## Dear Doctor,

The Department of Orthopaedics, Govt Medical College Trivandrum announces the prestigious Trivandrum Orthopaedic Post Graduate Instructional Course 2018 (TOPIC 2018).

This three day intensive training has been designed to systematically target your weak areas, improve your knowledge across all key topics in the current exam curriculum, test your exam aptitude, log your learning, and track your progress. We believe by the end of the day, students shall gather the confidence and analytical skills to handle difficult and complex clinical cases. In brief this shall be a pre-exam course and mock examination for you.

This year also we are blessed with esteemed National and State faculty who shall guide us and make this course thoroughly educative and informative.

Please make the best use of this invaluable learning experience.

**Course Director** Prof. C S Vikraman  
**Organizing Chairman** Prof. Sajid Hussain

**Organizing Secretary**  
Dr. Prem Haridas Menon
