

Controlled Substances Education Course

Controlled Substances Education Course - (Meets requirements pursuant to California Code of Regulations Sections: 1399.541(h), 1399.610 and 1399.612)

Two important Team Practice Advancements with this course:

- Elimination of Advance Approval requirements for controlled substances
- Cosignature reduction for medical records involving Schedule II medications

Effective January 1, 2016, as a result of CAPA's sponsored legislation, SB 337, California law establishes a mechanism to reduce cosignatures for the medical records when Schedule II controlled substances have been issued from 100% down to 20% when PAs hold a certificate of completion from an education course that meets the requirements in Sections 1399.610 and 1399.612 of Title 16 of the California Code of Regulations. The SP shall review, countersign and date the medical records within 7 days. Effective January 1, 2008, as a result of CAPA's sponsored legislation, AB 3, California law establishes a mechanism for a PA to administer, provide, or issue a drug order for Schedule II through V controlled substances without patient specific advanced approval if the PA holds a certificate of completion from an education course that meets the requirements in Sections 1399.610 and 1399.612 of Title 16 of the California Code of Regulations.

Program (Registration begins at 9:00 a.m. Course begins promptly at 10:00 a.m.)

Andrew Lowe, PharmD		2:30 p.m.	Controlled substance's potential for abuse and addiction, its psychosocial aspects, the recognition of the symptoms (including controlled substance-seeking behaviors).
10:00 a.m.	Federal and state laws and regulations pertaining to the provision, administration and furnishing of controlled substances. The use of secure drug order forms.	3:30 p.m.	Break
Jeremy Adler, MS, PA-C		3:45 p.m.	The legal and professional relationship between a PA and the collaborating physician. Charting requirements.
11:00 a.m.	Comparison of efficacy data and safety profiles which influence the selection, usage, conversion and clinical rationale for the use of pharmacological agents.	4:15 p.m.	Recognition, prevention and management of acute and chronic pain.
11:30 a.m.	10 Minute Break	4:45 p.m.	Provision of appropriate patient education regarding controlled substances.
Noon	Other uses for controlled substances.	5:00 p.m.	Post Test
1:00 p.m.	Optional Non-CME Lunch Strengthening Your Pain Management Arsenal Rainer Vogel, MD <i>Sponsored by Egalet</i>		
2:00 p.m.	Disorders routinely requiring a therapeutic regimen of controlled substances for clinical management.

Conference Hotels

Book Your Room Directly with the Hotels

We have a special \$204 room rate at the Renaissance. **CAPA Conference attendees enjoy \$5 parking (normally \$10) and free in-room Internet.** We also have rooms blocked at the Hilton Palm Springs. Both hotels are downtown within blocks of all of the Palm Canyon Drive activities. The Renaissance is connected to the Palm Springs Convention Center (PSCC). Both hotels are offering the CAPA Conference rate a day or two before and/or after the CAPA Conference. **Make your reservations now. There is a large music festival going on that weekend and the hotels will sell out quickly.** You must book your room no later than August 15, 2016 in order to take advantage of the special rate (assuming there are rooms left in the block on that date). You should call the hotels directly. Be sure to mention the CAPA Conference to receive our special group rate of \$204 per night at the Renaissance and \$168 per night at the Hilton.

Special CAPA Room Rates:

Renaissance Palm Springs
(888) 682-1238 or (760) 322-6000
\$204 per night (special CAPA \$5 rate for parking)

Hilton Palm Springs
(800) 522-6900 or (760) 320-6868
\$168 per night

Be sure to mention the CAPA Group when calling in your reservation. You may also reserve your room online through the CAPA website at www.capanet.org/conferences/hotel-information/.

Please note: The hotels will be cross-referencing reservation names with our registration list to ensure that everyone who is holding a reservation under CAPA's block at the special rate is also registered for the CAPA Conference. Those who are not registered for the CAPA Conference by the hotel cut-off date (August 15, 2016) will be moved outside of the CAPA block and a higher rate will apply.

