HAWAII'S BIG ISLAND

ESSENTIALS OF WOMEN'S HEALTH: An Integrated Approach to Primary Care and Office Gynecology

NORTH LAKE TAHOE

ESSENTIALS OF PRIMARY CARE: A Core Curriculum for Ambulatory Practice

Increasing appreciation of the unique needs of women patients and women's health care providers has created a need for innovative educational programs on women's health. This program, designed for family physicians, internists, gynecologists, nurses, nurse practitioners, physician assistants, pharmacists, and all others involved in providing quality health care for women, will provide a practical update on a full range of common but controversial issues in women's health. The course will serve to enhance the skills of those already working in women's health as well as help develop new skills for those expanding their work to include more primary care and office gynecology. Developed and taught by UCSF faculty in both general internal medicine and obstetrics and gynecology, the course will present an integrated approach to women's health. Emphasis will be placed on new developments in preventive care and cardiovascular risk factors in women, issues in reproductive health, and clinical strategies in the diagnosis and treatment of common gynecologic complaints and common medical problems of women. Special emphasis will be placed on office skills needed for modern day practice including: enhanced skills in physical examination, patient counseling, common office procedures, assessment of new medical technologies and therapeutics, clinical nutrition, and reading the medical literature. The course will use interactive lectures, clinical vignettes, hands-on workshops, small group discussions, audience response, and questions and answers. A detailed syllabus will be provided.

This course is presented by the Division of General Internal Medicine, Department of Medicine, and the Department of Obstetrics, Gynecology, and Reproductive Sciences and is sponsored by the Office of Continuing Medical Education, University of California, San Francisco.

EDUCATIONAL OBJECTIVES

The purpose of this course is to increase competence and improve clinician practice in women's health. We specifically anticipate improvements in skills and strategies to:

- Implement new guidelines in office-based preventive medicine for prevention and early detection of cancer with clinical exam, pap tests, genetic testing, and diagnostic imaging;
- Implement new guidelines for prevention and treatment of cardiovascular risk factors in women;
- Diagnose and treat common problems in women's health including abnormal uterine bleeding, pelvic pain, incontinence, menopause, hypertension, high blood cholesterol, diabetes, atrial fibrillation, venous thromboembolism, hepatitis C, infertility, breast lumps, and breast cancer;
- Recognize and treat common lesions of the vagina, vulva, and cervix;
- Facilitate counseling and informed decision-making in preconception counseling, contraception, and abortion;
- Perform common office procedures in gynecology and contraceptive technology;
- Counsel patients about dietary change, exercise, vitamins, and supplements;
- Conduct evidence-based preoperative assessment;
- Utilize new developments in inpatient care that impact women's health;
- Effectively prescribe new diagnostic tests and new medications;
- Increase quality and decrease costs in medical practice;
- Become the best medical teacher you can be.

ACCREDITATION

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of **19.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Geriatric Medicine: The approved credits shown above include **8.25** geriatric credits toward meeting the requirement under California Assembly Bill 1820, Geriatric Medicine.

Nurses: For the purpose of recertification, the American Nurses Credentialing Center accepts **AMA PRA Category 1 Credits™** issued by organizations accredited by the ACCME.

Pharmacotherapeutics CEUs for Nurses: For the purposes of recertification the American Nurses Credentialing Center accepts **AMA PRA Category 1 Credits™** issued by organizations accredited by the ACCME. This activity is designated for a maximum of **9.75** pharmacotherapeutic credits towards meeting the requirement for nursing pharmacology continuing education. Nurses should claim 0.1 CEUs for each contact hour of participation in designated pharmacotherapeutic continuing education.

Physician Assistants: AAPA accepts category 1 credit from AOACCME, Prescribed credit from AAFP, and **AMA PRA Category 1 Credits™** from organizations accredited by the ACCME.

Pharmacy: The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for **AMA PRA Category 1 Credit™**.

Maintenance of Certification: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **19.25 MOC** points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Family Physicians: Application for CME credit has been filed with the American Academy of Family Physicians.

Determination of credits is pending.

ACOG: Cognates have been applied for through the American College of Obstetricians and Gynecologists. **Determination of credits is pending.**

G Geriatric Credit **Rx** Meets Requirements for Pharmacotherapeutics CEUs for NPs/Nurses

Essentials of Primary Care: A Core Curriculum for Adult Ambulatory Practice

August 5-10, 2018

Changing patterns of medical practice are placing greater responsibility on primary care clinicians. Increasingly difficult management decisions must now be made in the ambulatory setting. Primary care clinicians must be increasingly competent in office skills and procedures more commonly associated with specialist practice. At the same time, many specialty-trained physicians, particularly obstetrician/gynecologists, traditionally trained internists and medical subspecialists are being asked to play an expanding their role in primary care practice. Nurse practitioners and physician assistants are also playing an ever-increasing role. This course is designed to provide a comprehensive core curriculum in adult primary care. The course will serve as an excellent update and review for current primary care physicians and other primary care professionals and as an opportunity for specialists to expand their primary care knowledge and skills.

Particular emphasis will be placed on principles of primary care, office-based preventive medicine, practical management of the most common problems seen in primary care practice, and expanded skills in clinical examination and common office procedures. Special emphasis will be placed on office-based skills and problem solving in dermatology, neurology, geriatrics, palliative care, women's health, clinical nutrition, and reading the medical literature. The course will utilize formal lectures, hands-on workshops, case discussions, an audience response system, and questions and answers. A detailed syllabus will be provided for all participants.

