

# 2016 AAHS ASPN ASRM ANNUAL MEETINGS PRELIMINARY PROGRAM

Westin Kierland Hotel • Scottsdale, Arizona

**January 13-16, 2016**  
American Association  
for Hand Surgery

**January 15-17, 2016**  
American Society  
for Peripheral Nerve

**January 16-19, 2016**  
American Society for  
Reconstructive Microsurgery

*Jointly Provided by*

**AAHS***American Association for Hand Surgery*

Working together to advance global hand care and education, The AAHS represents a diverse but cohesive mixture of over 1,300 highly respected professionals working in all disciplines of hand surgery and hand therapy. Members include orthopedic surgeons, plastic surgeons, general surgeons, micro surgeons, hand therapists, nurses and basic scientists from the United States, Canada and many other countries. AAHS is an inclusive organization that welcomes members from many disciplines who are interested in upper extremity care.

If you are interested in becoming a member of the AAHS, please visit the registration desk at the Annual Meeting, or contact the AAHS Office at (978) 927-8330, [contact@handsurgery.org](mailto:contact@handsurgery.org) or [www.handsurgery.org](http://www.handsurgery.org).

**ASPN***American Society for Peripheral Nerve*

The American Society for Peripheral Nerve is an organization devoted to the promotion and development of peripheral nerve surgery. The purpose of ASPN is to stimulate and encourage study and research in the field of neural regeneration, to provide a forum for the presentation of the latest research and relevant clinical information and to serve as a unifying authority on all areas of neural regeneration and restorative neuroscience. Join a growing society and contribute to the clinical and research development in the area of peripheral nerve surgery.

If you are interested in becoming a member of ASPN, please visit the registration desk at the Annual Meeting or contact the ASPN Office at (978) 927-8330, [contact@peripheralnerve.org](mailto:contact@peripheralnerve.org) or [www.peripheralnerve.org](http://www.peripheralnerve.org).

**ASRM***American Society for Reconstructive Microsurgery*

The mission of the American Society for Reconstructive Microsurgery is to foster excellence and innovation in microsurgery and reconstructive surgery. For over 30 years the ASRM has provided a forum for teaching, research and free discussion of microsurgery and reconstructive surgery methods and principals amongst its members. Members of the ASRM, with their tireless work and innovation, have helped transform the field of microsurgery and reconstructive surgery and continue to do so as an organization of over 700 members.

If you are interested in becoming a member of the ASRM, please visit the registration desk at the Annual Meeting, or contact the ASRM Central Office at (312) 456-9579, [contact@microsurg.org](mailto:contact@microsurg.org) or [www.microsurg.org](http://www.microsurg.org).

**EDUCATIONAL PROGRAM DETAILS****Intended Audience**

This educational activity is intended for healthcare professionals and researchers working in the fields of hand surgery, peripheral nerve and/or neural regeneration, and microvascular surgery and other complex reconstructions.

**Overall Learning Objectives**

Please refer to the meeting websites for complete objectives and educational program details.

- [www.handsurgery.org](http://www.handsurgery.org)
- [www.peripheralnerve.org](http://www.peripheralnerve.org)
- [www.microsurg.org](http://www.microsurg.org)

**ABMS Core Competencies**

This program will address the following ACGME/ABMS Competencies:

- Patient Care and Procedural Skills
- Medical Knowledge
- Systems-Based Practice

**ACCREDITATION INFORMATION**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Society of Plastic Surgeons (ASPS), the American Association for Hand Surgery (AAHS), the American Society for Peripheral Nerve (ASPN), and the American Society for Reconstructive Microsurgery (ASRM). The ASPS is accredited by the ACCME to provide continuing medical education for physicians.

