Mission statement

The aim is to provide a forum of the highest standard for scientific (both clinical and basic), educational and social exchange between professionals involved in rheumatology, liaising with patient organisations, in order to achieve progress in the clinical care of patients with rheumatic diseases.

Welcome Address

Dear Colleagues,

The next EULAR Annual European Congress of Rheumatology will take place from 14 - 17 June 2017 in Madrid, Spain. The annual EULAR Congress continues to be a major event in the calendar of world rheumatology, and Madrid 2017 will again provide a unique event for the exchange of scientific and clinical information. It will be a platform to facilitate interactions between patients, medical doctors, scientists, health professionals, and professionals representing the pharmaceutical industry both from within Europe and from around the world. In addition, we will also see the first results of our new initiatives regarding the EULAR School of Rheumatology, the “Time Is Joint – Joints over Time” Campaign and the EULAR Research Roadmap “RheumaMap”.

EULAR Congresses have received tremendous interest in terms of participation and quality of contributions. This also reflects the availability of increased information on the impact, burden and cost of these diseases for society, and a significantly improved ability to diagnose and treat them. The incorporation of health professional and patient organisations within EULAR has been a considerable stimulus for these advances. This integration will facilitate the implementation of recommendations for management/standards of care of musculoskeletal disorders in daily practice of which we have seen prime examples in the London EULAR Congress.

The EULAR Congress 2017 in Madrid will once again offer a wide range of topics including clinical innovations, clinical translational and basic science. In addition, there will be meetings organised by People with Arthritis and Rheumatism in Europe (PARE), by Health Professionals in Rheumatology (HPR) and by the health care industry. The central activity of the congress will be poster presentations and poster tours with their highly interactive exchanges among participants. The Madrid event will further strengthen the reputation of the EULAR Congress as a highly innovative and informative venue for clinical and translational researchers not only within the different facets of our discipline (e.g., inflammation, pain, bone, mechanical and inflammatory disorders). The Madrid meeting will further promote the reputation of the EULAR Congress as a most innovative and informative venue for clinical research for the practising physician. In addition, the EULAR EMEUNET organisation of young rheumatologists will also attract young colleagues to the meeting and will disseminate the message that rheumatology is one of the most attractive and successful disciplines of medicine.

We are very happy to visit the city of Madrid for the second time. In 2013 we were impressed by the magnificent ambiance of astonishing architecture, galleries, museums, theatres and culinary pleasures – and as a football fan I must add sports events - under Southern skies. Thus, Madrid will again provide an excellent background for scientific and clinical exchanges, international collaborations and renewal of friendships. We will take great pleasure in welcoming medical doctors, patients, health professionals and representatives of the pharmaceutical industry to EULAR 2017, and hope that their stay in Madrid will be informative, educational and, last but not least, enjoyable.

Scientific Programme

The scientific programme will start on Wednesday, 14 June 2017 at 13:00 and will finish on Saturday, 17 June 2017 at 15:00.

The congress will cover the broad spectrum of the rheumatic diseases and include state-of-the-art lectures, basic science and clinical symposia, abstract sessions, presentations and discussions of difficult cases, workshops and special interest group sessions. Abstracts can be submitted on the following topics (for instructions, see “Abstract Information” in this programme on pages 11-13).

Sessions of the Health Professionals in Rheumatology and of EULAR PARE (People with Arthritis/Rheumatism in Europe) will extend and complement the programme on all days.

BASIC AND TRANSLATIONAL RESEARCH

01. Genomics, genetic basis of disease and HLA/T cell recognition
02. Adaptive immunity (T cells and B cells) in rheumatic diseases
03. Innate immunity in rheumatic diseases
04. Cytokines and inflammatory mediators
05. Cartilage, synovium and osteoimmunology
06. Rheumatoid arthritis - etiology, pathogenesis and animal models
07. Spondyloarthritis - etiology, pathogenesis and animal models
08. SLE, Sjögren's and APS - etiology, pathogenesis and animal models
09. Scleroderma, myositis and related syndromes - etiology, pathogenesis and animal models
10. Basic science in paediatric rheumatology

Abstract Information

PLEASE READ THIS INFORMATION CAREFULLY

1. Abstracts must be submitted in one of the three different **categories**:

- a. Medical or Research Professional/Clinician
- b. Health Professional/Practice and Research
- c. PARE Member/Patient

The categories are subdivided into **topics** (see pages 8-9). The correct **category and topic** must be selected to ensure correct scoring. The content of the abstract must be topic related.

