Welcome to the largest dental meeting in Texas!

This year's Texas Meeting will have a heavy emphasis on a healthy mouth, healthy body, and healthy practice.

Come experience all that this exceptional meeting has to offer. We have a world-class lineup of educational

speakers, entertainment for the whole team, and a fun-filled exhibit hall with new innovative gadgets and goods. Whether you are a seasoned professional or young and energetic, this program will bring a new passion to clinical practice and business advancement.

- Earn your required CE credits, including TSBDE requirements for treating sleep apnea and the new laser education courses for both dentists and hygienists.
- Shop for new equipment from hundreds of exhibitors with special discounted show prices.
- Reconnect with classmates and friends at the Texas Party on Thursday and exhibit hall happy hours on both Thursday and Friday.
- Get yourself healthy after listening to some of our most fit professionals in North America, like Dr. Uche Odiatu, Bethany Valachi, and 'Ironman' Dr. Ken Hargreaves.
- Grow your practice and your profit after being inspired by Lois Banta and Rebecca Wilder.

The 2016 hotel block is already open. Get the hotel of your choice by registering yourself, family members and staff by clicking on the Hotels and Travel tab of the Texas Meeting website. Meeting registration opens January 4, 2016.

ADA C.E.R.P.[®] | Continuing Education Recognition Program

TDA is an ADA CERP Recognized Provider

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve nor endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

TDA designates each educational course for a specified number of CE units.

Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at ada.org/cerp.

Course Disclaimers

The Texas Dental Association (TDA) makes every effort to present high caliber speakers in their respective areas of expertise. Seminars of the TDA are offered as information only and not as financial, accounting, legal, or other professional advice. Attendees must consult with their own professional advisors for such advice. The ideas and comments expressed during the seminars are not necessarily endorsed by or those of the TDA.

All participants are cautioned about the risks of using new techniques, especially in courses that have not provided them with supervised clinical experience.

All programs may be subject to change due to circumstances beyond our control.

Fulfill your TSBDE laser requirements *at the* 2016 Texas Meeting

At the 2016 Texas Meeting, we are offering all the courses you need to fulfill the new TSBDE continuing education laser requirements for Dentists and Hygienists!

Dentists supervising dental hygienists using lasers must have laser education and training that, at a minimum, meets the education requirement for dental hygienists (no less than 12 hours).

Dental hygienists must complete no less than 12 hours of in-person continuing education specific to the procedures being performed by the dental hygienist with the laser. Three of the 12 hours must include clinical simulation in laser training specific to dental hygiene procedures.

To fulfill your lecture and clinical requirements we offer the following:

on THURSDAY

Amber Riley, RDH, MS

Conflict of Interest Disclosure: Colgate; Philips, Johnson & Johnson, Lexi-Comp, Inc.

Karen Troendle, DDS is a professor in the Department of Comprehensive Dentistry at the University of Texas Health Science Center San Antonio. She has over 35 years of teaching experience in prosthodontics and restorative dentistry. [See page 42.](#)

Bethany Valachi, PT, MS, CEAS is a physical therapist whose career took an abrupt detour after marrying a dentist with chronic low back pain. She now works full time as a dental ergonomic speaker/consultant and is founder and CEO of Posturedontics, a company that provides research-based dental ergonomic education and evaluates dental products.

[See pages 33, 34, & 51.](#)

Thomas Viola, RPH, CCP is a member of the faculty of 7 dental hygiene and dental assisting programs, as well as several national board exam review courses. He is a contributor to numerous dental professional journals, with columns appearing regularly in AGD Impact and RDH Magazine. [See pages 34 & 51.](#)

Brenda Walker is the Regional Director for Provider Relations for DentaQuest Texas and Colorado. She is a Lean Six Sigma Certified Green Belt with extensive experience as a business analyst and administrator for state-sponsored programs. [See page 37.](#)

Marilyn Ward, DDS, FAGD has published and presented nationally and internationally on porcelain restorations, bleaching, dental materials and lab communications. She is currently the Global Director of Education for Discus Dental, headquartered in Los Angeles, California. [See pages 34 & 52.](#)

Rebecca Wilder, BSDH, MS serves as the director of the Master of Science Degree Program in Dental Hygiene Education and the interim director of the undergraduate dental hygiene programs at The University of North Carolina. She taught periodontology to dental hygiene students for 10 years and currently teaches management/administration and thesis/research design.

[See page 35.](#) Conflict of Interest Disclosure: IZW Pharmaceuticals; Johnson & Johnson; Colgate; Procter & Gamble

Jill Yeager has been working in dentistry for 35 years. She has been speaking in Texas for the Greater Houston Dental Society and UTHSC Dental Branch Houston and working with offices on compliance issues (OSHA, HIPAA, Radiation Safety & CPR) since 1988. She understands the realities of compliance because she faces those challenges on a daily basis. [See pages 35 & 52.](#)

Martin Zase, DMD, MAGD, AACD is a guest lecturer at dental schools, editorial reviewer for dental magazines,

L-R: Drs Anne Lyon, Summer Ketron, Lisa B. Masters

L-R: Drs Edwin A. McDonald III, Craig S. Armstrong, Randy Mellard

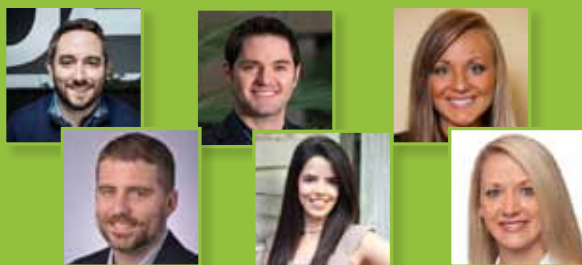

New Dentist Program

For dentists who graduated from dental school in 2006 or later

Dental Relationships & Dental Businesses: *How to Make it All Work*

FRIDAY, MAY 6 | 1:30-4:30

COURSE highlights

THURSDAY

DR. UCHE ODIATU

The Wellness Advantage:
Your Value-Added Practice

Course Code: T34 | 9:00-12:00

DR. PARESH SHAH

Pearls for Everyday Practice
– Esthetics & Beyond

Course Code: T44 | 8:30-11:30

DR. MATTHEW KRIEGER

High Profit PPO Practice

Course Code: T28 | 2:00-5:00

DR. GREGORY GILLESPIE

Direct and Indirect
Restorative Update: What
Should I Be Using Today?

