OUR HISTORY

After the successful journey of a series of 26 Pharmacovigilance conferences, Virtue Insight is proud to announce its **27th Pharmacovigilance 2022**. We have been delivering the conference through close collaboration with the industry leaders for **more than a decade**. For the 2022 edition, the agenda includes a host of new and exciting features focusing on how the industry should evolve especially after the pandemic. Take a chance and make it count by attending our event to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

As per current market situation, the global pharmacovigilance market was approximately USD 3.87 billion in 2018 and is expected to generate around USD 8.33 billion by 2025, at a CAGR of around 11.6% between 2019 and 2025. This event will bring together top pharmaceutical, biotechnology and regulatory representatives under one roof that will address the key issues of the industry. Get more from the event, with a broader scope bringing the whole communications value chain together. Enjoy and make the best out of our dedicated networking drinks time, meet the leading international vendors showcasing the products of tomorrow in the co-located exhibition.

It gives me great pleasure in welcoming all of you to the Virtue Insight's 27th Pharmacovigilance 2022. I wish and pray that all our efforts will be beneficial to our industries and to our all at large.

FOR SPONSORSHIP OPPORTUNITIES:-

Sponsorship or exhibition is the best way to speed network with decision makers. The world leader speakers in our conferences attract niche delegates from all over the world. This would be a wonderful opportunity to reach the right audience and save money and time on all your other advertising gimmicks. To give you an advertising edge we constantly update the industry pioneers via emails/news letter about the event and advertise the event via different forms of media.
