be available for all registrants at the on-site registration desk. Badges will be available at the registration desk starting on Wednesday morning, April 26, 2017. They should be worn at all Congress functions. Participants are expected to make their own arrangements to enter The United States. If you need a letter of invitation to attend the Congress, please e-mail Victoria Converse, Meeting Coordinator, at vconverse@oarsi.org.

The official language of the Congress is English.

Abstract Supplement

All abstracts presented at the Congress, both oral and poster will be published in the supplement to OARSI's journal, *Osteoarthritis & Cartilage*.

ADA Statement

ADA accommodations will be made in accordance with the law. If you require ADA accommodations, please indicate what your needs are at the time of registration. We cannot ensure the availability of appropriate accommodations without prior notification.

Continuing Medical Education Information

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Amedco and Osteoarthritis Research Society International (OARSI). Amedco is accredited by the ACCME to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

Amedco designates this live activity for a maximum of 25.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
