

The Gant is located in beautiful Aspen, Colorado. It is nestled between world class skiing and a historical mining town. The atmosphere consists of gourmet restaurants, breathtaking landscapes, top of the line resorts, upscale shopping, and hiking and biking trails. The Gant has been named Aspen's finest condominium resort with the comforts of home and the service of a fine hotel. The conference will be held in a full-service conference facility with the luxury of alpine views from both indoor and outdoor locations.

47TH ANNUAL COURSE ON RENAL DISEASE & ELECTROLYTE DISORDERS

Aspen, Colorado | July 19-23, 2021

Get Your CME/MOC in Beautiful Aspen, CO

**NOT JUST A CONFERENCE,
A COLORADO ADVENTURE!**

CONFERENCE OBJECTIVES – This forty-seventh annual course is designed to provide the practitioner with state-of-the-art information regarding the pathogenesis and treatment of a variety of disease states. Recognized guest lecturers and members of our own faculty will give sharply focused clinically oriented talks on a range of topics. Upon completion of the course participants should be able to:

- Review current concepts regarding the epidemic of CKD of unknown etiology, the nature of acid-base disorders in patients with CKD, the use of incremental dialysis, and frontiers in dialysis care.
- Discuss the systemic effects of acute kidney injury and the utilization of social media in the field of nephrology.
- Outline the new treatments available for autosomal dominant polycystic kidney disease, and the manner whereby to identify those patients with ADPKD who are at high risk for progressing to ESRD.
- Describe advances in treatments to slow progression of CKD, the use of hypoxia inducible factor (HIF) stabilizers in treating the anemia of CKD/ESRD, and the impact of the 2019 Executive Order on Advancing American Kidney Health.
- Summarize the results of key literature articles of the past year in the areas of acute kidney injury, glomerulonephritis, CKD and dialysis, and transplantation and be prepared to implement this knowledge in clinical practice.

COURSE DIRECTORS:
Isaac Teitelbaum, MD
Professor of Medicine
Medical Director, Home Dialysis Program
University of Colorado, School of Medicine

Richard Johnson, MD
Professor of Medicine
The Tomas Berl Professor of Medicine
University of Colorado, School of Medicine

GUEST SPEAKERS:
Arlene Chapman, MD
Professor of Medicine
Chief of Nephrology
University of Chicago

Kam Kalantar-Zadeh, MD, MPH, PhD
Chief, Division of Nephrology, Hypertension and Kidney Transplantation
University of California Irvine, School of Medicine

Joel M. Topf, MD FACP
Assistant Clinical Professor of Medicine
Oakland University
William Beaumont School of Medicine
@Kidney_Boy

ACCREDITATION – The University of Colorado School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Colorado School of Medicine designates this live activity for a maximum of 21.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 21.25 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

To earn board credit, the attendee must participate in the CME activity including the evaluation component. By accepting the invitation to this event and requesting board credit, I understand that my learner completion data will be shared with the ACCME and the applicable certifying board(s).

COST – Registration fees include all sessions, the reception on Monday, July 19th, continental breakfast, refreshments, lunch on Wednesday, July 21st, syllabus, flash drive, and other related course materials. Early registration fee is \$725; \$400 for Residents. **Fellows or practitioners within their first 3 years of practice (at the time of the conference) will receive a one-time free registration with a letter from their Training Program Director documenting their status.** After May 31, 2020, registration fee is \$775, and \$450 for Residents. We regret that we are obligated to impose a charge for non-conference members who attend the reception. A portion of registration fees will be used for wine and beer at the reception.

CANCELLATIONS – A refund minus a \$100 administrative fee will be granted if the cancellation is requested by July 1, 2020. No refunds will be granted after this date or for nonattendance. The conference committee reserves the right to cancel this conference due to an unforeseen circumstance and will be responsible to refund registration fees only.