Course Code: T18 | 1:00-4:00

FRIDAY

DR. EDWARD P. ALLEN

Soft Tissue Surgery in
Esthetic Dentistry

Course Code: F02 | 8:00-11:00

MS. AMBER RILEY

50 Shades of Green: Forensic
Dentistry in the 21st Century

Course Code: F72 | 8:00-11:00

DR. KENNETH HARGREAVES

Successful Management of
Acute Dental Pain

Course Code: F26 | 2:00-5:00

DR. ROBERT MARGEAS

From Single Tooth to Full
Mouth Reconstruction Using
Implants

Course Code: F44 | 1:30-4:30

SATURDAY

DR. JANE SOXMAN

Know When to Hold 'Em
and Know When to
Fold 'Em

Course Code: S15 | 8:30-11:30

DR. MICHAEL GLICK

Treatment of the Medically
Complex Dental Patient -
Assessment and Protocols

Course Code: S04 | 8:00-11:00

THURSDAY COURSES

PANEL DISCUSSION

Practice Start Up for New Dentists

Course Code: T01 8:00-11:00

Dentist - \$40, Hygienist - \$30, Staff - \$25

AGD Subject Code: 550

Intended Audience: D

*CE Hours 3

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Understand how to use space effectively while gaining efficiencies through the use of technology
- Avoid first practice “pit-falls” and learn how planning early can lead to a successful practice
- Understand practice financing options, develop a business plan and identify the best location for your practice

Educational Funding Provided by TDA Perks Program

Attendees will join “Practice Transitions for Dentist” for a Q and A session for the last part of the seminar.

PANEL DISCUSSION

Practice Transitions for Dentists

Course Code: T02 8:00-11:00

Dentist - \$40, Hygienist - \$30, Staff - \$25

AGD Subject Code: 550

Intended Audience: D

*CE Hours 3

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Properly prepare your practice for transition
- Understand practice financing options for both buyer and seller
- Avoid common “pit-falls” of selling a practice

Educational Funding Provided by TDA Perks Program

Attendees will join “Practice Start Ups for New Dentist” for a Q and A session for the last part of the seminar.

EDWARD P. ALLEN, DDS, PhD

Soft Tissue Surgery in Esthetic Dentistry

Course Code: T03 1:00-4:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 492

Intended Audience: ALL

*CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Describe the limitations of “flapless” osseous surgery for crown lengthening
- Discuss the indications for grafting or restoring cervical lesions
- Discuss the special considerations for soft tissue grafting around implants

GARY BADGER, DDS, MS

The Pediatric & Special Needs Patient Protective Stabilization-Certification

Course Code: T04 8:00-5:00

\$245

AGD Subject Code: 436

Intended Audience: D | A | H | ST | BA

* CE Hours 8 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Identify traditional behavior techniques
- Apply protective stabilization when applicable
- Know when to refer for care

LOIS BANTA**No Games: Tracking Collections and Accounts Receivables****Course Code: T05 9:30-12:30**

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 552

Intended Audience: D | A | H | ST | BA

***CE Hours 3**

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Identify different listening styles
- Narratives and other secrets
- Heading off legal and malpractice issues

LOIS BANTA**High Impact Communications****Course Code: T06 2:00-5:00**

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 557

Intended Audience: D | A | H | ST | BA

***CE Hours 3**

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Verbal scripts for handling objections
- Addressing effective hand-off communication skills between departments
- Communications skills for addressing tough situations in the clinical and administrative departments

SHANNON PACE BRINKER, CDA, CDD**Excellence in Dental Assisting Part I****Course Code: T07 8:30-11:30**

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 551

Intended Audience: ALL

*** CE Hours 3 – Meets TSBDE Requirements****LEARNING OBJECTIVES**

- Anterior Provisionals
- Posterior Provisionals
- Whitening: Pre-filled Strips
- Custom Tray, and In-office
- Rubber Dam Placement
- Isolation and Matrix Band Placement

SHANNON PACE BRINKER, CDA, CDD**Excellence in Dental Assisting Part II****Course Code: T08 1:30-4:30**

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 551

Intended Audience: ALL

*** CE Hours 3 – Meets TSBDE Requirements****LEARNING OBJECTIVES**

- Cementation of Restorations
- Cord Placement and Hemostasis
- Digital Photography
- Impression Technique
- Infection Control and Sterilization Techniques
- Laboratory Communication
- Denture and Partial (From Adjustments to Relines)
- The Art of CAD/CAM

Part I Recommended But Not Required

THURSDAY COURSES

SARAH CONROY, DDS, RDH

Obtaining Accurate Alginate Impressions and Model Pouring—Hands On Workshop

Course Code: T11 8:30-11:30

\$145

AGD Subject Code: 551

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

Repeated course:

Course Code: T12 1:30-4:30

LEARNING OBJECTIVES

- Techniques for taking and evaluating alginate impressions
- Introduce different types of alginate materials and methods of mixing alginate
- Model pouring techniques

JOCELYN COUPAL, JD

The Role of the Dental Professional in Domestic Violence Recognition and Intervention

Course Code: T13 1:00-4:00

Dentist - \$50, Hygienist - \$40, Staff - \$30

AGD Subject Code: 156

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand the dynamics of domestic violence and recognize the presenting signs in a patient
- Conduct a guided interview of a patient and document the results
- Make appropriate referral and inform the patient about safety planning and resources in the community

CYNTHIA FONG, RDH, MS

Formulating the Ultrasonic Debridement Treatment Plan

Course Code: T14 9:00-12:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 495