**AAHS Designation Statement**

The ASPS designates this live activity for a maximum of **29.0 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**ASPN Designation Statement**

The ASPS designates this live activity for a maximum of **14.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**ASRM Designation Statement**

The ASPS designates this live activity for a maximum of **19.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Joint Day Designation Statement**

The ASPS designates this live activity for a maximum of **3.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**DISCLOSURE POLICY**

The American Society of Plastic Surgeons (ASPS) requires all faculty, authors, planners, reviewers, managers, staff, and other individuals in a position to control or influence the content of an activity to disclose all relevant financial relationships or affiliations. All identified conflicts of interest must be resolved and the educational content thoroughly vetted by ASPS for fair balance, scientific objectivity, and appropriateness of patient care recommendations. The ASPS also requires faculty/authors to disclose when off-label/unapproved uses of a product are discussed in a CME activity or included in related materials.

## DAY-AT-A-GLANCE

Tuesday, January 12, 2016

9:00am – 5:00pm

**Comprehensive Wide Awake Hand Surgery Course***(Separate Registration Required, Breakfast and Box Lunch Provided)*

## DAY-AT-A-GLANCE

Wednesday, January 13, 2016

6:30am – 8:00am

Continental Breakfast

7:00am – 8:00am

**AAHS INSTRUCTIONAL COURSES**

- 101 Use of Vascularized Bone Grafting in the Wrist and Hand
- 102 Forearm Flaps for Hand Reconstruction: Choosing the Best Option
- 103 Brachial Plexus Injuries: How a Team Approach Can Help You Maximize Treatment
- 104 Arthroplasties of the PIP-Joint
- 105 Optimizing Treatment of Elbow Acute Fractures and Failed Surgery: Surgical and Rehabilitative Options
- 106 Current Concepts in Dupuytren's Disease: Removal of Affected Tissue or Treatment of Contracture?
- 107 Reconstruction of the Burned Hand in Adults and Children

8:15am – 8:30am

**President and Program Chairs Welcome** *(Not for Credit)*

8:30am – 8:45am

**Invited ASHT President Lecture:****Barbara Winthrop, OTR, CHT** *(Not for Credit)*

8:45am – 8:55am

**2014 Vargas Award Presentation:****Gayle Severance, MS, OTR/L, CHT** *(Not for Credit)*

8:55am – 9:05am

**2015 Vargas Award Presentation:****Adam Crelling, MS** *(Not for Credit)*

9:05am – 10:05am

**Panel I: What Were You Thinking?****Difficult Cases Transferred from OSH**

10:05am – 10:30am

Coffee Break

10:30am – 11:30am

**Panel II: Myth Busters 101**

11:30am – 12:15pm

**Invited Guest Lecture: W.P. Andrew Lee, MD**

12:30pm – 5:00pm

**Hands-On Surgeons Development Workshop:****Principles of Internal Fixation in the Wrist and Hand***(Separate Registration Required, Box Lunch Provided)*

12:30pm – 4:30pm

**Hands-On Therapists Development Workshop:****Manual Edema Mobilization***(Separate Registration Required, Box Lunch Provided)*

5:00pm – 6:00pm

**Mentors Reception**

6:30pm – 8:00pm

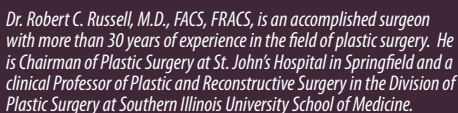

**AAHS Welcome Reception in Exhibit Hall**

**W.P. ANDREW LEE, MD**  
**Invited Guest Lecture:**

***A Multidisciplinary Approach to Hand Transplantation: Surgery, Therapy, and Immune Modulation***

*W. P. Andrew Lee, MD is the Milton T. Edgerton, MD, Professor and Chairman of the Department of Plastic and Reconstructive Surgery at the Johns Hopkins University School of Medicine. A hand surgeon and translational researcher, he conducts investigation on tolerance strategy for vascularized composite allografts (VCA), such as hand or face transplants, to ameliorate the need for long-term systemic immunosuppression.*