Agenda

MONDAY, JULY 19, 2021

1:30-2:25 p.m.	Registration
2:25-2:30	Welcome - <i>Isaac Teitelbaum, MD</i>
CKD/ESRD-1	
2:30-3:00	The Case for Incremental Dialysis - <i>Kamyar Kalantar-Zadeh, MD</i>
3:10-3:50	CKD and Acid-Base Disorders: Principles and Case Discussions - <i>Jessica Kendrick, MD</i>
4:00-4:30	Delivering High Quality Peritoneal Dialysis: What Really Matters? - <i>Isaac Teitelbaum, MD</i>
4:40-5:00	Break
5:00-5:30	Nutritional Management of CKD - <i>Kamyar Kalantar-Zadeh, MD</i>
5:40-6:20	The Next Generation in Dialysis - <i>Mr. Mats Wahlstrom</i>
6:30	Adjourn: Reception & Chamber Music

TUESDAY, JULY 20, 2021

RENAL POTPOURRI

1:30-2:00	Systemic Effects of Acute Kidney Injury: Something New to Consider - <i>Sarah Faubel, MD</i>
2:10-2:40	Literature Review: Glomerulonephritis - <i>Joshua Thurman, MD</i>
2:50-3:20	Literature Review: AKI - <i>Sarah Faubel, MD</i>
3:30-3:45	Break
3:45-4:10	Social Media and Nephrology - <i>Joel Topf, MD</i>
4:20-4:50	Literature Review: Transplantation - <i>Alkesh Jani, MD</i>
5:00-5:40	The Dr. Marvin Bernstein Endowed Lecture Basic Science Update: Pathogenesis, Classification, and Treatment of C3 Glomerulopathy - <i>Joshua Thurman, MD</i>
5:50	Adjourn

WEDNESDAY, JULY 21, 2021

7:00-7:30 a.m.	Continental Breakfast
7:30-9:00	

WORKSHOPS

- A. Case Studies in Acid-Base Disorders - *Drs. Furgeson and Topf*
- B. Case Studies in Electrolyte Disorders - *Drs. Ambruso and Berl*
- C. Kidney Transplant Biopsies - *Drs. Jani and Lucia*

9:10-10:40	Workshops repeated
10:40-11:00	Break
11:00-12:00	CPC - <i>Drs. Topf and Lucia</i>
12:00-12:30	Lunch
12:30-2:00	Workshops repeated

THURSDAY, JULY 22, 2021

ADPKD

1:30-2:00	Management of ADPKD in 2021 - <i>Michel Chonchol, MD</i>
2:10-2:40	The Role of Lanreotide in Treatment of the Patient with Polycystic Kidneys or Liver - <i>Arlene Chapman, MD</i>
2:50-3:20	Vasopressin and Vaptans in ADPKD - <i>Charles Edelstein, MD PhD</i>
3:30-3:50	Break
3:50-4:35	Identification of ADPKD patients at High Risk for Progression to ESRD - <i>Arlene Chapman, MD</i>
4:45-5:30	How Healers Became Killers: Nazi Doctors and Modern Medical Ethics - <i>Matthew Wynia, MD MPH</i>
5:40	Adjourn

FRIDAY, JULY 23, 2021

7:00-7:30 a.m.	Continental Breakfast
CKD/ESRD-2	
7:30-8:00	Slowing Progression of CKD: What's New? - <i>Arlene Chapman, MD</i>
8:10-8:40	Update on HIF Stabilizers - <i>Anip Bansal, MD</i>
8:50-9:30	Phosphorus Balance Disorders: Principles and Case Discussions - <i>Michel Chonchol, MD</i>
9:40-9:55	Break
9:55-10:25	An Update on the Mysterious Epidemics of Chronic Kidney Disease occurring Worldwide - <i>Richard Johnson, MD</i>
10:35-11:05	The Dr. Robert W. Schrier Endowed Lecture Public Policy: Impact of the 2019 Executive Order on Advancing American Kidney Health - <i>Kamyar Kalantar-Zadeh, MD</i>
11:15-11:50	Literature Review: CKD and Dialysis - <i>Sophie Ambruso, DO</i>
12:00	Conference Adjourns
