

EHRA Cardiac Pacing, ICD and Cardiac Resynchronization Therapy

Vienna, Austria

11-13 December, 2017

Course director: Jan Steffel, MD FESC FHRS

Co-director: Jean-Claude Deharo, MD FESC

AGENDA

Day 1 – Monday 11th December – Pacemakers

12:00	-	13:00	Lunch at the Hotel	
13:00	-	13:05	Welcome	Jan Steffel and Lukas Fiedler
13:05	-	13:35	Pacemaker timing in single and dual chamber devices	Haran Burri
13:35	-	14:25	Pacemaker troubleshooting (I)	Haran Burri
14:25	-	15:25	Specific technical features and device quiz	Biotronik: Thomas Brüggemann BSc: Speaker name TBC Medtronic: Yanis Dumpis
15:25	-	15:55	Coffee break	
15:55	-	16:35	Specific technical features and device quiz	Livanova: Anne Couturier Abbott: Paul Doherty
16:35	-	17:15	Pacemaker troubleshooting (II)	Jean-Claude Deharo
17:15	-	17:55	Pacemaker troubleshooting (III)	Haran Burri
17:55	-	18:55	EHRA pacemaker exam exercise	Jean-Claude Deharo
18:55	-	19:00	Summary and Conclusion, day 1	Jan Steffel
19:30			Group dinner at the Hotel	

Day 2 – Tuesday 12th December - Cardiac Resynchronization Therapy

08:00	-	08:20	The EHRA exam	Jan Steffel
08:20	-	09:00	Device complications and lead extraction	Jean-Claude Deharo
09:00	-	10:00	CRT Troubleshooting (I)	Christophe Leclercq
10:00	-	10:30	Coffee break	
10:30	-	10:50	Current indications for CRT	Maurizio Lunati
10:50	-	11:30	CRT Troubleshooting (II)	Jan Steffel
11:30	-	12:10	Device quiz and specific technical features	BSc: Speaker name TBC Livanova: Christèle Deniaud
12:10	-	13:10	Lunch	
13:10	-	14:10	Device quiz and specific technical features	Biotronik: Thomas Brüggemann Medtronic: Yanis Dumpis Abbott: Paul Doherty
14:10	-	14:40	Update on new technologies (Leadless pacing, S-ICD, Wearable CD etc.)	Maurizio Lunati
14:40	-	15:30	CRT Troubleshooting (III)	Christophe Leclercq
15:30	-	16:00	Coffee break	
16:00	-	17:00	EHRA CRT exam exercise	Maurizio Lunati
Free evening				

Day 3 – Wednesday 13th December - Implantable Cardioverter Defibrillators

08:00	-	08:20	How to optimize ICD programming	Carsten Israel
08:20	-	08:35	How to deal with special clinical situations (driving, sport, end of life etc.)	Jean-Claude Deharo
08:35	-	09:25	ICD troubleshooting (I)	Jan Steffel
09:25	-	09:55	Coffee break	
09:55	-	10:55	ICD troubleshooting (II)	Carsten Israel
10:55	-	11:55	Specific technical features and device quiz	Medtronic: Yanis Dumpis Livanova: Christèle Deniaud Biotronik: Thomas Brüggemann
11:55	-	12:45	Lunch	
12:45	-	13:25	Specific technical features and device quiz	Abbott: Paul Doherty BSc: Speaker name TBC
13:25	-	14:05	ICD troubleshooting (III)	Carsten Israel
14:05	-	15:05	EHRA ICD exam exercise	Carsten Israel
15:05	-	15:10	Conclusion	Jan Steffel
15:10			Adjourn	

EHRA Cardiac Pacing, ICD and cardiac resynchronisation course 2017 was granted 11 European CME credits (ECMEC) by the European Accreditation Council for Continuing Medical Education (EACCME).