2. Splitting of data originating from the same study across several abstracts and/or topics is not permitted and will lead to rejection of the abstracts.
3. Please read all instructions carefully before preparing your abstract.
4. For standardisation, the acceptable length of the abstract is not more than **3600 characters and 55 lines**, authors' details and headers included. This also includes non-visible characters such as spaces as well as punctuation.
5. The abstract should be structured into the following sections:
 - a. A title which clearly indicates the nature of the investigation
 - b. Background
 - c. Objectives
 - d. Methods
 - e. Results
 - f. Conclusions
 - g. References

Up to two tables can be included in the results section with the following criteria:

- Maximum number of columns: 12
- Maximum number of rows: 20
- If a second table is added the number of columns and rows decreases by the number of columns/rows used in the first table

6. One graph/image can be included with the following criteria:

Image width: min. 50 pixels - max. 750 pixels
 Image height: min. 50 pixels - max. 750 pixels
 Image quality: min. 96 dpi - max. 300 dpi
 Image file size: min. 40 KB - max. 1000 KB
 Allowed file type: gif, jpg
7. Abstracts can be saved in "Draft" status to be re-edited and modified until the submission deadline (31 January 2017, 23:59 CET). Therefore, the submitter will be required to create a user account.
8. Abstracts fulfilling all criteria can be saved in "Final submission" status. Only abstracts in "Final submission" status will be regarded as successfully submitted and considered

IMPORTANT DATES

➤ Submissions accepted from 1 October 2016

➤ Submission deadline: 31 January 2017 23:59 CET

Abstracts received after the deadlines will not be accepted!

➤ Deadline for travel bursary application: 28 February 2017

➤ Notifications to submitters: mid-April 2017

➤ Online publication of abstracts information (title and authors): approx. one month before the congress

for the congress. Abstracts in “Final submission” status can be re-edited and modified until the submission deadline (31 January 2017, 23:59 CET).

9. An abstract can only be submitted if the “Rules and Regulations, including the EULAR embargo rules” on the online abstract form are read and accepted.
10. Conflict of interest: It is the intent of EULAR to provide high-quality sessions focused on educational content that is free from commercial influence or bias. Thus the submitting author of an abstract is requested to declare any potential conflicts of interest for all authors during the abstracts submission.
11. The inclusion of trade names/brand names is not allowed in the abstract. The mentioning of agents/molecules must follow the scientific standard for publications.
12. Abstracts accepted for the congress are subject to the “EULAR embargo rules” and the “Transfer of copyright” as published on the EULAR website **www.congress.eular.org**. With the submission of an abstract the authors agree to the embargo rules and the transfer of copyright.
13. The corresponding author has the right to grant, and does grant, on behalf of all authors an exclusive licence on a worldwide basis to the BMJ Publishing Group Ltd and EULAR to publish the abstract (if accepted) in any media and to exploit all subsidiary rights.
14. Should the abstract be selected for oral presentation, the authors, represented by the presenting author will have to sign an agreement to grant EULAR the right to record the presentation (audio and slide) and subsequently use it for educational purposes (with or without a fee). The full text of the agreement can be found on the EULAR website.
15. Only abstracts that contain original data can be submitted.
16. Abstracts should not be submitted if the following applies:
 - a. the abstract contains data that has been published or accepted for publication in a print or online journal
 - b. the abstract contains data that was presented at a scientific meeting more than 12 months prior to EULAR 2017
17. Abstracts containing data that has been presented or will be presented at a different scientific meeting during a 12 months period prior to EULAR 2017 can be submitted. This fact must be indicated on the submission form.
18. Abstracts having been submitted for publication or to a scientific meeting, but are pending acceptance, can be submitted without restrictions. However, once the abstract has been accepted by EULAR it is automatically subject to the EULAR embargo rules.
19. The reviewers will judge the abstracts according to the scientific or clinical value, relevance to EULAR, suitability of methods to

