

Preparation for the Part II ABOS Oral Examination: The most valuable time you'll ever spend preparing for the exam!

This one-day workshop will simulate the actual oral examination given by the American Board of Orthopedic Surgery (ABOS). You will have an opportunity to present your cases to expert faculty who will ask questions and provide feedback to help you prepare for the exam. Faculty will evaluate you on data gathering, interpretive and technical skills, diagnosis and treatment, outcomes and applied knowledge.

Upon completion, participants will be:

- Ready to take The Part II ABOS Oral
- Able to answer questions about their cases and case lists in a concise and orderly fashion
- Identify areas for refinement and further study that would be beneficial in exam preparation

Who Should Attend: "This program is specifically for BOARD ELIGIBLE Orthopedic spine surgeons" who plan on taking PART II of the ABOS Examination (ORALS)