The planners and sponsors of this function claim no liability for the safety of any attendee while in transit to or from this event. The planners and sponsors reserve the right to change speakers and/or cancel the event without penalty. The total amount of any liability of the planners and sponsors will be limited to a refund of the registration fees.

Call: 760-322-6000
Renaissance Palm Springs

You will want to reserve your hotel room early. There is a big music festival over the dates of the CAPA Conference. We have a block of rooms at the Renaissance Palm Springs and the Hilton Palm Springs. **Both hotels will sell out quickly.**

Address Service Requested

Exhibit Hall

You are encouraged to visit the Exhibit Hall, spend time with and thank the exhibitors who support our conference. Name badges will be required. Exhibit times are listed in the conference program.

SA-CME

In order to maintain certification through the NCCPA on the new 10-year cycle, PAs must earn and log a total of 100 CME credits every 2 years, including 50 Category I CME credits – 20 of the 50 credits must be earned through self assessment CME and/or performance improvement CME. CAPA is pleased to offer 8 hours of SA-CME as part of our regular course. Badges will be scanned to document attendance for the SA-CME sessions.

Student Medical Challenge Bowl

The **Student Medical Challenge Bowl** begins Saturday afternoon. You won't want to miss this fun, light-hearted, Jeopardy-style game show event. PA students answer questions in order to vie for the championship title, the coveted Student Medical Challenge Bowl Trophy and cash prize for the winning program's Student Society. It has become a highlight of the CAPA Conference and so much fun to watch (and learn). So, have a beer or soft drink (which we supply) and see who will win this year's **CAPA Student Medical Challenge Bowl**.

PA Pioneer Discount

Special 20% Discount Off of Basic Course
Given to the First 500 PAs Licensed in California

Have a California PA license number between PA 10001 and PA 10500? Call the CAPA office and mention the discount for the first 500 PAs licensed in California and we can take your registration over the phone, (714) 427-0321. We will be providing a special "PA Pioneer" sticker to those who have been practicing for over 30 years. Be sure to give them a big, 40-year anniversary **thank you** when you see them.

Honoring Our Past, Forging Our Future

On June 26, 1976, a gavel fell and the California Academy of PAs was born. Our Founding President, Rod Moser, PA, PhD, will be at the CAPA Conference in Palm Springs to present CAPA with several historic documents and memorabilia, including his first stethoscope!

We will celebrate CAPA's 40 years of excellence, organized by a handful of PAs who got out of PA school with no enabling regulations, no jobs waiting for them and no state organization advocating for PAs. Imagine the many challenges of the time

including locating and communicating with PAs in the state with no internet, no cell phones and no email. Yet, they rallied those first California PAs who traveled from all over the state to attend the first CAPA organizing meeting in Fresno, CA. We will learn more about and honor the founders of CAPA; the pioneers of the profession - those who paved the way for the rest of us. Without the PAs who volunteered countless hours and provided their own funds to do the work of CAPA (over many years), we would not enjoy the privileges of being a PA we now enjoy.

We will look at our rich history and we will focus on the future of PAs here in California. There is much left to do and a strong and powerful CAPA will allow us to continue in the traditions and culture set by our founders – **Forging Our Future** together.

2016 ANNUAL CONFERENCE OCTOBER 6-9 | PALM SPRINGS, CA

40
YEAR ANNIVERSARY

A graphic consisting of overlapping yellow and blue triangles pointing to the right, with the text "Optional Workshops" in white.