TECHNICAL REQUIREMENTS

- › The internet abstract submission system works best with Internet Explorer 8.0 or higher, Mozilla Firefox 5.0 and Chrome 16 or higher
- › Cookies and JavaScript need to be enabled

GENERAL

Abstracts can only be submitted **online via the online abstract submission form** that can be found in the section “abstracts” on the official EULAR 2017 Congress website: <http://www.congress.eular.org/>

Abstracts sent by post or email will not be accepted. No exceptions will be made.

aims, conclusions confirmed by objective results, objectivity of statements, description of methods used, ethics, originality of work, standard of English and overall impression.

20. Please ensure that your abstract does not contain spelling, grammatical or scientific errors, as it will be reproduced exactly as submitted. No proofreading will be done.
21. Abstract acceptance will be in one of three categories: oral presentation, poster presentation, publication only.
22. Accepted abstracts will be published in a supplement to the Annals of Rheumatic Diseases. Information on accepted abstracts (title and authors) will also be available online on the EULAR website about one month prior to the congress. Published abstracts will be available in the EULAR abstract archive during and after the congress.
23. The submission of an abstract constitutes a formal commitment by the presenting author to present the abstract (if accepted) orally or as a poster in the session and the time assigned by the EULAR Scientific Committee. We therefore recommend that submitters of abstracts register for the congress simultaneously with the abstract submission.
24. Abstracts not adhering to these guidelines will be rejected. If you do not agree with any of these rules, you should not submit an abstract. The final decision about acceptance of an abstract will be taken by the EULAR Scientific Committee. EULAR does not correspond on the reasons for acceptance/rejection of an abstract.
25. If you need to withdraw your abstract, a written statement reflecting the reasons for this decision must be sent to the EULAR Secretariat or MCI not later than 1 April 2017.

INSTRUCTIONS FOR ABSTRACT PRESENTATIONS

- › If an abstract is selected for **oral presentation**, the presenting author, as specified at submission, will be requested to present it in the assigned session. Details will be communicated to the author by mid-April 2017.
- › If the abstract is selected for oral presentation, the authors, represented by the presenting author, will have to sign an agreement to grant EULAR the right to record the entire presentation (audio and slide) and subsequently use it for educational purposes (with or without a fee).
- › If an abstract is **accepted as a poster presentation**, the presenting author will be requested to be available for discussion during the corresponding poster viewing session.
- › Posters will be set up close to the exhibition area.
- › For further information contact: eular.abs@mci-group.com

Travel Bursaries

Every year EULAR awards a number of travel bursaries to the first/presenting author of an abstract accepted for oral or poster presentation at the annual EULAR Congress.

A travel bursary is to facilitate attendance at the EULAR Congress and includes:

- › free full registration
- › three nights hotel accommodation (single use), in the travel bursary hotel(s)
- › a cash amount of EUR 350 for travel and living expenses

The age limit to apply for a scientific travel bursary is 40 years. There is no age limit for Health Professionals (HPR) (other than physicians) and patients.

Persons who receive full or partial financial support from industry sources are not eligible for EULAR travel bursaries.

The cash amount of the travel bursary will be fully paid on-site at the congress only, and only to the eligible person. No pre- and post-payments will be made in any cases.

Applications should be submitted via the electronic application system.

Important information

Please apply for a **travel bursary** as soon as you have submitted your abstract but note that this is a **separate process** and requires a separate application!

Deadline for travel bursary application **28 February 2017!**

Partnership & Investment Opportunities

EXHIBITION

During the congress, EULAR will present an attractive exhibition to all delegates. The abstract poster presentation area is embedded in the exhibition. Coffee and other refreshments will be available in the exhibition and poster area. The exhibition will open officially on Wednesday 14 June 2017.

