INVITATION

2024 WPC

Dear Colleagues,

Episirus Scientifica welcomes you to attend the hybrid event of 2024 World Pediatrics Conference (2024WPC) held during October 18-19, 2024 at Osaka, Japan with the theme "Explore global health issues and initiatives related to Child Care". This international meet (2024WPC) in collaboration with Pediatric Society of Cyprus and Bulgarian Pediatrician Association (BPA) and few national and international societies anticipates hundreds of participants including Keynote speakers, Oral and Virtual presentations by renowned speakers and poster presentations by students besides delegates around the world. This conference perhaps a giant event that creates an ideal platform to share expertise addressing current advancements involved in Pediatrics and Neonatology. It will be a wonderful opportunity for all the delegates as it provides an international networking opportunity to collaborate with the world-class Pediatrics and Medical Associations.

Life is full of give and take make it count in your professional life, attend the Pediatrics Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to see you in Osaka this October.

Sincerely,

2024WPC

Organizing Committee Members

Prof. Zhenhuan Liu

Professor of Pediatrics, Pediatric
Acupuncturist, Ph.D.tutor
Nanhai Maternity Children's
Hospital Affiliated to Guangzhou
University of Chinese Medicine
CHINA

Dr. Monika Kaushal

MD (PGIMER Chd), DM (AIIMS
New Delhi), FRCPCH, FNNF

ESE PERMANENT COMMITTEE MEMBERS

Dr. Terrance Khastgir
Integris Baptist Medical
Center, Oklahoma City,
USA

Dr. Mohammed Naeem
King Abdullah Specialized
Children's Hospital,
Saudi Arabia

Dr. Parin Sangoi
Madras Medical
Mission, India

Dr. Retnaningsih
Dr. Kariadi General
Hospital, Indonesia

Dr. Ahmed Fouad
Ain Shams University,
Cairo, Egypt

ORGANIZING COMMITTEE MEMBERS

Prof. Zhenhuan Liu

Professor of Pediatrics, Pediatric
Acupuncturist, Ph.D.tutor
Nanhai Maternity Children's
Hospital Affiliated to Guangzhou
University of Chinese Medicine
China

Dr. Ricardo Iramain

Chief of Pediatric
Emergency Department
of Clinical Hospital in
Paraguay

**Dr Suchit Suresh
Tamboli**

Developmental
Paediatrician, Chiranjiv
Clinic
India

Dr. Monika Kaushal

Consultant Pediatrician &
Neonatologist
Head of Department - Pediatrics
& Neonatology
Medical Director
Emirates Specialty Hospital
DHCC and the Iranian Hospital
Dubai UAE

**Prof. Dr Muhammad
Riaz ul Haq**

Professor and Head of
Paed.Surgery in Sahiwal
Medical College and
Sahiwal Teaching Hospital

EPISIRUS SCIENTIFICA®
A Path For Discovery

ABOUT US

Episirus *Scientifica*

Episirus Scientifica (ES) is initiated to meet a need and to pursue collective goals of the scientific community specifically focusing in the field of Sciences, Engineering and technology to endorse exchanging of the ideas & knowledge which facilitate the collaboration between the scientists, academicians and researchers of same field or interdisciplinary research. Episirus Scientifica (ES) group is proficient in organizing conferences, meetings, seminars and workshops with the ingenious and peerless speakers throughout the world providing you and your organization with broad range of networking opportunities to globalize your research and create your own identity. Our conference and workshops can be well titled as 'ocean of knowledge' where you can sail your boat and pick the pearls, leading the way for innovative research and strategies empowering the strength by overwhelming the complications associated with in the respective fields.

Participation from 60 different countries and 500+ different Universities have contributed to the success of our conferences.

Our first International Conference was organized on Heart & Neurology in Bangkok, Thailand. Our conferences usually run for 2-3 days completely covering Keynote & Oral sessions along with workshops and poster presentations. Our organization runs promptly with dedicated and proficient employees' managing different conferences throughout the world, without compromising service and quality.