Intended Audience: D | H

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Discuss the fundamentals of power scalers and their use to achieve complete periodontal debridement
- Generate a comprehensive power scaling treatment plan that meets the nonsurgical periodontal treatment needs of the patient
- Describe the appropriate treatment sequencing that will enable the patient to achieve periodontal health

CYNTHIA FONG, RDH, MS**Straightforward Ultrasonic Instrumentation—
Hands On Workshop**

Course Code: T15 2:00-5:00

\$175

AGD Subject Code: 495

Intended Audience: D | H | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Describe the appropriate instrumentation criteria used for ultrasonic debridement
- Discuss the properties associated with power scalers and their impact on clinical technique
- Demonstrate the correct instrumentation to properly use and adapt power scaling inserts for the purposes of complete periodontal debridement

Supplies Needed: Attendees to bring 1 double ended anterior Gracey curette (either 1/2,5/6, or 7/8) and 2 double ended posterior Gracey curettes (11/12 and 13/14 or 15/16 and 17/18). Instruments do not need to be sterilized.

GREGORY GILLESPIE, DDS**Direct and Indirect Restorative Update:
What Should I Be Using Today?**

Course Code: T18 8:30-11:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 269

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand the impact of universal bonding agent systems on indirect and direct dentistry
- Clarify all ceramic systems including lithium disilicate, layered and full contour Zirconia, PFM's, and their indications
- Understand proper use of all cements including RMGI's, self-adhesive resins, universal
- Cementation Systems, and etch and rinse resins
- Discuss the advantages and disadvantages of bulk fill composites

Educational Funding Provided by: DENTSPLY Caulk

GREGORY GILLESPIE, DDS**New Products: When Do I Make the Switch?**

Course Code: T59 1:30-4:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 017

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn about bulk fill composites
- Understand 4th-7th generation bonding systems including the latest "universal" bonding systems
- Learn about the latest in nano hybrid composite systems and their placement
- Become familiar with the use of today's current cements

Educational Funding Provided by: DENTSPLY Caulk

JIM GRISDALE, DDS**Basic and Advanced Suturing Techniques for
the General Practitioner**

Course Code: T19 9:00-12:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 492

Intended Audience: D | H | A | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Discuss the basic principles of wound healing
- Understand the principles and goals of suturing
- Learn the different types of suturing
- Gain necessary knowledge for predictable wound closures for various surgical procedures

THURSDAY COURSES

JIM GRISDALE, DDS

Basic and Advanced Suturing Techniques for the General Practitioner – Hands On Workshop

Course Code: T20 2:00-5:00

\$245

AGD Subject Code: 492

Intended Audience: D | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn choices in suturing materials
- Learn characterizations of the ideal suture
- Learn what suture instruments are required

Prerequisite: Course T19, Basic and Advanced Suturing Techniques for the General Practitioner

KENNETH HARGREAVES, DDS

Managing the Persistent Endodontic Infection

Course Code: T21 9:30-12:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 079

Intended Audience: D | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Describe a practical method that combines non-pharmacological treatment with the appropriate antibiotics for managing dental infections
- Understand the growing recognition of bacterial strains resistant to current antibiotics and be able to describe how to manage this problem
- Describe clinical outcome studies comparing one appointment to multiple appointment procedures

KENNETH HARGREAVES, DDS

Regenerative Endodontics

Course Code: T22 2:00-5:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 074

Intended Audience: D | H | A | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Describe the 3 major steps in tissue engineering and how they apply to regenerating the pulp-dentin complex
- Understand the clinical principles needed for regenerative endodontic procedures
- Be able to describe clinical outcomes of successful regenerative endodontic procedures

ARTHUR JESKE, DDS WITH KELLY HALLIGAN, DDS

Dental Office Emergency Preparation

Course Code: T23 9:00-12:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 142

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Review rules and regulations applicable to dental office emergency management
- Review indications and actions of basic emergency drug and their route(s) of administration
- Review the recognition and prevention of common medical emergencies

Repeated course:

Course Code: T24 2:00-5:00

WARREN KARP, PhD, DMD**The Diet to Promote Health and Prevent Disease****Course Code:** T25 1:00-4:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 150

Intended Audience: ALL

***CE Hours 3**

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- To learn the most up-to-date recommendations relating diet and nutrition to health promotion and disease prevention
- To understand the scientific basis of preventive nutrition and healthy diets
- To learn the difference between evidenced-based and non-evidenced based nutritional science

MARK KLEIVE, DDS**A Picture is Worth 2 Words: Case Acceptance****Course Code:** T26 9:30-12:30

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 138

Intended Audience: D | A | H | ST | BA

***CE Hours 3**

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Select the right digital camera for your practice
- Master 6 essential dental photographic images
- Integrate digital photography easily in your practice
- Improve case acceptance

MARK KLEIVE, DDS**The Fun Way to Proficiency With Digital Dental Photography – Hands On Workshop****Course Code:** T27 2:00-5:00

\$95

AGD Subject Code: 138

Intended Audience: D | A | H | ST | BA

***CE Hours 3**

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Master the 6 essential dental photographic images for patient communication
- Integrate digital photography into your practice
- Use digital imaging for patient education and case acceptance

Supplies Needed: mirrors, retractors, and bring camera if you have one available.

