

Sun Valley Inn at the Sun Valley Resort Opened in 1937 as part of the magnificent Sun Valley Resort, the Sun Valley Inn offers stylish guest rooms with marble appointed bathrooms, European-inspired décor with the finest fabrics, carpeting and wall coverings, flat-screen plasma televisions, DVD players, plush robes and high-speed internet access. Guests can head to the Ram restaurant for a gourmet bite and sip on a cocktail in the Lobby Lounge, while the Village Station offers family-friendly food and fun. An exercise room adjoins the outdoor pool.

Inn Luxury King rooms feature 55 inch television, in-drawer refrigerator, and a coffee and tea bar. Warm hues and earth tones create a soothing atmosphere. The spa-inspired bathroom has granite countertops, a walk-in shower, and wood accents.

Lodge 2 Queen Suites are located in the legendary Sun Valley Lodge building. Guests are presented with an entirely new experience, much larger guestrooms, a 20,000 square foot destination spa, a world class fitness center and yoga studio, a glass enclosed outdoor pool and pool café, and all new re-imagined and re-appointed restaurants, lounges, lobbies and event space.

The 2 Queen Suite has all new décor and an adjoining sitting room featuring a convenient fold-out sofa. Some rooms have a fireplace that divides the two spacious rooms. Having the comfort of a private vacation residence, this suite also features a luxury spa-like retreat complete with a large walk-in shower, soaking tub and golden granite walls, flooring and double-sink vanity. A walk-in dressing area provides ample built-in dressers and ski closets. This suite also offers two flat-screen HD TV's, a safe and refrigerator and an iHome clock radio/charging dock.

Sun Valley is served by Hailey's Friedman Memorial Airport (SUN). It's located 14 miles from the resort and is easily accessible from the gateway sites of Seattle (SEA), Los Angeles (LAX), and Salt Lake City (SLC). These cities are served by most major airlines and are met by Sun Valley's two connecting carriers: Horizon Air (Alaska Airlines) and SkyWest (Delta Connection). Sun Valley Resort offers a complimentary guest resort shuttle for transportation from/to Friedman Memorial Airport and the Sun Valley Resort.

HOTEL RATES: A portion of the room rate is used to partially offset the cost of refreshments served during the meeting for participants only. The discounted group rate is available for reservations made through December 26, 2018 or until the group block is full, whichever occurs first.

MEDICAL DIRECTOR: Mark Murphy, MD, MSN Education, Austin, Texas and Northwest Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, physician assistants, nurse practitioners, registered nurses, and all other medical care providers who must maintain state-of-the-art knowledge of the specialty or are impacted by it.

PROGRAM PURPOSE: The practitioner of emergency medicine must possess evidence-based scientific background for competent clinical practice; maintain state-of-the-art knowledge of the specialty and all additional related disciplines; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures; manage self and colleagues to function toward common goals in providing consistent care in all settings in which emergency care is provided; serve as an expert in matters involving quality, safe and equitable health care delivery and support of other service providers, departments, institutions, and organizations dependent upon professional expertise. Presentations are designed to facilitate the acquisition of cognitive and technical skills as defined through evidenced based data translated to best practice standards by the pertinent governmental and professional organizations including the American College of Emergency Physicians, American College of Surgeons and the Emergency Nurses Association and abilities in one or more of the disciplines vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences as they impact and are affected by the planning, delivery, and monitoring of services inherent in the professions

Explain the selection, dosing considerations with methods of administration, safe use, contraindications and precautions of drugs based on their chemical and pharmacologic properties

Outline comprehensive patient management plans for the special patient population

Apply the principles of safety and asepsis in the performance of all aspects of patient care regardless of the clinical environment in which the practice resides

Incorporate the published tenets of pertinent, recognized external organizations, institutions, and professional groups defining medical, legal, philosophical, ethical, and health care management standards.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health and Northwest Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of 20 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Anesthesiologist Assistants: The National Commission for Certification of Anesthesiologist Assistants (NCCAA) will accept CME credit for programs approved for continuing medical education by the AMA, AAPA, and ACCME.

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: This program is designed to meet requirements for Class A CE credit. Once approved by AANA, this will be indicated.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Sun Valley Since 1936, skiers from all over the world have been saying that Sun Valley is definitely worth the trip. Don't be surprised if you catch a glimpse of a world champion, as you carve your way down Bald Mountain. Dollar Mountain, "the finest teaching mountain in the world," caters to the needs of beginners with 10 runs and 628 feet of supportive, nurturing vertical rise. Over 200 experienced instructors are available to hone your alpine, snowboarding, or racing skills. Finely appointed day lodges, a total of 14 lifts and 65 varied runs await on either side of the mountain.

Sun Valley offers a myriad of shops and boutiques offering everything from exclusive clothing lines to literary gems and custom jewelry. Nothing warms the soul and delights the spirit like the bounty available from Sun Valley's host of restaurants. From robust Idaho fare to a taste of old Italy, you'd be hard pressed to sample all that Sun Valley offers in a single stay. From smooth jazz in a relaxing atmosphere, fresh comedy, first-run stage productions and movies, friendly watering holes, and classic theater, Sun Valley promises a wealth of entertainment for every mood or occasion.

A sleigh ride to Trail Creek Cabin for dinner has traditionally been one of the most memorable winter experiences for the whole family. For children, the winter program includes indoor/outdoor play, arts and crafts, alpine skiing and ice skating.
