6th Annual Palliative Care Spring Symposium For Interprofessional Healthcare Providers: *Tackling Hot Topics in Palliative Care*

June 2, 2017

Thomas Jefferson University | Dorrance H. Hamilton Building
1001 Locust Street | Philadelphia, PA 19107

The goal of the 6th Annual Palliative Care Spring Symposium is to improve the delivery of primary palliative care to all patients with serious, life-threatening illness. Designed for practitioners and other professionals from all related professions and disciplines, the program will include practical lecture presentations, with moderated panel setting formats, to explore the challenges in providing physical, emotional, psychosocial and psychological care for complex, seriously ill patients and their families. This perspective enhances the context of discussions throughout the program, adding take-home pearls that participants can put into practice.

The following topics will be explored:

- Safe Pain Management
- Opioid Management and Risks
- ALS – The Patient's Perspective
- The Trajectory of ALS Illness
- The Right to Death with Dignity
- Pediatric Palliative Care
- Legal Aspects of Physician Aid in Dying
- Physician Assisted Suicide

The Registration Fee will include all course materials, CE Certificate, light breakfast, and networking brunch.