MATTHEW KRIEGER, DMD**High Profit PPO Practice****Course Code:** T28 2:00-5:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 554

Intended Audience: ALL

***CE Hours 3**

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- The most critical statistics that most practices don't track
- How to reduce your overhead by 10% without cutting costs
- Eliminating the bottleneck in your practice
- How to turn \$100 into \$120,000 in profit

THURSDAY COURSES

GERARD KUGEL, DDS, MS, PhD

Esthetic Dentistry: Materials and Techniques

Course Code: T29 9:00-12:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 250

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn the limitations of materials as well as the best options for different clinical situations
- Learn the importance of understanding occlusion as it relates to your choice of materials
- Learn the evidence as it related to new bonding systems

GERARD KUGEL, DDS, MS, PhD

The Dos and Don'ts of Porcelain Laminate Veneers – Hands On Workshop

Course Code: T30 2:00-5:00

\$245

AGD Subject Code: 253

Intended Audience: D | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand elements involved with treatment planning and case selection
- Fabricate a veneer preparation reduction guide and silicone temporary shells
- Review the proper techniques for cementation

DENIS P. LYNCH, DDS, PhD

Oral Cancer and Related Premalignancy

Course Code: T31 8:30-11:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 736

Intended Audience: D | A | H | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Know the etiology and epidemiology of oral cancer
- Understand the clinical manifestations of oral cancer
- Describe the role of screening technology for oral premalignancy
- Learn the diagnostic techniques for oral cancer
- Discuss the management strategies for oral cancer and cancer treatment
- Know the long term prognosis for oral cancer

DENIS P. LYNCH, DDS, PhD

Diagnosis and Treatment of Recurrent Oral Ulcers

Course Code: T32 1:30-4:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 741

Intended Audience: D | A | H | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Know the similarities and differences between aphthous ulcers and recurrent herpetic infections
 - Learn the similarities and differences between mucous membrane pemphigoid and pemphigus vulgaris
 - Discuss the clinical signs and symptoms of lichen planus
 - Understand the diagnostic criteria and tests used to differentiate recurrent oral ulcers
 - Know the therapeutic options available to treat recurrent oral ulcers
-

AMR MOURSI, DDS, PhD**Behavior Guidance For The Most Challenging Patients Part I****Course Code: T58**

1:30-4:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 433

Intended Audience: ALL

* **CE Hours 3** - Meets TSBDE Requirements**LEARNING OBJECTIVES**

- Accurately assess a child's development, temperament, personality and fears
- Anticipate, and prepare for, a child's behavior and response to dental treatment
- Apply basic behavior guidance techniques for infants, children, adolescents, and persons with special health care needs

Educational Funding Provided by: Texas Academy of Pediatric Dentists**BRAD NEWMAN****Social Media for Dentists****Course Code: T33 1:00-4:00**

Dentist - \$50, Hygienist - \$40, Staff - \$30

AGD Subject Code: 561

Intended Audience: ALL

***CE Hours 3**

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Maintain social media conversation that is fresh, likeable, and targeted for the right audience
- Learn what type of social media content works best and how to encourage engagement with your audience
- Create a more dynamic and unique online presence while improving page rank on Google conversation

UCHE ODIATU, DMD**The Wellness Advantage: Your Value-Added Practice****Course Code: T34 9:00-12:00**

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 150

Intended Audience: ALL

***CE Hours 3**

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Identify the refined foods and yo-yo diet habits that hamper our body's healing ability
- Combat stress that saps you and your patients' immune system
- Add wellness dimension to your practice and build referrals from allied health professionals

*Repeated course:***Course Code: T35 2:00-5:00**

THURSDAY COURSES

JEFFREY OKESON, DMD

TMD, Occlusion, and Orofacial Pain

Course Code: T36 8:00-11:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 201

Intended Audience: D | A | H | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn to differentiate TMD from other pain disorders felt in the facial region
- Learn the relationship of occlusion to temporomandibular disorders
- Describe etiologic factors that can be related to temporomandibular disorders

JEFFREY OKESON, DMD

The Non-Odontogenic Toothache

Course Code: T37 1:00-4:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 201

Intended Audience: D | A | H | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn the mechanisms that are reasonable for non-odontogenic toothaches
- Learn to differentiate a variety of non-odontogenic toothaches by their unique clinical characteristics
- Learn the management considerations for seven non-odontogenic toothaches

THEODORE PASSINEAU

Dentistry by the Numbers: A Claims Data Analysis in Risk Reduction Solutions

Course Code: T38 8:30-11:30

Dentist - \$40, Hygienist - \$30, Staff - \$25

AGD Subject Code: 159

Intended Audience: D | A | H | ST | BA

*CE Hours 3

Not qualified to meet TSBDE Requirements

Repeated course:

Course Code: T39 1:30-4:30

LEARNING OBJECTIVES

- Differentiate between the non-compliant and difficult patient
- List environmental, clinical, and dentist factors commonly associated with non-compliant and difficult patients
- Describe methods you can use to improve working relationships with difficult and non-compliant patients
- Summarize the process for discharging a patient from your practice

Educational Funding Provided by: Medical Protective

KAREN RAPOSA, RDH, MBA

The Special Patient with Autism and/or Anxiety... How You Can Help?

Course Code: T40 8:30-12:30

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 436

Intended Audience: D | A | H | ST | BA

* CE Hours 4 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Basic understanding of Autism Spectrum Disorder (ASD)
- How to assess the patient's abilities
- Techniques for treatment that encompass creativity of the latest technology

MICHAEL RAY, DDS, MPH**Oral Surgery Update 2016**

Course Code: T56 8:30-11:30

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 310

Intended Audience: D | A | S

* CE Hours 3 – Meets TSBDE Requirements

Repeated course:

Course Code: T57 1:30-4:30

LEARNING OBJECTIVES

- Discuss prevention and management of medication-related osteonecrosis of the jaw (MRONJ)
- Present updated guidelines on antibiotic prophylaxis for cardiac and total joint replacement patients
- Provide an overview and management techniques for new biopharmaceuticals (biologics), oral anti-diabetic agents and anticoagulant/ antiplatelet agents
- Discuss nerve injuries resulting from local anesthesia and review current literature
- Present effective communication strategies with other dental and medical providers when referral or medical consultation is appropriate

Educational Funding Provided by: Texas Society of Oral and Maxillofacial Surgeons

AMBER RILEY, RDH, MS**Twenty First Century Laser-Assisted Dentistry & Periodontal Therapy**

Course Code: T60 8:00-12:00

\$95

AGD Subject Code: 135

Intended Audience: D | H | ST

* CE Hours 4 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand dental laser soft and hard tissue applications and clinical procedures for both the dentist and dental hygienist
- Understand laser history, safety, physics, clinical applications and procedures in the dental office
- Understand the different types of dental lasers available on the market today and be able to select the laser that best suits their need