Exhibition hours will be as follows:

Wednesday	14 June 2017	12:00 - 18:30

General Information

CONGRESS VENUE: DATES AND LOCATION

The Annual European Congress of Rheumatology EULAR 2017 will be held at:

IFEMA

Feria de Madrid
Avenida del Partenón
28042 Madrid, Spain
Website: **www.ifema.es**

Set next to one of the most important business centres in the city, the Feria de Madrid is linked to major arteries, which makes it easily accessible for EULAR 2017 participants.

Furthermore, the Adolfo Suárez Madrid-Barajas airport is just a few miles away from the IFEMA and easily accessible from every corner of the world.

Delegates can also make use of public transport, particularly thanks to the vast Metro Madrid underground network, which links the venue to every point of the city.

The architecture of Feria de Madrid's facilities and the versatile capacity of its various spaces make this complex one of the most modern, technologically best designed and equipped venues in Europe.

All the rooms at the congress venue are fully accessible to participants with disabilities.

SMOKING POLICY

Smoking in the congress venue is not permitted.

TRAVELLING TO MADRID

By Plane

Adolfo Suarez Madrid-Barajas airport is one of the main airports in Spain. In terms of infrastructure, equipment, resources and air traffic, it is the most important air hub in Spain and the fourth in Europe.

It is just 13 km away from the city, and access to it by public transportation is one of the quickest and easiest to use in the world: besides bus or taxi, travellers may take the Metro, offering easy and frequent connections to the city centre.

A taxi ride from the airport to the congress venue (IFEMA) takes about 10 minutes and costs around 20 euros.

Adolfo Suarez Madrid-Barajas airport is serving over 166 destinations and is the main European air hub for Latin America. Major airlines, including low cost airlines, are operating from and to this airport.

Since the inauguration of the new terminal in 2006, its capacity increased to 70 million passengers a year. The new terminal building was designed by Richard Rodgers and Lamela and it has received the Stirling Architecture Award.

GETTING AROUND IN MADRID

Metro

The underground (Metro) is the fastest, most efficient and most affordable way to move around Madrid. The city has a vast metropolitan network, one of the most comprehensive in Europe, and covers almost all the points in the capital and many of the neighbouring areas.

Currently, there are twelve metro lines and three Metro Ligero (tramway) lines.

The metro line number 8 or pink line (Nuevos Ministerios – Airport T4) connects the city to the Adolfo Suarez Madrid-Barajas airport, in approximately 12 minutes and to Madrid's Trade Fair grounds (IFEMA). The metro stop at IFEMA is called "Campos de las Naciones", located at the South Entrance of the IFEMA.

Bus

Madrid has an extensive city bus network, run by the company Empresa Municipal de Transporte (EMT), which covers the whole city. All the vehicles are air-conditioned and equipped with WiFi. Madrid's buses have special facilities for disabled access. Although main streets have dedicated bus lanes, buses can be slowed down during rush hours.

Line number 112 running from Mar de cristal to Barrio aeropuerto stops at the IFEMA. Get off at "Partenon - Campo de la Naciones".

Taxis

Taxis in Madrid are white with a diagonal red band on their front door bearing the emblem of the city. They have a green light that is on when they are free. To hail a taxi all you need to do is raise your hand.

There are also several taxi ranks around the city, indicated by a blue sign with a white letter 'T'. Taxis must be taken from the corresponding ranks at railway and bus stations and at the airport. Throughout the rest of the city they can be easily stopped on the street.

With over 15 600 taxis in Madrid, finding a free one on any of the city's main streets is rarely difficult. Journeys are usually paid for in cash although more and more taxis accept credit cards.

Prices are quite reasonable, considering that a one-way trip from the city centre to the airport costs around 20-25 euros.

Facts about Madrid and Spain

FACTS ABOUT MADRID AND SPAIN

Madrid is the capital of Spain.