ACLS & BLS Recertification Course

Take your ACLS Recertification with fellow PAs in a fun, interactive course. Prior certification is required. Note: ACLS is a 5.5 hour workshop. Those who wish to attend the ACLS workshop will not be able to attend Session 2 workshops on Thursday. *BLS recertification will be provided to all attendees at no additional cost.*

Beginning Suturing Workshop

In this hands-on workshop, learn or review beginning suturing skills, including basic instrument handling and sterile technique, choice of suture material and stitch selection. This is the ideal workshop for students or practitioners needing to learn basic technique or as a refresher. *This session is supported by Ethicon.*

Expert Suturing Workshop

This hands-on workshop will provide advanced training into the world of complex closures with different types of suture materials and techniques. If you have already taken the basic suturing course, or are proficient with basic suturing and want to take your knowledge to the next level, then this is the suturing course for you. *This session is supported by Ethicon.*

Challenging Cases in Women's Health Workshop

Through a series of clinical cases, attendees will learn how to manage a variety of gynecologic problems including: abnormal uterine bleeding, breast and gynecologic cancer screening, peri- and post-menopausal symptom treatment, chronic pelvic pain and contraceptive side effects.

Joint Injection Workshop

This hands-on workshop uses anatomical models to review and implement common in-office intra-articular joint injections utilized in primary care, rheumatology or orthopedics. A 40-minute presentation of utilization, efficacy, methods of injection and pearls/pitfalls will be followed by a breakout session in which participants will have supervised hands-on time with anatomical models to inject various joints and tendinopathies. Shoulder, knee, ankle, elbow, carpal tunnel and lateral epicondylitis will be targeted in this beginner course.

Orthopedic Exam Workshop - Cervical & Lumbar Spine

This workshop provides an in-depth, visual review of a good orthopedic exam, focusing on the upper and lower back. Learn exam techniques to help narrow a differential diagnosis of common orthopedic complaints specific to the back.

- Name badges are provided for all registrants and **MUST** be worn for admittance to all activities except the Student Medical Challenge Bowl on Saturday.
- Children under the age of 18 (including infants) will not be

Orthopedic Exam Workshop - Knee & Shoulder

This workshop provides an in-depth, visual review of a good orthopedic exam, focusing on the knee and shoulder. Learn

exam techniques to help narrow a differential diagnosis of common orthopedic complaints.

X-Ray Interpretation Workshop

In many types of everyday practice settings, PAs are required to make immediate independent decisions regarding their patients' care. During this time, standard X-rays are highly utilized and readily available but may not have a radiologist or consulting provider to identify abnormalities or fractures. This workshop will give PAs the tools to recognize, treat, and disposition patients who may have X-ray abnormalities. This workshop will focus on the most common CXR findings and the most common adult and pediatric patient fractures.

Important Information

Refund Policy

To receive a refund, registrants must return their registration receipt to: CAPA, 2318 S. Fairview St., Santa Ana, CA 92704 or fax to (714) 427-0324.

There will be a \$50 service charge on refunds from August 15, 2016 through September 2, 2016; a \$100 charge for refunds made from September 3, 2016 through September 16, 2016; no refunds will be made after September 16, 2016.

Accreditation

This program is not yet approved for CME credit. Conference organizers plan to request 25 hours of AAPA Category 1 CME credit from the American Academy of PAs. Total number of approved credits yet to be determined. PAs should claim only those hours actually spent participating in the CME activity. These totals include optional workshops. This program was planned in accordance with the AAPA's CME standards for Lecture-Learner Programs and for Commercial Support of Lecture-Learner Programs.

Important Notices

- Name badges are provided for all registrants and **MUST** be worn for admittance to all activities except the Student Medical Challenge Bowl on Saturday.
- Children under the age of 18 (including infants) will not be admitted to the Exhibit Hall or CME sessions.
- Hands-on workshops and additional courses are optional and require a separate registration fee. Space is limited, so please register early.

NON-MEMBER REGISTRATION - California PAs & Students

If you are not a CAPA member and are a California PA or PA student, you must select one of the non-member registration options below.

- ☐ Add \$125 – CAPA Non-Member Graduate
(Includes CAPA Membership through 4/30/17)
- ☐ Add \$15 – CAPA Non-Member Student
(Includes CAPA Membership through 4/30/17)

NON-MEMBER REGISTRATION - Out of State

If you are a member of your state PA association, you may register for the CAPA Conference at the member price.