AMBER RILEY, RDH, MS**Twenty First Century Laser-Assisted Dentistry & Periodontal Therapy Hands-On Workshop**

Course Code: T41 2:00-5:00

\$495

AGD Subject Code: 135

Intended Audience: D | H | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn basic dental laser safety and physics
- Learn clinical applications of soft tissue lasers
- Learn to use a dental laser (hands on) in a simulated periodontal environment

BRET ROYAL**CBCT: Take 3D Images to the Next Level In Your Practice**

Course Code: T67 8:00-11:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 165

Intended Audience: D | A | H | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn basic software functions to diagnose
- Software manipulation for edentulous measurements
- Explore tools to find periapical and furcation lesions
- Learn how to integrate digital files to enhance CBCT
- Provide simplified workflows to integrate guided implant surgery

Repeated course:

Course Code: T68 1:00-4:00

THURSDAY COURSES

RONNI SCHNELL, DMD

Go Ahead...Bite Into That Apple! Diagnosing for Success, Avoiding Complications with Implant-Assisted Overdentures

Course Code: T42 9:00-12:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 673

Intended Audience: D | A | H | LT | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Diagnosis, treatment planning, and sequencing
- Space analysis, templates, and abutment and attachment considerations
- Clinical case application and troubleshooting

RONNI SCHNELL, DMD

The Nuts and Bolts of Implant-Assisted Overdentures—Hands On Workshop

Course Code: T43 1:30-4:30

\$245

AGD Subject Code: 673

Intended Audience: D | A | H | LT | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Measure trans-gingival width
- Proper abutment/attachment selection
- Place and torque implant overdenture abutments
- Retrofit a denture to an attachment

PARESH SHAH, DMD

Pearls for Everyday Practice - Esthetics & Beyond

Course Code: T44 8:30-11:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 250

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Evaluate various direct and indirect materials so as to select the most appropriate for each situation
- Practical restorative techniques to simplify the restoration of your cases
- Overcome esthetic challenges
- Practical techniques to improve implant esthetics

Educational Funding Provided by: DENTSPLY Caulk

PARESH SHAH, DMD

The Magic of Composites—Foundation & Esthetics

Course Code: T45 1:30-4:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 250

Intended Audience: D | A | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Practical layering techniques to make your anterior direct restorations more natural-looking
- Techniques to reproduce natural contours for your anterior restorations
- Treat diastemas, mal-aligned, and discolored teeth
- Principles of shade and color matching

Educational Funding Provided by: DENTSPLY Caulk

CARY SMITH, CIC**The Law of Teeth and Compliance****Course Code: T65 8:30-11:30**

Dentist - \$40, Hygienist - \$30, Staff - \$25

AGD Subject Code: 555

Intended Audience: ALL

*** CE Hours 3**

Not qualified to meet TSBDE Requirements

*Repeated course:***Course Code: T66 1:30-4:30****LEARNING OBJECTIVES**

- Outline the critical compliance programs for dental offices in Texas
- Teach the practitioner and office staff the importance of compliance
- Reveal systems to avoid the cost of non-compliance

ANN SPOLARICH, RDH, PhD**The Older Adult: The New Face of Addiction****Course Code: T46 9:00-12:00**

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 157

Intended Audience: ALL

*** CE Hours 3 – Meets TSBDE Requirements****LEARNING OBJECTIVES**

- Identify substances commonly abused by elderly individuals
- Understand normal physiologic changes of aging that impact drug pharmacokinetics
- Identify strategies that can be used to reduce oral and systemic disease risks among elderly individuals with a history of substance abuse

ANN SPOLARICH, RDH, PhD**Caring for the Geriatric Patient: Pharmacologic Considerations for Oral Health Care Professionals****Course Code: T47 2:00-5:00**

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 752

Intended Audience: D | A | H | ST | BA

*** CE Hours 3 – Meets TSBDE Requirements****LEARNING OBJECTIVES**

- Describe common oral disorders observed in the elderly population, including chronic dry mouth, taste and smell disorders, orofacial muscular disorders, and lichenoid drug reactions
- Discuss how the normal physiologic processes of aging affect pharmacokinetics
- Describe modifications necessary to safely treat older adult patients who present for oral health care.

BETHANY VALACHI, PT, MS, CEAS**Demystifying Pain Among Women in Dentistry****Course Code: T48 9:00-12:00**

Dentist - \$40, Hygienist - \$30, Staff - \$25

AGD Subject Code: 770

Intended Audience: D | A | H | ST | BA

*** CE Hours 3 – Meets TSBDE Requirements****LEARNING OBJECTIVES**

- Understand why women experience more pain than men
- Identify how muscle imbalances can cause neck and shoulder pain among female dental professionals
- Identify and implement interventions for pain syndromes that are common among female dental professionals, including osteoarthritis of the thumb, hip pain, carpal tunnel syndrome, thoracic outlet syndrome, rotator cuff tendinitis, De Quervain, lateral epicondylitis & tension neck syndrome

THURSDAY COURSES

BETHANY VALACHI, PT, MS, CEAS

Practice Dentistry Pain-Free

Course Code: T49 2:00-5:00

Dentist - \$40, Hygienist - \$30, Staff - \$25

AGD Subject Code: 770

Intended Audience: D | A | H | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand the etiology of work-related pain in dentistry to make health-wise choices in the operatory & at home
- Identify and implement appropriate ergonomic interventions for chronic back, neck & shoulder pain
- Identify the 3 essential ergonomic criteria for selecting loupes that will improve health — not make it worse!
- Properly select and adjust delivery systems, stools and chairs depending on operator size & job-type

THOMAS VIOLA, RPh, CCP

Unbreak My Heart: Cardiovascular Disease and Its Dental Consideration

Course Code: T50 1:30-4:30

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 016

Intended Audience: D | A | H | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- List the different classes of antihypertensive agents including pharmacologic effects and adverse reactions
- Define cardiovascular disease and review the classes of medications used in their treatment along with pharmacologic effects, adverse reactions and dental implications
- Discuss the mechanism of action of anticoagulants and antiplatelet agents including their adverse reactions and patient care considerations.
- Describe the various dental treatment modifications necessary for patients with cardiovascular disease