Such a self-evident statement has a much wider-ranging underlying significance, whose multiple implications have moulded the city's singular personality. Madrid is the decision-making centre of the Spanish government, the place where the different de facto national powers have their headquarters, and where the major companies, multinationals, banks and financial markets are located. It is also the geographic centre of the Iberian Peninsula (the exact centre is Cerro de los Angeles, 14 km outside Madrid), and the hub of all of Spain's national highways and international throughways.

The diversity of its neighbourhoods and buildings reminds us at every step of the city's dual role in the political and economic spheres. Its historic monuments are the heritage of a city that has wielded administrative power for more than four centuries. Alongside them, glass- and concrete-clad skyscrapers encase the heartbeat of an increasingly important local economy, whose weight is growing both at the Spanish and international levels.

Within the territory of the Madrid region, whose total surface area is approximately 8000 km², two other major local powers live side-by-side: the government of the Autonomous Region and the capital's City Council. Madrid is one of the 17 autonomous regions into which Spain was divided under the Constitution of 1978; unlike most of the others, it has but one province. Its population tops 5 million, or 12% of the national total. Its surroundings and its location have shaped Madrid.

It is a city in the centre not only of the region, but also of the country. Perhaps this location is one of the determining factors in its status as the capital, as the political, business, economic and transport centre all which help to explain why this city has always been a potpourri of different peoples and interests, both historically and in our times.

Geographically, the Madrid region has a diversity that might astonish someone who only knows the city and its outskirts. The proximity of the Sierra de Guadarrama offers a variety of landscapes that break up the monotony of the Castilian meseta, and make Madrid a region of forests, hidden valley's and peaks more than 2500 m high, a surprising contrast to the great city and its far-flung suburbs.

Madrid boasts a unique historic and artistic heritage that coexists in harmony with creativity, embracing culture and gastronomy. The modern and cosmopolitan flare of the Spanish capital offers guests a variety of things to discover. The passionate and friendly character of the Madrileños also enhances the visitor experience.

CLIMATE

Madrid and its metropolitan area have a Mediterranean climate on the borderline of the continental climate with mild cool winters and warm to hot summers. The average temperature in June is 21°C (70F).

During summer, days are longer and the city really begins to come alive in the evening.

CREDIT CARDS

Major Credit Cards (Visa, American Express, Eurocard/Mastercard, Diners Club) are accepted in most hotels, restaurants and shops.

CURRENCY

The Spanish currency is the Euro (1 Euro = 100 cents).

ELECTRICITY

The electricity power supply in Spain is 220 Volt with a European standard plug.

LANGUAGE

The official language in Madrid is Spanish, however English is spoken in touristic areas. Catalan, Galician and Basque are frequently spoken in some areas.

SHOPPING

Madrid is a very interesting city for shopping. International brands mix with local shops opened until very late (normally from 10:00 to 22:00), where you can find almost everything: clothing, shoes, food, wines, souvenirs... from very different styles, at very different prices.

TIPPING

Locals in Madrid usually tip when they have received a good service. In general, people tend to tip 10% in restaurants (however restaurants do not charge extra on the bill). Tipping taxicab drivers and hotel personnel is also customary in Madrid.

TIME

Spain follows Central European Time (CET) which is UTC +1 hour in winter and UTC + 2 in summer.

VISA

You do NOT need a visa for Spain for business, personal visits or tourism if you are:

- › a citizen of any State of the European Union
- › a citizen of Norway, Switzerland, Iceland, Liechtenstein
- › from a country listed on the Foreign Ministry list
- › not staying more than 90 days

In this case, a passport or ID Card valid for the duration of your stay is sufficient.

For more detailed information, please visit:

<http://www.exteriores.gob.es/Portal/en/ServiciosAlCiudadano/InformacionParaExtranjeros/Paginas/Inicio.aspx>

If you should need a visa, please apply early enough to allow sufficient handling time to the authorities. You may ask the EULAR Organising Secretariat for an official letter of invitation (proof of registration required).