Our Registered Office Address:

3911 Concord Pike #8030 SMB#33612
Wilmington,

About 2024WPC

2024WPC will follow the Hybrid Event Model

After a successful hybrid 2023WPC World Pediatrics Conference in Singapore, the 6th Edition of 2024 World Pediatrics Conference (2024WPC) in collaboration with Pediatric Society of Cyprus and Bulgarian Pediatrician Association (BPA) will be hosted by Episirus Scientifica at Osaka, Japan During October 18-19, 2024.

2024 World Pediatrics Conference (2024WPC) is the 6th Edition educational event which is designed to advance knowledge and expertise in pediatrics and neonatology that rotate between continents and are organized in collaboration with national and international pediatric societies and associations. This International 2024WPC Congress is going to be held during October 18-19, 2024 in Osaka, Japan.

The conference is targeted to the international Pediatric Medicine community as well as other healthcare professionals involved in multidisciplinary pediatric disorders; For every community, there continues to be a need for child care and medical teams to evaluate and treat the newborn and children. It is appropriate that this pediatric Conference Congress take the action of leading a continuing education venue for the complex operative and child care challenges and become the epitome of such series.

The 2024 World Pediatrics Conference (2024WPC) will be organized around the theme ***'Explore global health issues and initiatives related to Child Care'***.

The conference program for the 2 days includes a line-up of local and international speakers with inspiring insights to share on advancing Pediatrics, neonatal and child Care Quality Improvement through Patient and Family Experiences.

OUR COLLABORATORS

Bulgarian Pediatrician Association (BPA) was founded in 1961, with the name Republican scientific pediatric society. Since 2015 BPA is registered as a non-profit association of public benefit. The Association brings together pediatricians, general practitioners with pediatrician practice, specialists working in the field of children healthcare, adherents.

Since it was founded, the BPA has held 13 national congresses with international participation as well as many national and regional conferences.

The Association is a regular member of the European Pediatric Association (EPA/UNEPSA), the European Academy of Pediatrics (EAP/UEMS), the International Pediatric Association (IPA) and actively participates in their activities and events. In 2010, BPA became a co-founder of the Union of Pediatric Associations from the Balkan countries. This unique organization includes the pediatric associations of Albania, Bosnia and Herzegovina, Bulgaria, Croatia, Greece, Hungary, Kosovo, Macedonia, Montenegro, Romania, Slovenia and Turkey.

The **Pediatric Society of Cyprus** was founded on January 29, 1969 and was the 2nd Medical Society founded in Cyprus after the Surgical Society.

The Pediatric Society is a member of the Association of Pediatric Societies of the Middle East and the Mediterranean UMEMPS, the Union of Pediatric Societies and Associations of Europe UNEPSA- EPA (European Pediatric Association), the International Pediatric Association IPA and the European Confederation of Pediatric Specialists CESP- EAP (European Academy of Pediatrics).

Over a period of 40 years, he organized over 35 local pediatric conferences and many seminars. In 1996 he organized the 23rd conference of the Union of Mediterranean and Middle Eastern countries which was a great success.

PRELIMINARY SCIENTIFIC PROGRAM

DAY 1: October 18, 2024

Hall : Announce Soon

Registration

Opening Ceremony

KEYNOTE FORUM

Group Photo Session

Networking and Refreshment Break

Symposium

Speaker Sessions

Session Chair | Session Co-Chair

Session 1

Adolescent Medicine

Session 2

Pulmonology, Respiratory and Infectious Diseases

Session 3

Critical / Emergency Care

Session 4

Psychology, Adolescent Medicine, Neurology

Session 5

Neonatology

Session 6

Pediatrics Oncology

Lunch Break

Session 7

Gastroenterology & Nutrition

Session 8

Endocrine & Diabetes

Session 9

Dermatology

Networking and Refreshment Break

Pannel Discussions

END OF DAY 1

DAY 2: October 19, 2024

Hall : Announce Soon

Registration

Opening Ceremony

KEYNOTE FORUM

Group Photo Session

Networking and Refreshment Break

Workshop Session

Speaker Sessions

Session Chair | Session Co-Chair

Session 10 Primary Care and Nursing

Session 11 Genetic & Metabolic

Session 12 Immunology

Session 13 Hemato – Oncology

Session 15 Pediatric Cardiology

Session 14 Rheumatology

Session 16 Covid-19 in Children

Lunch Break

Session 17 Complex Clinical Cases

Pannel Discussions

Networking and Refreshment Break

Young Researcher Forum

Poster Session

Award Ceremony

DEADLINES:

