MUMBAI..Meri Jaan. The 82nd Annual Conference of The Association of Surgeons of India "ASICON 2022" will be held in Mumbai from 21st to 24th December 2022. An unwinding academic feast, always sought after by the surgeons of this country awaits you to de-stress in the background of learning and teaching what we are best at... Surgery.

Having the privilege of hosting you all after a long gap of 25 years, the organising team needless to say is overexcited and enthusiastic to come up to more than your expectations. From Scientific deliberations amongst the globally renowned faculties to showcasing your own works; from sumptuous multi-cuisine menus to the most extravagant entertainment; from meeting your loved and liked ones to exploring the most explicit sights... Mumbai is geared up for all. The magic of Mumbai has always left all spellbound and there are uncountable reasons why Mumbai enjoys the status of being the most loved city of all times. Mumbai city has been classed as an Alpha World City. It is also the financial centre, economic powerhouse, and industrial hub of India. The city offers excellent infrastructure in terms of well-connected International, as well as, National airports, railway stations, and roads. The newest addition of Metro and excellent Hotels of all categories, in the heart of the city makes it the uncompetitive choice for hosting a conference of this scale. Besides, Mumbai is a Traveller's paradise, right from the holy sites to often crowded beaches, from colorful bazaars to happening nightlife and from skyscrapers to high-end hotels, Mumbai is filled with attractions that you cannot give a miss.

Special attractions in the form of live operative workshop wherein surgeries being performed at various centres across the country will be live telecast to the conference venue. A dedicated full day session on Hospital Management for the entrepreneur amongst us to another full day session on Nurses Training program for nurses of surgical hospital and a third full day session on Innovation in Industry has been planned for you.
