12th Update on the Management of Genitourinary Malignancies

(Formerly named Urologic Oncology: Advances in Clinical Practice)

This conference has continually provided the healthcare community an opportunity to learn of the latest achievements in urologic oncology at MD Anderson.

The 2017 conference will include presentations on kidney, prostate, urothelial, penile and testis cancers. As has been the tradition, the conference will include the Andrew C. von Eschenbach Lecture with this year's recipient Dr. Leonard Gomella, Professor & Chairman, Dept. of Urology, Thomas Jefferson University, Philadelphia, PA. Included in this year's conference is the David A. Swanson Distinguished Alumnus Lecture Series. This year's recipient is Dr. Peter Black, Associate Professor, Dept. of Urologic Sciences, University of British Columbia, Vancouver, Canada. The Genitourinary Medical Oncology Distinguished Alumnus is Dr. Avishay Sella, Head of Department of Oncology, Sackler School of Medicine, Israel.