ABSTRACT SUBMISSION

March 30, 2024

EARLY BIRD REGISTRATION

February 15, 2024

SPEAKER REGISTRATION

April 15, 2024

GUIDELINES

Before you begin, please prepare the following information:

Presenting author's contact details:

Email address, Full postal address, Daytime and evening phone number

Presentation type :

Please choose from one of the following:

Poster presentation, E-poster presentation, Oral presentation

Video presentation

Author and co-authors' details:

- Full first and family name(s)
- Affiliation details: department, institution / hospital, city, state (if relevant), country
- Abstract title– limited to 30 words in Title Case
- Abstract text– limited to 250-300 words
- Tables– A maximum of 3 tables of up to 10 rows x 10 columns can be included per abstract
- Graphs and images– It is important to note that each image included in the abstract is worth 30 words. A maximum of 3 images can be included per abstract. You may upload graphs in JPG, GIF or PNG format.

Please note that abstracts must be SUBMITTED before the deadline in order to be sent to review for inclusion in the Scientific Program.

Reviewing:

All abstracts will be forwarded for the Scientific Committee's review. If an abstract is accepted, the presenting author must register.

Authors who submit an abstract but fail to register by March 30, 2024 run the risk of having their abstracts withdrawn.

Letters of acceptance will be sent once your abstract has been reviewed and accepted. If you have not received any notification, please contact the program manager: pediatriccongress@epirus.org

Consent to upload Abstract, Presentation Material or lecture's video:

The Conference reserves the right to publish on the conference website:

- Some or all abstracts in HTML or PDF format
- Some or all of the presentations in PDF format
- Some of all recordings/videos/photographs of the lectures

EPISIRUS SCIENTIFICA EVENT (ESE) AMBASSADOR REFERRAL PROGRAM

Be an ESE 2024 WPC Ambassador and earn FREE Registration!

- Refer one new participant and you BOTH receive 15% OFF on Registration.
- Refer eight or more new participants and your 2024 Conference Registration + Accommodation will be FREE + Earn Gifts for your referred participants.

Who makes ESE strong? YOU.

- You make ESE the largest voice in scientific conferences in the world.
- You know the value of scientific conferences and can share it with your colleagues.
- You can encourage them to join ESE to maintain the influence of the medical and scientific community.

Top 3 Reasons to Refer Participants:

- Create a stronger community of peers to collaborate with
- Increase your network to become a leader in your workplace/academic institution
- Referring Participants is FUN and EASY!

The Rules: The ESE Ambassador referral program is designed to encourage current participants to spread the word about the value of ESE conferences.

Additional Benefits: Per Year, Top 3 Conference Ambassador will receive:

Travel Reimbursement*
Best Conference Ambassador Award

This offer expires **March 30th, 2024.**

For more details Please Visit: <http://pediatrics.episirus.org/ambassador/>

Osaka Attractions

Osaka, a vibrant city in Japan, offers a wide range of attractions and activities for visitors to enjoy. Whether you're interested in history, food, shopping, or entertainment, Osaka has something for everyone. Japan is renowned for its advanced healthcare system, cutting-edge medical research, and technological innovation. Osaka, being a major city in Japan, is home to world-class medical facilities and research institutions. Osaka provides access to experts, facilities, and research advancements that enhance the quality of medical event. Osaka attract healthcare professionals, researchers, and industry experts from across Asia and around the world, fostering valuable networking opportunities and knowledge exchange.

Osaka is well-connected to major cities around the world through International Airport. The city's efficient public transportation system, including the Shinkansen (bullet train), makes it easy for attendees to travel to and from the conference venue. So, in 2024 **Episirus Scientifica** scheduled the **World Pediatrics Conference (2024 WPC)** in the beautiful city Osaka to bring together the world's best leading experts, researchers, scientists, professors, medical device manufacturing companies and the most respected leaders to exchange and share their meaningful experiences of various methods involved in Pediatrics and neonatology.
