UCLA Hawaii Symposium

July 3-7, 2017

*Aloha
from Hawaii*

UCLA School of Dentistry

Continuing Dental Education

Welcome to Hawaii

Our 27th Annual UCLA Hawaii Symposium will be held at the **Fairmont Orchid at Mauna Lani** along the Kohala Coast area of Hawaii's 'Big Island'. This 5 day conference will take place between 8 am and 12:30pm each day, allowing you and your family plenty of time to relax and enjoy the resort. We have assembled an outstanding line-up of world-class speakers on the hottest topics in dentistry. In addition, Wednesday will have an extended afternoon session on practice/patient management.

Make no mistake about it, despite the gorgeous location, this symposium is of the highest caliber. Every year hundreds of participants come to our course looking for a beautiful vacation and take away outstanding new information and techniques to apply in their practices on Monday. We hope you'll consider bringing some of your team members with you as well.

The Fairmont Orchid

Discover a luxurious Hawaii resort inspired by culture, well-being and genuine Aloha. The Fairmont Orchid at Mauna Lani is an award-winning luxury retreat on the sun drenched Kohala Coast. Located about 30 minutes from Kona Airport, the resort features a spectacular 10,000 sq. ft. heated swimming pool, an extensive spa and fitness center, and golf at the world-famous Mauna Lani courses.

Vacation at this Four Diamond 32-acre luxury oceanfront resort and enjoy a sugar-white sandy lagoon and aquamarine waters. At the beach, meet the native Hawaiian green sea turtles that bask on the shoreline every afternoon.
