Presenting the 6th Annual Primary Care Evidence-Based Medicine Update “Evidence that Matters”

Primary care providers, more than any other health care providers, are required to be knowledgeable of the most recent practices in a wide array of medical specialties.

This educational activity is designed to address primary care clinicians' knowledge and educational needs through short presentations that review and analyze recent findings from pertinent clinical research, with a specific focus on research studies that have immediate implications for practice. Most of the studies reviewed will be well-designed randomized clinical trials and meta-analyses.

Who Should Attend?

This activity is designed for family physicians, general internists, nurses, nurse practitioners, physician assistants, and other health care professionals who have an interest in primary care and women's health.

Come To This Meeting and Learn How To

- Summarize the most recently published data from research and clinical trials that have clinical implications for primary care medicine
- Discuss the evidence on new, revised, and standard treatment approaches for a variety of topics as they relate to primary care practitioners
- Describe updates in clinical decision tools for screening and differential diagnosis of diseases
- Review revisions in clinical practice guidelines and evaluate their clinical practice implications for primary care practitioners

Activity Codirectors

Neha Vyas, MD
Family Medicine
Mayfield Heights Family Medicine
Cleveland Clinic

Information

For further information about this activity, contact the Center for Continuing Education at:

Local: 216.444.9990
Website: ccfcmc.org/primary17

Americans with Disabilities Act

The Cleveland Clinic Foundation Center for Continuing Education fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify us at least two weeks prior to the activity.

Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 11.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Other Health Care Professionals

A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

Faculty Disclosure

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.
