Safeguarding Vulnerable Adults

Improving Adult Safeguarding Practice, Decision Making & Outcomes

Tuesday 1 December 2015 Hallam Conference Centre, London

This conference focuses on safeguarding vulnerable adults – improving safeguarding practice, decision making and delivering a person centred outcome focused approach. Sessions will focus on national updates since the Care Act 2014 implementation, moving forward with making safeguarding personal, a legal session which will look at legal developments in safeguarding and decision making in safeguarding. The conference will continue with practical case studies on critical issues such as criteria for intervention, escalating concerns and complaints, undertaking a safeguarding enquiry under section 42, information sharing and working in partnership with the police on serious concerns and criminal offences and undertaking a safeguarding adults review. The theme through the conference will be focused on delivering an outcome focused approach and developing your skills in informed decision making to improve adult safeguarding practice.