*These events are neither sponsored by nor endorsed by ASPS/AAHS*

# DAY-AT-A-GLANCE

Friday, January 15, 2016

|                   |                                                                                                                                                                                                                                                                                                                             |

| 8:00am – 8:15am   | <b>ASPN President and Program Chair Welcome</b> <i>(Not for Credit)</i>                                                                                                                                                                                                                                                     |
| 8:10am – 8:50am   | <b>AAHS Business Meeting</b> <i>(Not for Credit)</i>                                                                                                                                                                                                                                                                        |
| 8:15am – 9:15am   | <b>ASPN Scientific Session I</b>                                                                                                                                                                                                                                                                                            |
| 8:50am – 9:00am   | <b>HAND Journal Update</b> <i>(Not for Credit)</i>                                                                                                                                                                                                                                                                          |
| 9:00am – 9:10am   | <b>Hand Surgery Endowment (HSE) Report</b> <i>(Not for Credit)</i>                                                                                                                                                                                                                                                          |
| 9:15am – 10:00am  | <b>ASPN Scientific Paper Session II</b>                                                                                                                                                                                                                                                                                     |
| 9:10am – 9:15am   | <b>AAHS Humanitarian Award</b> <i>(Not for Credit)</i>                                                                                                                                                                                                                                                                      |
| 9:15am – 10:00am  | <b>AAHS Invited Guest Speaker: Charles D. Callahan, PhD, MBA, FACHE</b>                                                                                                                                                                                                                                                     |
| 10:00am – 10:30am | Coffee Break with Exhibitors                                                                                                                                                                                                                                                                                                |
| 10:30am – 11:30am | <b>Concurrent AAHS Scientific Abstract Session V</b>                                                                                                                                                                                                                                                                        |
| 10:30am – 11:30am | <b>Concurrent AAHS/ASPN Scientific Abstract Session VI</b>                                                                                                                                                                                                                                                                  |
| 11:30am – 12:30pm | <b>AAHS/ASPN Joint Panel:<br/>Failed Nerve Surgery: Management of Complications</b>                                                                                                                                                                                                                                         |
| 12:30pm – 1:30pm  | Lunch with Exhibitors                                                                                                                                                                                                                                                                                                       |
| 12:30pm – 2:00pm  | <b>ASPN Poster Session</b> <i>(Not for Credit)</i>                                                                                                                                                                                                                                                                          |
| 1:30pm – 5:30pm   | <b>AAHS Comprehensive Hand Review Course</b><br><i>(Separate Registration &amp; Fee Required, Box Lunch Provided)</i>                                                                                                                                                                                                       |
| 2:00 pm – 4:00 pm | <b>ASPN Panel I: Basics of Nerve Injury Evaluation and Management</b>                                                                                                                                                                                                                                                       |
| 7:00pm – 10:00pm  | <b>AAHS Dinner Dance</b>                                                                                                                                                                                                                                                                                                    |

**CHARLES D. CALLAHAN, PHD, MBA, FACHE**

**Invited Guest Speaker:**  
**Quality in the Era of Healthcare Accountability and Reform**

Dr. Callahan earned his doctorate degree in Clinical Psychology at the University of Nebraska-Lincoln in 1991, and his MBA at the University of Illinois-Springfield in 2004. A Fellow of the American Psychological Association and the American College of Healthcare Executives, he is board certified in Rehabilitation Psychology by the American Board of Professional Psychology. In 2014, he became founding Co-Executive Director of the Midwest Healthcare Quality Alliance, LLC. He has been employed by Memorial Health System, Springfield, Illinois, since 1991, and currently serves as its Executive Vice President and Chief Operating Officer.

