MELAKA MALAYSIA

April 5-7, 2018 | Hatten Hotel Melaka

"Where History Meets Future"

ICOI ASEAN CONGRESS

Join us in Melaka, Malaysia on April 5-7, 2018

Block the dates in your calendar!! Come and join us from April 5-7, 2018 at "The Historic state" of Melaka in Malaysia to attend the ICOI ASEAN Congress jointly organized by ICOI and Melaka-Manipal Medical College (Manipal University), Malaysia.

This historic city centre has been listed as a UNESCO World Heritage Site since 2008 and showcases the true heritage and culture of Malaysia to all its visitors.

Since its inception, every step of the ICOI ASEAN Congress preparations has been meticulously planned to provide our Congress participants with an enriching and fulfilling experience. We have invited world renowned keynote speakers from all around the world as well as ASEAN countries to provide a useful insight into the practices of Oral Implantology across the world.

The pre-conference workshops as well as the trade fair have been designed to suit the needs of Oral Implantologists all around the world. Congress participants who fulfil the ICOI requirements can receive their Fellowship, Mastership and Diplomat certifications in the Credentialing ceremony conducted during the Congress.

The ASEAN Congress will be a perfect platform for you to meet and interact with Oral Implantologists from different corners of the world, hone your surgical and prosthetic knowledge and skills in the field of Implant Dentistry while simultaneously experiencing our rich Malaysian heritage.

Melaka city is well connected by roads to Malaysia's capital city of Kuala Lumpur and the Kuala Lumpur International airports. So, register now and join us in this exciting journey of continued education in Implant Dentistry.

We eagerly look forward to seeing each and every one of you at the Congress!!

Regards,

Prof Dr. Abdul Rashid Hj. Ismail

Ambassador (ICOI), Malaysia

Dean, Faculty of Dentistry, Melaka-Manipal Medical College, Malaysia

MISSION

Established in 1972, the International Congress of Oral Implantologists (ICOI) is the world's largest dental implant organization and world's largest provider of continuing dental implant education.

Staying true to this commitment of the ICOI, the mission of this ICOI ASEAN Congress is to provide the best of knowledge updates and most importantly, scientifically proven and clinically relevant advancements in the clinical practice of Implant Dentistry.

This mission will enable all participating Implantologists to obtain valuable insights into the current trends in clinical practice around the globe, straight from the stalwarts of Oral Implantology, our key note faculty.

The pre-conference workshops are designed to enable the participants to experience first-hand, the various advancements in this growing field of Dentistry.

The ICOI ASEAN Congress will enrich the attendees on the future directions of Implant Dentistry, set in a historic background of Melaka, Malaysia.

OBJECTIVES

At the end of this Congress, the participants will be able to:

- Understand current trends and modifications to the conventional surgical and prosthetic implant-based treatment practices
- Apply the updated theoretical knowledge to the effective clinical practice of Implant Dentistry
- Practice advancements in Implant Dentistry using minimal risk techniques
- Critically appraise new ideas and advancements in the field of Implant Dentistry
