In support of improving patient care, this activity has been planned and implemented by i3 Health and FLASCO. i3 Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

As a Jointly Accredited Organization, i3 Health has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit.

As a Jointly Accredited Organization, i3 Health is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program.

This live activity is designated for a maximum of 4.75 *AMA PRA Category 1 Credits™* for physicians, 4.75 ANCC contact hours for nurses, 4.75 ACPE CE hours for pharmacists, 4.75 AAPA Category 1 Credits for physician assistants, and 4.75 general ASWB ACE credits for social workers. Participants should claim only the credit commensurate with the extent of their participation in the activity.

i3Health®
Education on Point

Jointly Provided by i3 Health and Florida Society of Clinical Oncology (FLASCO)

JOINT ACCREDITATION AND CREDIT DESIGNATION STATEMENTS

In support of improving patient care, this activity has been planned and implemented by i3 Health and the Florida Society of Clinical Oncology (FLASCO). i3 Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians

i3 Health designates this live activity for a maximum of 4.75 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. By providing this information, participants are agreeing to allow i3 Health to share this information with the ACCME.

Physician Assistants/Associates

i3 Health has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 4.75 AAPA Category 1 CME credits. Approval is valid until 10/25/2025. PAs should only claim credit commensurate with the extent of their participation.

Nurse Practitioners

The American Academy of Nurse Practitioners Certification Program (AANPCP) accepts *AMA PRA Category 1 Credit*™ from organizations accredited by the ACCME. Individuals are responsible for checking with the AANPCP for further guidelines.

Nursing Continuing Professional Development

A maximum of 4.75 ANCC contact hours may be earned by learners who successfully complete this nursing continuing professional development activity.

Continuing Pharmacy Education

i3 Health has approved this knowledge-based activity for 4.75 ACPE CE hours. The Universal Activity Number for this activity is JA0008128-0000-25-028-L01-P. Pharmacy CE credits can be submitted to the NABP upon successful completion of the activity and the evaluation by providing your NABP ID and DOB, which must be submitted within 60 days of completion.

Social Workers

As a Jointly Accredited Organization, i3 Health is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. Regulatory boards are the final authority on courses accepted for continuing education credit. Social workers completing this course receive 4.75 general continuing education credits.

SCIENTIFIC EDUCATIONAL TRACKS

This conference will feature five scientific educational tracks:

MULTI-DISCIPLINARY TRACK - CE
PHARMACY TRACK - CE
ADVANCED PRACTICE PROVIDER TRACK - CE
NURSE / NAVIGATOR TRACK - CE
ADMINISTRATOR TRACK -NON- CE

These scientific educational tracks were explicitly developed by practicing clinicians of that specific discipline, referencing their expertise and daily work in the clinic. Attendees can choose from educational presentations to **tailor a meeting experience** that best fits their professional needs and clinical experiences.

LEARNING OBJECTIVES

- Participants should be able to apply the knowledge gained at this conference to enhance their skills, performance, and ultimately improve patient outcomes in their daily practice.
- Apply the novel therapy for different types of solid and hematological malignancies recently adopted by the regulatory entities.
- Discuss the most common adverse events of novel therapies entering the treatment algorithm.
- Identify opportunities for therapeutic intervention using a multi-disciplinary team approach to care.
- Identify & understand barriers to care including cost barriers and access barriers

FALL CONGRESS SPECIAL EVENTS