MARILYN WARD, DDS, FAGD

Brighter Ways to Whiten: Recent Advances in Professional Teeth Whitening

Course Code: T51 8:30-11:30

Dentist - \$40, Hygienist - \$30, Staff - \$25

AGD Subject Code: 781

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand guidelines for diagnosis and treatment planning of tooth whitening
- Proactively control tooth sensitivity, learn about whitening options, safety and the science of color measurements
- Gain knowledge of the latest clinic research on chemical versus light activated peroxide

Educational Funding Provided by: Philips Sonicare

MARILYN WARD, DDS, FAGD

Strategies & Techniques to Take Advantage of the Latest Whitening Technologies—Hands On Workshop

Course Code: T52 1:30-4:30

\$95

AGD Subject Code: 781

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand which form of peroxide to choose for your patient based on diagnosis of stain, lifestyle, and habits
- Detailed instructions for ideal tissue isolation, safety and sensitive management for in-office whitening
- Take-home tray fabrication tips to ensure patients' compliance and comfort

Educational Funding Provided by: Philips Sonicare

REBECCA WILDER, BSDH, MS**Top Trends in Periodontology****Course Code:** T53 9:00-12:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 495

Intended Audience: D | H

* **CE Hours 3** – Meets TSBDE Requirements**LEARNING OBJECTIVES**

- Current evidence about oral-systemic disease
- Evidence based therapies to use for nonsurgical periodontal therapy
- Latest evidence regarding new therapies and products for the treatment of periodontal disease

Educational Funding Provided by: Crest Oral-B**REBECCA WILDER, BSDH, MS****How Can I Say What You Need to Hear?****Course Code:** T54 1:30-4:30

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 557

Intended Audience: A | H

***CE Hours 3**

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Motivational strategies to use with patients to achieve better compliance/adherence
- The behavioral styles exhibited by most patients and coworkers
- Communication strategies to use with patients and team members to provide better care to all patients

Educational Funding Provided by: Crest Oral-B**JILL YEAGER****Dirty Little Secrets—
Infection Control in the Dental Office****Course Code:** T61 9:00-12:00

Dentist - \$40, Hygienist - \$30, Staff - \$25

AGD Subject Code: 148

Intended Audience: ALL

* **CE Hours 3** – Meets TSBDE Requirements**LEARNING OBJECTIVES**

- Evaluate your reception room, operatories, and sterilization areas
- Increase the effectiveness of your infection control efforts
- Manage your safety programs
- Eliminate your “Dirty Little Secrets”

*Repeated course:***Course Code:** T62 2:00-5:00**MARTY ZASE, DMD, MAGD, AACD****Zero Sensitivity Bleaching****Course Code:** T55 1:00-4:00

Dentist - \$50, Hygienist - \$40, Staff - \$30

AGD Subject Code: 781

Intended Audience: D | A | H | ST | BA

* **CE Hours 3** – Meets TSBDE Requirements**LEARNING OBJECTIVES**

- Learn the protocols for delivering whitening with zero sensitivity
- Understand the cause of “bleaching” sensitivity and learn how to prevent it
- Learn the best ways to present whitening to patients to maximize success

FRIDAY COURSES

NEW DENTIST PANEL

Dental Relationships and Dental Businesses: How to Make it All Work

Course Code: F01 1:30-4:30

Dentist - \$40, Hygienist - \$30, Staff - \$25

AGD Subject Code: 550

Intended Audience: D

*CE Hours 3

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- How to balance your professional life with your personal life as a new dentist
- Can you have it all?
- Open Q&A with panel on how they make it work

EDWARD P. ALLEN, DDS, PhD

Soft Tissue Surgery in Esthetic Dentistry *(Repeat)*

Course Code: F02 8:00-11:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 492

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Describe the limitations of “flapless” osseous surgery for crown lengthening
- Discuss the indications for grafting or restoring cervical lesions
- Discuss the special considerations for soft tissue grafting around implants

JOHN ALONGE, DDS, MS

Practical Oral Surgery for the General Dentist

Course Code: F03 8:30-11:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 317

Intended Audience: D | A | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Pertinent medical management issues
- Anxiety and pain control
- Dentoalveolar surgery, introducing atraumatic technique concepts and armamentarium
- Socket preservation grafting

JOHN ALONGE, DDS, MS

Differential Diagnosis of Oral Lesions – Hands On Workshop

Course Code: F04 1:30-4:30

\$245

AGD Subject Code: 739

Intended Audience: D | A | H | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Apply practical and useful review of the diagnostic terminology and sequence necessary to formulate a differential diagnosis
- Appreciate practical methodology to help refine clinical diagnoses
- Formulate differential diagnosis on soft tissue and radiographic lesions

Prerequisite: Course Code F03, Practical Oral Surgery for the General Dentist

LINDA ALTENHOFF, DDS**The Impact of Fraud, Waste, and Abuse on Medicaid/CHIP Dental in Texas****Course Code: F05 9:00-12:00**

Dentist - \$40, Hygienist - \$30, Staff - \$25

AGD Subject Code: 555

Intended Audience: ALL

***CE Hours 3**

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Understand the impact that fraud, waste, and abuse has on healthcare programs, providers, patients, and taxpayers
- Be introduced to the concept and importance of implementing a compliance program within dental practices
- See examples taken from dental records that support the importance of having an ongoing, interactive compliance program to reduce the incidence of unintentional waste and abuse and/or intentional healthcare fraud

Educational Funding Provided by Committee on Access to Dental Care, Medicaid, and CHIP.

**MONICA ANDERSON, DDS,
BRENDA WALKER, & CARLOS GARCIA, DMD****Medicaid and the Children's Health Insurance Program****Course Code: F06 2:00-5:00**

Dentist - \$40, Hygienist - \$30, Staff - \$25

AGD Subject Code: 554

Intended Audience: ALL

***CE Hours 3**

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Understand use of each dental plan's web portal for member eligibility verification and claims administration
- Understand electronic credentialing and recredentialing process for each dental plan

Educational Funding Provided by Committee on Access to Dental Care, Medicaid, and CHIP.

