Course Introduction

Course Overview

The Scripps Cancer Care Symposium is designed for nurses, nurse practitioners, physician assistants, clinical nurse specialists, and other health care professionals dedicated to the field of hematology/oncology who practice in settings across the continuum of care. During this two day conference, attendees will benefit from an intimate learning environment in which renowned faculty will present the latest in evidence-based oncology care. Participants will return to practice armed with practical strategies and tools to assist in improving quality of life and outcomes for their cancer patients as well as patients' family members. Don't miss this opportunity to interact and network with like-minded colleagues while earning CE credits!
