

Maximized Adhesive Dentistry: The Foundational Posterior Course

Presented by **Bruce J. LeBlanc, DDS** with **John M. Barksdale, Jr. DDS** and **Mike Robichaux, DDS**
Friday, March 16, 2018
at **LSU School of Dentistry in New Orleans**

at LSU School of Dentistry

1100 Florida Avenue • New Orleans, LA 70119

Phone (504) 941-8193

Course #17-18 • *Lunch provided*

7 hours clinical CDE credit (1 hr lecture/6 hrs participation)

AGD #250 (Restorative Dentistry)

Sign-in & Continental Breakfast: 7:30 - 8:30 am

Course Starts: 8:30 am

Course Ends: no later than 5:00 pm

Overview

This hands-on course provides you with the tools, materials, and techniques of adhesive dentistry so you can create durable, predictable, and esthetic restorations. The practical techniques you learn in this course will enable you to offer your patient cost-effective restorative solutions.

Learning Objectives

After completing this hands-on program, participants should have a better working knowledge of:

- All essential products and steps to maximize bonding
- What bonding agents to use and to avoid and why
- Preventing brown lines and sensitivity with confidence
- Molded injection direct composite bonding
- Must-have matrix systems to build whole tooth composites
- Maximized cementation of porcelain restorations
- Use of photography to triage treatment and build trust
- Building teeth from the inside out for maximum tooth longevity

You will do the following in the hands-on direct composite workshop:

- Step-by-step bonding protocol from tooth cleaning to finishing
- Fabrication of simple and complex posterior
- Composite restorations, including essential matrix systems
- Polishing techniques to high shine restorations

Topics covered in this program include:

- Durable direct composites
- Predictable composites
- Bonding agents: what to choose, what not to choose
- Polishing systems that create routine high shine
- Cementation system
- Composite matrices
- Immediate extraction temporization

Hotel Accommodations

Please call **(504) 941-8193** to inquire about possible hotel room block availability.

Registration Fee

\$795 (Dentist)

SAVE \$169

If you haven't taken this Foundational Posterior Course or The Level II Anterior Course previously, Dr. Bruce LeBlanc recommends that it is a better learning experience if you take this posterior course first and the anterior course on June 15, 2018 second. **Save a total of \$169** (i.e., save \$79.50 on this course and \$89.50 on the Level II, Anterior course) when you register for both courses at the same time by **January 31, 2018**. To take advantage of this offer, call **(504) 941-8193** to register. Do not register online.

About the Presenters

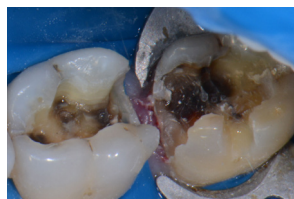

Bruce J. LeBlanc, DDS, a general dentist practicing in Baton Rouge and Morgan City, LA, lectures and has written for publications nationally and internationally on the subject of maximized adhesive solutions. He will present the adhesive lecture and the 6-hour hands-on component of the course.

John M. Barksdale, Jr., DDS, a general dentist practicing in Baton Rouge, LA, is an AACD-accredited member with fellowships in implant dentistry. He lectures nationally on concepts that combine esthetic excellence with implant placement. He will present techniques for immediate temporization of extraction sites with fixed long-term temporization, using maximized adhesive techniques.

Mike Robichaux, DDS, a general dentist practicing in Slidell, LA, lectures nationally on practice concepts that build trust between dentists, staff, and patients with lower practice stress. His presentation focuses on the use of photography combined with emotional intelligence behavioral skills.

Bonded posterior restorations

Durable direct composites

Cancellation & Refund Policy: The Louisiana Academy of Continuing Dental Education, Inc./ (d/b/a: LSU Health New Orleans Continuing Dental Education) reserves the right to cancel any course should circumstances warrant such action. In the event a course is cancelled, the Academy will refund the full tuition. If you cancel your registration for this course, the Academy will refund the tuition you paid (minus an administrative cancellation fee). We must receive your written cancellation request **no later than February 16, 2018** by mail, fax at (504) 941-8403, or email at info@lsucde.org. If LSU Health New Orleans CDE receives notification of your cancellation after February 16, 2018, this will result in forfeiture of the entire tuition. **Nonrefundable Airline Ticket, Flight Change, or Hotel Reservation:** The Louisiana Academy of Continuing Dental Education, Inc./ (d/b/a: LSU Health New Orleans Continuing Dental Education) cannot be held responsible for the cost of a nonrefundable airline ticket, flight change, or hotel room reservation in the event a course is cancelled or rescheduled. **New Knowledge Related to Dental Practice:** Dental education and dental continuing education programs have an obligation to disseminate new knowledge related to dental practice. In so doing, some presentations may include controversial materials or commercial references. Participants are cautioned about the potential risks of using limited knowledge when incorporating techniques and procedures into their practices, especially when the course or program has not provided them with supervised clinical experience in the technique or procedure to ensure that they have attained competence. Providership or partial providership of a continuing education course by LSU Health New Orleans Continuing Dental Education does not necessarily imply endorsement of a particular philosophy, procedure, or product. **Please: NO RECORDING DEVICES IN LECTURE ROOM OR LAB, AND TURN MOBILE PHONES OFF.**
