Clemenceau Medical Center Beirut

Welcome Message

Dear colleagues and friends,

On behalf of the Organizing and Scientific Committees, we warmly welcome you to the 3rd Pediatric Infectious & Immunology Meeting, which will take place in Dubai, UAE on 6–8 October 2023.

We are bringing together world-renowned researchers and clinicians for a very exciting multidisciplinary program covering areas that include clinical issues, epidemiology, public health, microbiology, immunology and highlighting the most challenging clinical cases, with open discussions like no other event.

3rd Pediatric Infectious & Immunology Meeting is for professionals who want to stay up to date, reinforce their skills, communicate with their colleagues, share their most interesting clinical cases, and develop new collaborations in the GCC and MENA region.

There will be abundant opportunities for networking professionally and socially, with universities, researchers, hospitals and pharmaceutical companies.

We are absolutely delighted to welcome you to Dubai.