# FRIDAY

**DAY-AT-A-GLANCE**

Saturday, January 16, 2016

|                   |                                                                                                                                                                                                                                                                                                                                           |

**Richard A. Searfoss, Retired United States Air Force Colonel,  
 NASA Astronaut and Test Pilot**

*Colonel Rick Searfoss speaks on leadership, teamwork, and personal performance with authority born of in-depth personal experience. He has piloted two Space Shuttle missions and commanded a third, with over 939 hours in space and 5400 hours flying time in 61 different types of aircraft.*

SATURDAY

## DAY-AT-A-GLANCE

Sunday, January 17, 2016

6:30am – 8:00am

Continental Breakfast with Exhibitors

6:30am – 1:00pm

Exhibit Hall Hours

7:00am – 8:00am

### ASPN INSTRUCTIONAL COURSES

301 Obstetrical Brachial Plexus and Peripheral Nerve Injury in Children

302 Alternate Nerve Coaptation Techniques: End to Side, Supercharge, 'Ladder Rung'/Side-to-Side Nerve Transfers: From Bench to Bedside

303 Management of Facial Nerve Injury and Paralysis

304 Cubital Tunnel: From Initial Management to Failure and Revision

7:00am – 7:15am

**ASRM President and Program Chair Welcome** *(Not for Credit)*

7:15am – 8:15am

**ASRM Concurrent Scientific Paper Presentations**

8:15am – 9:15am

**ASPN/ASRM Combined Panel:**

**What I Know Now That I Wish I Knew Then**

9:15am – 9:45am

**ASPN/ASRM Combined Scientific Paper Presentations**

9:45am – 10:15am

Coffee Break with Exhibitors

10:15am – 11:15am

**ASPN Scientific Paper Session IV**

10:15am – 11:15am

**ASRM President's Invited Panel: Occupational Hazards of Microsurgery**

11:15am – 11:45am

**ASPN President Address: Thomas H. H. Tung, MD** *(Not for Credit)*

11:15am – 12:15pm

**ASRM Scientific Paper Presentations**

11:15am – 12:15pm

**ASRM YMG Forum: Working with Industry**

11:45am – 12:15pm

**ASPN Invited Guest Speaker: Ian Carroll, MD, MS**

12:15pm – 1:00pm

ASRM Lunch with Exhibitors

12:15pm – 1:00pm

WMG Lunch Series: Negotiating from a Chief's Perspective  
*(separate registration required)* *(Not for Credit)*

12:15pm – 1:00pm

**ASPN Panel II: Clinical Pain Management - What are the Operative Approaches?** *(Working Lunch)*

1:00pm – 2:30pm

### ASRM BREAKOUT PANELS

401 Functional Reconstruction With Vascularized Bone and Multi-Component (Chimeric) Flaps After Tumor and Trauma

402 Free Functional Muscle Transfer Face, Upper Extremity

403 Orthoplastic Approach To Extremity Trauma

404 Scalp Reconstruction

405 Innovation in Microsurgery and Reconstruction

1:00pm – 2:30pm

**ASRM Scientific Paper Presentations**

1:00pm – 1:45pm

**ASPN Panel III: Surgeon as Perpetual Learner - Patient Cases I Have Learned the Most From**

1:45pm – 2:00pm

**ASPN Closing Remarks and Awards**

2:00pm – 2:45pm

**ASPN Business Meeting** *(Not for Credit)*

3:30pm – 4:30pm

**ASRM Poster and Exhibitor Reception** *(Not for Credit)*

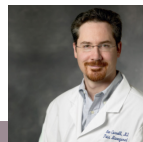

4:30pm – 6:00pm

**ASRM Best Case/ Best Save**

**THOMAS H. H. TUNG, MD**  
**ASPN President**

**Presidential Address**

**IAN CARROLL, MD, MS**  
**ASPN Invited Guest Speaker:**  
**Pre-surgical Management of Neuropathic Pain**

*Dr. Carroll earned his doctorate at Columbia College of Physicians & Surgeons and completed his residency and fellowship at Stanford University Medical Center in Anesthesiology and Pain Management. He earned a Master of Science in Clinical Epidemiology & Biostatistics at Stanford University Graduate School and is currently an Assistant Professor of Anesthesiology, Perioperative and Pain Medicine (Adult Pain) at the Stanford University Medical Center.*

