

EMERGENCY ULTRASOUND

PRACTICAL SKILLS WORKSHOP

Our two day workshop is designed specifically for Emergency Physicians, Intensivist's, Rural GP's, Trainees, Registrars & Interns. Expect a strong hands-on focus involving real-life models and phantoms for real-time practice to develop hand-eye co-ordination skills; supporting mini lectures; plus guest speaker Dr Mark Rugless - Emergency Medicine Specialist FACEM St Vincents & Epworth Hospital Melbourne. The workshop is facilitated by experienced, accredited Educational Sonographers.
