

7th GLOBAL INTERNATIONAL INTENSIVE HANDS-ON MUSCULOSKELETAL MRI AND ULTRASOUND CONFERENCE AND WORKSHOP FOR RADIOLOGISTS

HOLIDAY INN RESORT, PENANG ISLAND, MALAYSIA

16th to 19th March 2016 (31 Category 1 CPD Points by Royal College of Radiologists, UK)

General Information

In Asia, there is a lack of accurate musculoskeletal (MSK) MRI reporting and ultrasound performance among general radiologists. The strength of this course is the combination of MSK MRI and ultrasound and how and when each is used to solve the practical issues in MSK radiology.

This intensive, hands-on course allows radiologists to report on basic MSK MRI and perform screening and/or diagnostics ultrasound with at least 95% accuracy. Homework, together with a reporting template, will be given at the end of each day. Numerous MRI videos are specially chosen as they show the pathology that is missed in common day to day reporting resulting in low accuracies even by those who think they are already reporting 95% accurately. Practical ultrasound sessions are divided into existing level of expertise to cater for those with prior basic knowledge to progress to intermediate/advanced level.

The course will emphasize practical tips and pearls not found in textbooks. The demonstrators consist of well-established teachers and trainers from Asia, Australia and Europe who have done thousands of Musculoskeletal ultrasound cases for diagnosis and also interventional cases. Accurate diagnosis based on clinical history, simple physical stress tests and imaging findings will be highlighted for ultrasound.

The location of the course is a popular tourist destination by the seafront. Just step out of the hotel and you have half a kilometer of stalls selling clothes, bags, DVD's, branded shoes and household ornamental items at bargain prices. The Penang hawker food is also world famous. March is traditionally the sunniest time of the year in this part of Malaysia.

Faculty:

Prof Dr John George (COURSE DIRECTOR)

MBBS (Adelaide), DMRD (Aberdeen), FRCR(UK).
Chief, Musculoskeletal Radiology, University of Malaya Medical Centre, Malaysia

Prof Dr Philippe Peetrons M.D.

Professor of Radiology, Free University of Brussels, Belgium
(Expert at Advanced Musculoskeletal Ultrasound- Author of textbooks)

Prof Dr George Bruyn MD, Chair, Department of Rheumatology,
MC Groep Hospitals, Lelystad, The Netherlands

Dr Daniel Makes MD (MSK Ultrasound Video collections)

Director of Ultrasound Training Center, ISUM, Indonesia

Dr Nazrila Hairiana MRA D (UM), Ministry of Health Malaysia

Musculoskeletal Radiologist (MSK Fellowship Canberra Australia- AIS)

Dr Lincoln Gillam, FRANZR, MSK Fellowship, Toronto

Lismore Public Hospital, Queensland, Australia

Dr Niraj Dubey, FRCR

Singapore Health Authority

Course Materials

1. Colour photoprint quality powerpoint notes of all lectures and one workbook on ultrasound techniques worth RM300.00
2. USB 7GB Transfer of Data for Homework, Video techniques, Software, E-books by lecturers
3. One ultrasound demonstrator to about 6 participants for maximum hands-on time and 3 extra tables with models for additional practice. Few courses give so much small group dedicated teaching.

PLEASE CONTACT PROF DR JOHN GEORGE on msk.rad@gmail.com to pre-register a seat to avoid disappointment of not getting a place later in the year. You can confirm your seat by payment via paypal or paypal credit card (4.9% fee) or directly by your Bank TT which will be much cheaper. Please get confirmation of a seat from Prof George who will correspond with you as to the suitability of the course for you before making payment. **EARLY BIRD RATE FOR PAYMENT BEFORE 31st July 2015.**

CONFIRM A REMAINING SEAT BY PRE-REGISTERING NOW AFTER GETTING THE PRE APPROVAL IF NEEDED FOR LEAVE. AVOID THE DISSAPOINTMENT OF NOT GETTING A SEAT AS ALWAYS HAPPENS WITH MANY WHO DELAY THIS PRE-REGISTRATION .

PAYMENT IS DUE LATEST BY 1st WEEK OF OCTOBER 2015 OR EARLIER TO GET A CONFIRMATION LETTER AND E-RECEIPT.
