Overview of Course

Advances in diagnosis and treatment of gastrointestinal (GI) disorders challenge GI practitioners to remain up-to-date on the most current data. This course addresses recent developments in the fields of inflammatory bowel disease and hepatology, and offers a comprehensive review of all areas of gastroenterology.

Target Audience

This course is designed for practicing physicians, nurses, physician assistants, and nurse practitioners in gastroenterology, internal medicine, family practice, gastrointestinal surgery as well as Fellows in the field.

By attending this conference you will be able to:

1. Discuss the steps needed to deliver comprehensive care to our IBD patients with the IBD Medical Home.
2. Discuss endoscopic innovations such as POEMs, cholangioscopy, Barrett's esophagus radiofrequency ablation, and pancreatic cyst drainage.
3. Identify ways to increase your adenoma detection rate during screening colonoscopy.
4. Review the use of the newest drugs in the IBD pipeline.
5. Review the latest treatments for functional bowel diseases and eosinophilic esophagitis.
6. Present a critical review of ongoing research projects from the Department of Gastroenterology and Hepatology.

Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum 6.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 6.75 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

MOC must be selected at the time of registration.

Faculty Disclosure

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.
