The HCA Houston Healthcare Kingswood is taking the lead in Houston, TX, by hosting a Clinical Cardiovascular Nursing Review Course and CVRN Board Certification Opportunity for area Cardiac Nurses, Nurse Practitioners, and those throughout the region at other Hospitals and Clinics who wish to take part in this Professional Development event.

This Clinical Cardiovascular Nursing Course was designed to meet the Professional Development and Board Certification needs of Cardiac Nurses and Nurse Practitioners working in PCU, Telemetry Emergency Chest Pain Centers, Cardiovascular Critical Care, Cath Lab, CV Surgery, CV Recovery, Cardiac Rehab, and Private Practice Cardiology Offices and Clinics. If your hospital is seeking or needs to maintain Magnet Status, the *Board Certification Exams offered by the American Board of Cardiovascular Medicine are approved by the ANCC for Magnet applications.*

Alice Friedrich, ANP, MS, BSN, RN, CVRN-BC Level II, MACCN –

Alice currently works as a Cardiovascular Nurse Practitioner for the Northwell Healthcare System in New York. Alice was among the first Nurse Practitioners to receive CVRN-BC Board Certification Status in 2000 and now holds her CVNP-BC. Alice comes to you with a phenomenal amount of Essential Knowledge and Clinical Expertise to assist you in the Diagnosis and Management, and Daily Care of Cardiovascular Patients with a host of Cardiovascular Anomalies. A frequent speaker at ACCN courses on a National level. Alice receives rave reviews at all of her events. Join her in this highly interactive Course.