LOIS BANTA**Anatomy of a Winning Team—
A Recipe for Success****Course Code: F07 8:00-11:00**

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 550

Intended Audience: D | A | H | ST | BA

***CE Hours 3**

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Create contagious positive atmospheres
- Simplify systems and protocols for team development
- Design and implement effective morning huddles and staff meetings

FRIDAY COURSES

JUDY BENDIT, RDH, MS

Smarten Up Sharpen Up!—Hands On Workshop

Course Code: F08 8:30-11:30

\$95

AGD Subject Code: 495

Intended Audience: H

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Distinguish a “dull” cutting edge from a “sharp” cutting edge
- Extend the life of your instruments by maintaining sharp blades with a minimal amount of grinding
- Select an appropriate sharpening method for your individual situation
- Identify the best time in your busy schedule to sharpen your instruments

JUDY BENDIT, RDH, MS

The Myths, Legends, and Realities of OTC Products

Course Code: F09 1:30-4:30

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 172

Intended Audience: D | H | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Formulate a home care protocol
- Evaluate and discuss the science behind many of the OTC products
- Determine which toothbrush is best for each patient (manual and electric)
- Compare and discuss the current rinses available for in-office and home use

CHARLES BLAIR, DDS

Stay Out of Jail: The Top Coding Errors

Course Code: F10 8:00-11:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 554

Intended Audience: ALL

*CE Hours 3

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Avoid typical errors by practicing predictive error correction
- Know and use clinical protocol sequences
- Understand fee forgiveness, discounting, multiple fees, and more

CHARLES BLAIR, DDS

Stay Out of Jail: Avoiding Coding Errors and Excel In Insurance Administration

Course Code: F11 1:00-4:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 554

Intended Audience: ALL

*CE Hours 3

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Learn through predictive error correction, how to avoid typical coding errors
- Gain knowledge into co-pay forgiveness, discounting, multiple fees, NPI numbers, etc.
- How to handle patient gifts, evaluate and deal with PPOs

SHANNON PACE BRINKER, CDA, CDD**From Our Side of the Chair**

Course Code: F12 8:00-11:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 551

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Choose the right provisional materials for shade-matching
- Explain pre-op impression techniques for easy trimming
- Explain burr selection for fast and accurate trimming and polishing
- Identify carving techniques for realistic anatomy and ideal occlusion
- Change single-tooth provisional to multiple esthetic veneers
- Replicate missing dentition and restore to proper contour and shape with provisionals

SARAH CONROY, DDS, RDH**Provisionals Made Easy – Hands On Workshop**

Course Code: F14 9:00-12:00

\$145

AGD Subject Code: 610

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Latest information on provisional restorations
- Current techniques for fabricating provisional restorations
- Different materials available for fabricating provisionals

Repeated course:

Course Code: F15 2:00-5:00

JOCELYN COUPAL, JD**The Role of the Dental Professional in Domestic Violence Recognition and Intervention (Repeat)**

Course Code: F16 8:00-11:00

Dentist - \$50, Hygienist - \$40, Staff - \$30

AGD Subject Code: 156

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand the dynamics of domestic violence and recognize the presenting signs in a patient
- Conduct a guided interview of a patient and document the results
- Make appropriate referral and inform the patient about safety planning and resources in the community

FRIDAY COURSES

CYNTHIA FONG, RDH, MS

Extrinsic Stain Removal: More Than a Rubber Cup and Polishing Paste

Course Code: F17 8:00-11:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 495

Intended Audience: D | H | A

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Discuss the significance of adopting an essential selective polishing philosophy in clinical practice
- Explain the importance of selecting the appropriate polishing agent based on the patient's oral conditions
- Describe the advantages and disadvantages of using alternative polishing and cleansing agents, including air polishing, for extrinsic stain removal

GREGORY GILLESPIE, DDS

New Products: When Do I Make the Switch? (Repeat)

Course Code: F19 8:30-11:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 017

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn about bulk fill composites
- Understand 4th-7th generation bonding systems including the latest "universal" bonding systems
- Learn about the latest in nano hybrid composite systems and their placement
- Become familiar with the use of today's current cements

Educational Funding Provided by: DENTSPLY Caulk

MICHAEL GLICK, DMD

The Oral-Systemic Health Connection – Where Are We Today?

Course Code: F21 9:00-12:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 018

Intended Audience: D | A | H | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

Repeated Course

Course Code: F22 2:00-5:00

LEARNING OBJECTIVES

- Evaluate studies reporting on association between oral and systemic conditions
- Understand the role of oral infections and general health
- Inform patients about the association between oral infections and their health

COL THERESA GONZALES, DMD, MS, MSS

Oral Cancer...A Contemporary Diagnostic and Treatment Algorithm

Course Code: F23 8:30-11:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 739

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Recognize the signs and symptoms of oral cancer
- Identify areas most common to oral cancer formation
- Describe the various treatment modalities

COL THERESA GONZALES, DMD, MS, MSS**Overcoming the CSI Effect**

Course Code: F24 1:30-4:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 145

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Dentistry's unique role in forensic applications
- Techniques for dental identification
- Strategies for recognizing and reporting child and/or adult abuse

JIM GRISDALE, DDS**Predictable Bone Grafting for Site Preparation for Implants & Prosthetics—Hands On Workshop**

Course Code: F25 8:00-11:00

\$245

AGD Subject Code: 499

Intended Audience: D | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Keys to successful bone grafting
- Why socket preservation and ridge Augmentation
- Bone grafting products
- Advanced extraction therapy
- Utilization of membranes

KENNETH HARGREAVES, DDS**Successful Management of Acute Dental Pain**

Course Code: F26 2:00-5:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 132

Intended Audience: D | A | H | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Describe a fast and efficient routine for managing dental pain emergency patients
- Select the best combination of analgesics to manage dental pain
- Provide effective local anesthesia to the classic "hot" molar case