This course is presented by the Division of General Internal Medicine, Department of Medicine and is sponsored by the Office of Continuing Medical Education, University of California, San Francisco School of Medicine.

EDUCATIONAL OBJECTIVES

The purpose of this course is to increase competence and improve clinician practice in primary care. We specifically anticipate improvements in skills and strategies to:

- Implement new guidelines in office-based preventive medicine including cancer screening and management of cardiac risk factors;
- Develop strategies to care for common office problems including hypertension, lipid disorders, headache, back pain, diabetes, thyroid disorders, dementia, sleep disorders, and chronic pain;
- Manage common problems in women's health including osteoporosis, contraception, and menopause;
- Diagnose and treat common skin disorders, skin infections, and skin cancer;
- Manage common problems in geriatrics;
- Counsel patients to improve eating habits, lose weight, and increase physical activity;
- Perform an effective problem-focused history and physical examination for evaluation and treatment of dermatologic and neurologic complaints;
- Perform common office procedures in dermatology;
- Counsel patients on decision-making at the end of life;
- Develop best practices for using opioids;
- Critically evaluate the medical literature in primary care and women's health and apply the medical literature to clinical practice;
- Increase quality and decrease costs in medical practice.

ACCREDITATION

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for **19.50 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Geriatric Medicine: The approved credits shown above include **16.25** geriatric credits toward meeting the requirement under California Assembly Bill 1820, Geriatric Medicine.

Pharmacy: The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for **AMA PRA Category 1 Credit™**.

Nurses: For the purpose of recertification, the American Nurses Credentialing Center accepts **AMA PRA Category 1 Credits™** issued by organizations accredited by the ACCME.

Pharmacotherapeutics CEUs for Nurses: For the purposes of recertification the American Nurses Credentialing Center accepts **AMA PRA Category 1 Credits™** issued by organizations accredited by the ACCME. This activity is designated for a maximum of **12.50** pharmacotherapeutic credits towards meeting the requirement for nursing pharmacology continuing education. Nurses should claim 0.1 CEUs for each contact hour of participation in designated pharmacotherapeutic continuing education.

Physician Assistants: AAPA accepts category 1 credit from AOACCME, Prescribed credit from AAFP, and **AMA PRA Category 1 Credits™** from organizations accredited by the ACCME.

Maintenance of Certification: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **19.50 MOC** points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Family Physicians: Application for CME credit has been filed with the American Academy of Family Physicians.

Determination of credits is pending.

Cancellations received in writing before the first
day of the course will be refunded, less a \$75
administrative fee. No refunds will be made on
cancellations received after that date.

general info

GREENER MEETING - In an effort to save paper, the syllabi will be available electronically prior to each course. A printed syllabus book is also available for purchase for an additional \$40.00.

ACCOMMODATIONS - HAWAII

Westin Hapuna Beach Resort Big Island, Hawaii

Situated along the Big Island's sunny Kohala Coast lie two spectacular sister properties – the Mauna Kea Beach Hotel and the newly re-novated Westin Hapuna Beach Resort. A block of guestrooms has been reserved at both the Hapuna Beach Prince Hotel and at the Mauna Kea Beach Hotel at the following discounted rates:

WESTIN HAPUNA BEACH RESORT:

Partial Ocean View	\$235
Ocean View	\$260
Premium Ocean View	\$335

MAUNA KEA BEACH HOTEL:

Golf Vista	\$355
Beach Front	\$475
Ocean Front Deluxe	\$565

Rates are per room, per night, single/double, and subject to occupancy tax; simply call toll-free **(800) 882-6060**, or fax **(808) 880-3142** and identify yourself as a member of UCSF Women's Health conference to receive the special rates. The cutoff date is **May 30, 2018** or until the group block is filled. After this date, rooms will be provided on a space available basis only. The conference takes place at the Hapuna property.

By staying at the host hotel, you help UCSF meet its contractual obligations and keep registration fees reasonable. Please take this into consideration

ADDITIONAL TRAVEL INFORMATION

For rental car and air transportation options, and children's programs at the host hotel, please visit our website at cme.ucsf.edu

ACCOMMODATIONS - NORTH LAKE TAHOE

Resort at Squaw Creek North Lake Tahoe, California

Located in North Lake Tahoe's Squaw Valley – site of the historic 1960 Olympic Winter games, the Resort at Squaw Creek is the perfect location in which to learn and relax. For more details, visit www.squawcreek.com.

A block of guestrooms has been reserved at the Resort at Squaw Creek at the following discounted rates:

Deluxe Guest Room	\$229
Fireplace Suite	\$279
Deluxe Fireplace Suite	\$299

Rates are per room, per night, single/double, and subject to 10% transient occupancy tax and a \$25 per day resort fee; simply call **(800) 403-4434** and identify yourself as a member of UCSF Primary Care to receive the special rates. To make hotel reservations on-line, please visit cme.ucsf.edu and click on the hotel link in the Travel & Lodging section of the course webpage. The cutoff date is **July 6, 2018** or until the group block is filled. After this date, rooms will be provided on a space available basis only.

By staying at the host hotel, you help UCSF meet its contractual obligations and keep registration fees reasonable. Kindly take this into consideration when making your decisions.