GENERAL INFORMATION

We have secured a Non-CME, Medical Affairs disease state lunch presentation on Saturday, October 8. The Sunshine Act requires that detailed information about payments and other “transfers of value” worth over \$10 from manufacturers of drugs, medical devices and biologics to health care professionals be made available to the public. If you plan to partake in the sponsored lunch, please let us know if you will need one of the following:

- ☐ Vegetarian Meal Requested
- ☐ Gluten-Free Meal Requested
- ☐  In accordance with the Americans with Disabilities Act, please check here if you have any special needs. You will be contacted by CAPA.

Consent to Use of Photographic Images: Registration and attendance at, or participation in, the CAPA Conference and other activities constitutes an agreement by the registrant to CAPA's use and distribution (both now and in the future) of the registrant or attendee's image or voice in photographs, videotapes, electronic reproductions and audiotapes of such events and activities.

Rules of Conduct: Persons disrupting any portion of the Conference or failing to abide by Conference rules will be subject to removal from the Conference without refund.

Phone or fax Registration: MC/Visa/AMEX: Phone (714) 427-0321, Fax: (714) 427-0324. To avoid duplicate charges, please do not mail the original registration form if you have faxed it or emailed it to the CAPA office. Mail registration form and make checks payable to: CAPA, 2318 S. Fairview St., Santa Ana, CA 92704.

Registration Info & Workshop Registration

If you have any questions regarding the program or registration, please call CAPA at (714) 427-0321. For the latest conference information or to register on-line visit www.capanet.org.

Early Registration

Please note the date for early registration. You are encouraged to register by September 2, 2016 (Basic Course CAPA member price \$395). By doing so, you will save \$55. After September 2, the Basic Course CAPA member price is \$430. If you register after September 16, 2016, Basic Course registration for a CAPA member will be \$450. As you can see, the sooner you register, the more you will save. ***The CAPA office will strictly observe the late registration prices and will charge the appropriate fees on the date you register.***

Out of State PAs

The CAPA Conference is a great place to network. We look forward to welcoming you to Palm Springs. If you are a member of your state PA association, you may register for the CAPA Conference at the member price by giving the CAPA office a call at (714) 427-0321.

Student Registration

For those who are currently enrolled in a PA program or if you graduate from PA school at any time during 2016, you may register at the student price.

Workshop Registration

Workshop registration requires a separate fee and a separate registration form. All workshop assignments are made on a first-come-first-serve basis, based on availability and are not refundable. Workshops do fill up quickly. You may pay by personal check or with a credit card. If paying by check, please enclose a separate check for the appropriate workshop amount. Complying with this request ensures that your workshop check will be returned should any of the workshops you choose be full. If you are paying by credit card, you will only be charged for those workshops that are open at the time of registration.

Speaker Presentations

Speaker notes will be available at least two weeks prior to the conference and will remain available on the CAPA website. Printed syllabi will be available for an additional cost for attendees who pre-register and select the option for a printed syllabus. Please note that paper copies will not be provided if this option is not checked. There will be printers available through the Cyber Café on-site for those who wish to print selected handouts.

Optional Courses & Workshops Registration Form

ACLS and BLS RECERTIFICATION COURSE – 10/6/16

Thursday, October 6, 2016 – 1:30 P.M. to 7:00 P.M.

Those registering for ACLS & BLS Recertification will not be able to attend Session 2 workshops on Thursday. Absolutely no refunds will be given after September 2, 2016

☐ ACLS and BLS Recertification (5.5 hrs Cat I CME) \$175

THURSDAY SESSIONS – 10/6/16

Session 1

- ☐ Beginning Suturing (9:30 am-12:30 pm - 3 hrs Cat I CME) \$100
- ☐ Ortho Exam - Knee & Shoulder (10:30 am-12:30 pm - 2 hrs Cat I CME) \$70
- ☐ X-Ray Interpretation (10:30 am-12:30 pm - 2 hrs Cat I CME) \$70

Session 2

- ☐ Expert Suturing (2:00-5:00 pm - 3 hrs Cat I CME) \$100
