Welcome Message

Dear Friends,

It gives us immense pleasure to welcome you to the 25th Annual conference of Neurotrauma Society of India (12th-14th August, 2016) at New Delhi, India.

The responsibility to host this event has been given to Department of Neurosurgery, AIIMS and associated JPN Apex Trauma Centre, New Delhi by prestigious Neurotrauma Society of India for the first time and this will be the second time New Delhi city will be the venue for this prestigious event. NTSI was established to promote neurotrauma care in this country and set up academic standards across the nation in the field of neurotrauma. AIIMS, an autonomous institute established by Act of Parliament in 1956 by Government of India has been the forefront leader in giving world class neurotrauma care to patients and involved in advancing the knowledge in the field of neurotrauma at both educational and research fronts over the years.

The theme of this year meeting is "**Novel solutions to Traumatic Brain Injuries and Spinal Trauma**" with the key objective of sharing experiences and lessons about national and international accepted protocols in the field of Neurotrauma.

This special Silver Jubilee event will bring delegates and distinguished speakers from across the globe. Emphasis will be given to promote young researchers in this speciality.

We, solicit active participation of various societies and collaboration by bringing their members as delegates and faculty to this congress.
