Meaning in Medicine

2024 ACGME
ANNUAL EDUCATIONAL CONFERENCE

MARCH 7-9, 2024 • ORLANDO, FLORIDA

CONFERENCE OVERVIEW

The ACGME Annual Educational Conference brings together the largest graduate medical education (GME) community in the world and features a wide selection of curated experiences and content that appeal to both seasoned and first-time attendees. In addition to educational content, #ACGME2024 will give participants the opportunity to network with thousands of GME professionals and changemakers who are shaping the future of academic medicine. Join colleagues at the ACGME's signature learning event to experience three days of session rooms filled with innovators, collaborators, and forward-thinking topics.

The conference theme of *Meaning in Medicine* underscores the need for sustaining purpose and joy in work as health care professionals. It is important for leaders, caregivers, and educators to remember the fundamental influences that called them to medicine, with a focus on the central mission to provide the best patient care possible. Continuous dedicated and collaborative efforts of the broad GME community have highlighted the importance of incorporating this message into the education and training of resident and fellow physicians. The ACGME Annual Educational Conference offers the opportunity to lean into this work, while also coming together as a GME community to reflect and realign as colleagues, to serve the public, and to deliver high quality and equitable patient care.

Over three days, conference attendees will dive into educational sessions with stimulating content on topics including ACGME accreditation and initiatives; diversity, equity, and inclusion; faculty and professional development; well-being; crisis management; assessment; and many other impactful initiatives and issues that appeal and apply to all roles in GME.

Attendees will engage with more than 4,000 colleagues and peers from across GME, and will be able to participate in several networking opportunities. For learners, leaders, educators, and visionaries, #ACGME2024 strives to be an environment that welcomes anyone who is passionate about GME and collaboration. The ACGME looks forward to engaging in

conversation, building connections, and sparking new ideas in Orlando!

Registration for the 2024 ACGME Annual Educational Conference will open in the late fall.

"Best conference by far I attend all year. Organized, high hit rate on relevance, and inspiring people!"

- Conference Attendee

Learn more about #ACGME2024 activity and networking updates by visiting the #ACGME2024 [activities](#) and [networking](#) pages.

CONFERENCE DEMOGRAPHICS

The Annual Educational Conference brings together thousands of attendees from all corners of GME. Each conference provides attendees opportunities to invest further in their education while connecting with peers and gaining perspectives on innovations within academic medicine. The 2023 Annual Educational Conference brought together 4,000+ members of the GME community. The three most popular attendee types were:

Designated Institutional Official
Program and Institutional Coordinator
Program Director

The ACGME welcomes anyone in GME to attend #ACGME2024! The conference regularly sees attendance from GME directors, faculty members, residents and fellows, deans, department chairs, representatives of hospital leadership, researchers, and more!

ACGME GIVES BACK WITH SECOND HARVEST FOOD BANK

The ACGME is very excited to partner with **Second Harvest Food Bank of Central Florida** (SHFBCF), a non-profit organization that works to distribute food and grocery products to more than 625 local non-profit feeding partners throughout Central Florida. SHFBCF is a member of Feeding America, the largest charitable domestic hunger-relief organization in the United States. Through the help of food and financial donors, volunteers and a

caring, committed community, the food bank distributes 300,000 meals every day to a seven-county service area. Feeding neighbors facing hunger is only the beginning. By investing in job training programs, advocating for access to nutritious foods, and inspiring the community to get involved, SHFBCF is leaning into the root causes of hunger and helping its neighbors thrive. ACGME conference attendees will be able to help put together thousands of meals on Thursday evening during the Marvin R. Dunn Welcoming Poster Reception and Exhibitor Kick-Off.

HOTEL INFORMATION

The 2024 Annual Educational Conference will be held at the Rosen Shingle Creek Resort in Orlando, Florida. The Rosen Shingle Creek Resort is conveniently located on Universal Boulevard just off the Beachline Expressway (SR 528, Exit #2) and a half-mile east of the Orange County Convention Center. The nearest airport is the Orlando International Airport, located approximately 10 miles from the conference hotel. The conference runs from Thursday, March 7 through Saturday, March 9, 2024. A shuttle will run frequently between blocked hotels and the conference center. It is recommended to book a hotel room as soon as possible to secure a room at the Rosen Shingle Creek Resort where the conference is taking place. Attendees are encouraged to relax in Orlando and take advantage of the sunny weather, great food, and wonderful parks after the conference ends Saturday evening.

To view rates and other hotel information, visit the [conference hotel page](#).

CME INFORMATION

CME Accreditation and Designation Statement

The Accreditation Council for Graduate Medical Education (ACGME) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The ACGME designates this Live Activity for a maximum of **18.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

What You Need to Do to Claim CME Credit or Credit Hours

Attendees must evaluate all sessions attended and complete the overall conference evaluation to receive a CME Certificate or Certificate of Completion. The deadline to complete the conference evaluation is **April 9, 2024**.

Visit the [CME page](#) for more information.

ORLANDO

Take advantage and explore one of the most-visited cities in the world, "Orlando the City Beautiful!" Orlando offers several activities and attractions within miles of the Rosen Shingle Creek Resort. Orlando is referred to as the 'Theme Park Capital of the World,' and offers plenty of entertainment, rich history, and much more. In addition to its many attractions, be sure to check out the delicious local food and restaurant options on Orlando's famous Restaurant Row!
