PROGRAM DESCRIPTION

ACG's Hepatology School

Led by Course Directors Paul Y. Kwo, MD, FACG, Nancy S. Reau, MD, FACG, and Mitchell L. Shiffman, MD, MACG, ACG's Hepatology School is a day-long interactive educational program combining immersion in hepatology and a clinical update on new therapeutic and monitoring approaches. The program content is tailored to reflect the rapid changes in treatment options and national trends meeting the standard of care. After completing ACG's Hepatology School, attendees will be able to summarize the current management options for HCV and HBV infections and understand the timeline of new drug development for their treatment. Participating in this educational activity will also enable learners to analyze the challenges of treating patients with MASLD, alcohol and non-alcohol-associated liver disease, MET-ALD, primary biliary and primary sclerosing cholangitis, cholestasis, upper GI bleeding and acute kidney injury in cirrhosis, and more. The structure of the program includes a mix of didactic presentations and case-based presentations delivered by expert faculty.

Southern Regional Postgraduate Course

Led by Course Directors Brenda J. Hoffman, MD, FACG and Steven L. Carpenter, MD, FACG, the Southern Regional Postgraduate Course, offered on Saturday and Sunday, December 6-7 will explore areas that gastroenterologists often face in clinical practice and address management updates in a variety of gastrointestinal and hepatic areas. This course will cover multiple topics, including colon, upper GI, liver, endoscopic urgencies, eosinophilic esophagitis, IBD, biliary cannulation tips and tricks, small bowel bleeding, and more. This program offers a mixture of didactic presentations delivered by expert faculty, case presentations, and significant question-and-answer opportunities, as well as a Saturday afternoon hands-on workshop session.

ACCREDITATION / CME / MOC:

The American College of Gastroenterology is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

ACG's Hepatology School

The American College of Gastroenterology designates this live activity for a maximum of 8.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 8.25 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Southern Regional Postgraduate Course

The American College of Gastroenterology designates this live activity for a maximum of 11.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 11.5 Medical Knowledge MOC points in the ABIM's MOC program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