### ASRM BUNCKE LECTURE *Prof. Alain Gilbert, MD*

*Professor Gilbert is one of the most renowned pioneers in the field of microsurgery. His contributions are enormous and groundbreaking, especially in the fields of replantation, free flaps, and long bony defect reconstruction. Professor Gilbert, during his entire career, has dedicated himself to excellence in education of young medical students, residents, and fellows. He tirelessly worked to provide the best teaching courses for brachial plexus palsy.*

# TUESDAY

## WESTIN KIERLAND HOTEL

6902 E Greenway Pkwy.  
Scottsdale, AZ 85254  
(480) 624-1000

Group Rate is \$265.00 a night plus applicable state and local taxes. Triple and quadruple occupancy is an additional \$50.00 per night plus applicable state and local taxes. Group rate is available until the Housing Deadline of December 1, 2015 or until the room block is full.

**Room Deposit Information:** A deposit equal to one (1) night room and tax will be charged at the time a guest makes a room reservation, and upon check-in, will be applied towards the guest's bill.

### Meeting Dress Code

We encourage meeting attendees to dress in Business Casual Attire. Jackets and ties are not required for any business or networking events. If you plan to be outdoors in the evening, a jacket may be preferred.

## TRANSPORTATION

The Westin Kierland Hotel is located approximately 40 minutes from Phoenix Sky Harbor Airport, where several modes of transportation are available to guests.

### Airport Shuttle

Super Shuttle Transportation will provide shuttle transportation to and from the airport. The cost is \$19.00 per person each way. To schedule transportation to and from the hotel you must fill out an online application. Please visit the meeting websites to retrieve more information.

### Taxi Service

A limited amount of taxis are located curbside at the baggage claim area. The approximate cost of a taxi ranges from \$60-\$75.

*For a full listing of transportation options and cab companies please visit [www.handsurgery.org](http://www.handsurgery.org), [www.peripheralnerve.org](http://www.peripheralnerve.org), or [www.microsurg.org](http://www.microsurg.org)*

## REGISTRATION

Discounted meeting registration fees are effective through Friday, November 13, 2015. After this date, registration fees will increase by \$125. All registration fees are based on current membership status.

### Each meeting includes the following:

- Admission to all instructional courses, general session and panels
- Access to speaker presentations
- Breakfast, lunch and refreshment breaks served (*see agenda*)
- One (1) ticket to each networking event\*
- Access to Exhibit Hall
- 2016 Mobile Application

### Meeting registrants will also receive these additional benefits:

- Discounted hotel rates
- Opportunity to participate in group tours and golf tournament
- Opportunity to earn credits for AMAPRA Category 1 Credits™

### Additional Courses and Events

Some courses and events listed are made available for an additional fee and separate registration is required. Please see program descriptions and registration to identify these opportunities. Additional networking event tickets are available for purchase.

### Discounts

AAHS, ASPN, and ASRM are offering reduced registration rates on all combination meeting registration. You must register for at least two meetings to take advantage of the reduced rates. Discounted military rates are also available on a case basis.

### Cancellation Policy

Cancellations must be received in writing via email, prior to November 13, 2015 and are subject to approval by the AAHS/ASPN/ASRM. If approved, refunds will be issued less a \$75 processing fee. Cancellation requests received after November 13, 2015 will not receive a refund; no exceptions.

*\*Complimentary tickets provided based on the meeting registration type (does not include golf tournament, optional tours or activities).*

### REGISTRATION IS AVAILABLE ONLINE:

[www.handsurgery.org](http://www.handsurgery.org)  
[www.peripheralnerve.org](http://www.peripheralnerve.org)  
[www.microsurg.org](http://www.microsurg.org)

## AAHS Comprehensive <sup>NEW</sup> Wide Awake Surgery Course

Tuesday, January 12, 2016  
9:00am – 5:00pm
