About Conference

Our Journey

Building a global platform for innovation, collaboration, and progress in regenerative medicine and tissue engineering.

International Conference on Cell Science and Regenerative Medicine (CSRM-2024)

Porto, Portugal | November 25–26, 2024

2nd International Conference on Cell Science and Regenerative Medicine (CSRM-2025)

Barcelona, Spain | September 08–09, 2025

3rd International Conference on Cell Science and Regenerative Medicine (CSRM-2026)

Paris, France | October 26–27, 2026

Continuing this legacy, the Regenerative Medicine and Tissue Engineering Forum – 4th Edition (2027) brings together leading researchers, clinicians, and industry experts to explore the latest advancements and shape the future of regenerative healthcare.

Join us in Florence, Italy, for an inspiring scientific journey!

Sessions

- Stem Cell Biology and Stem Cell Therapies
- Regenerative Medicine and Translational Research
- Tissue Engineering and Scaffold Design
- Biomaterials and Bioactive Materials
- 3D Bioprinting and Biofabrication
- Organoids and Organ-on-a-Chip Technologies
- Cell Signaling and Molecular Mechanisms of Regeneration
- Gene Editing and Cell-Based Therapies
- Tissue Repair, Wound Healing and Fibrosis
- Cartilage, Bone and Musculoskeletal Regeneration
- Cardiac and Vascular Regenerative Medicine
- Neural Regeneration and Spinal Cord Repair
- Skin Regeneration and Advanced Wound Care
- Immunomodulation and Cell–Material Interactions
- Clinical Translation, Safety and Manufacturing of Regenerative Therapies

Advancing Science • Inspiring Innovation • Shaping a Healthier Future