MEL HAWKINS, DDS**Local Anesthesia: Pure Pharmacology Facts and Fiction**

Course Code: F27 8:00-11:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 132

Intended Audience: D | A | H | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Appreciate clinical pharmacology's role in successful anesthesia
- Summarize vasoconstrictor drug interactions
- Evaluate the agents available for the profession

MEL HAWKINS, DDS**Local Anesthesia: Pure Technique – Multitasking**

Course Code: F28 1:30-4:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 132

Intended Audience: D | A | H | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Reassess the conventional inferior alveolar block
- Learn the Akinosi and Gow-Gates mandibular blocks
- Analyze the efficiency and "how-tos" of lingual infiltration of permanent mandibular molars

FRIDAY COURSES

CHARLES HOOPINGARNER, DDS AND ANGIE MOTT, RDH

The Science Behind the Wonderful World of Laser Dentistry

Course Code: F75 8:00-12:00

\$95

AGD Subject Code: 135

Intended Audience: D | A | H | ST

* CE Hours 4 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn the basic working of light as electromagnetic radiation
- Learn how to alter your delivery technique to obtain predictable results with any laser
- Learn the safety requirements and good practice techniques for both patient and office team
- Be able to make reasonable choices in the type of laser for your office needs

CHARLES HOOPINGARNER, DDS

Dental Lasers: Do Tomorrow's Dentistry Today

Course Code: F76 1:30-5:30

\$95

AGD Subject Code: 135

Intended Audience: D | A | H | ST

* CE Hours 4 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn what type of lasers are best for which procedures
- Identify common conditions that are best treated with dental lasers
- Visualize case examples of everyday procedures that can be done with lasers
- Understand the value of diagnosis of commonly overlooked conditions
- Improve impression taking and crown and bridge procedures

MARIA HOWELL, DDS WITH KAREN TROENDLE, DDS

Prescription for Prevention

Course Code: F31 8:30-11:30

Dentist - \$50, Hygienist - \$40, Staff - \$30

AGD Subject Code: 551

Intended Audience: D | A | H

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand the medical model of caries and caries prevention
- Implement protocols for assessing caries risk
- Explain evidence-based protocols for preventing or managing early caries lesions

MARIA HOWELL, DDS WITH KAREN TROENDLE, DDS

Take Home Tips for Dental Assistants

Course Code: F32 1:30-4:30

Dentist - \$50, Hygienist - \$40, Staff - \$30

AGD Subject Code: 551

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Become familiar with bonding theory and be able to adequately perform each step of the bonding procedure
- Understand the limitations of curing lights and learn how to adequately cure restorative materials
- Review currently available cement categories and appreciate their manipulation variables

WARREN KARP, PhD, DMD**Nutrition Update: 2016**

Course Code: F33 1:30-4:30

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 150

Intended Audience: ALL

*CE Hours 3

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Learn how to translate dietary and nutritional guidelines into everyday language that patients can understand and apply
- Review the most current dietary guidelines from major health organizations in the United States
- Differentiate between healthy food and "health food"

MARK KLEIVE, DDS**The Fun Way to Proficiency With Digital Dental Photography – Hands On Workshop (Repeat)**

Course Code: F34 8:00-11:00

\$95

AGD Subject Code: 138

Intended Audience: D | A | H | ST

*CE Hours 3

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Master the 6 essential dental photographic images for patient communication
- Integrate digital photography into your practice
- Use digital imaging for patient education and case acceptance

Supplies Needed: Mirrors, retractors, and bring camera if you have one available.

MARK KLEIVE, DDS**Essential Business Systems for Every Dental Practice**

Course Code: F35 1:30-4:30

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 550

Intended Audience: D | BA | ST

*CE Hours 3

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- The key performance indicators (KPIs) that increase practice profitability
- The 3 components of efficiency that every practice can influence
- How to engage team members to become "business partners" of the practice
- How to develop your team members as problems solvers

SAM KRATCHMAN, DMD**Microendodontics – Endodontics in the 21st Century**

Course Code: F36 8:30-11:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 074

Intended Audience: D

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand warm vertical obturation using cordless technology
- Use ultrasonics for access, calcified cases and irrigation
- Troubleshoot most difficult clinical situations

Educational Funding Provided by: Brasseler USA

FRIDAY COURSES

SAM KRATCHMAN, DMD

Instrumentation and Obturation of Root Canals—Hands On Workshop

Course Code: F37 1:30-4:30

\$245

AGD Subject Code: 075

Intended Audience: D

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand the basic concepts of access preparation.
- Examine the pulpal floor utilizing magnification
- Master crown down technique utilizing NiTi rotary instruments

Educational Funding Provided by: Brasseler USA

Supplies Needed: Attendees to bring 2-4 extracted accessed teeth

MATTHEW KRIEGER, DMD

High Profit PPO Practice *(Repeat)*

Course Code: F38 8:00-11:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 554

Intended Audience: ALL

*CE Hours 3

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Understand the most critical statistics that most practices don't track
- Learn how to reduce your overhead by 10% without cutting costs
- Eliminate the bottleneck in your practice
- Learn how to turn \$100 into \$120,000 in profit

GERARD KUGEL, DDS, MS, PhD

The Dos and Don'ts Porcelain Laminate Veneers – Hands On Workshop *(Repeat)*

Course Code: F39 8:30-11:30

\$245

AGD Subject Code: 253

Intended Audience: D | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand elements involved with treatment planning and case selection
- Fabricate a veneer preparation reduction guide and silicone temporary shells
- Review the proper techniques for cementation

DON LEWIS, DDS, CFE

Be Prepared for the Unexpected: The Prevention, Recognition, and Treatment of Medical Emergencies in the Dental Office

Course Code: F40 8:30-11:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 142

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

Repeated Course:

Course Code: F41 1:30-4:30

LEARNING OBJECTIVES

- Preparation and preventive measures
- Basic emergency equipment necessary
- Detection and treatment of the unconscious patient, respiratory emergencies, convulsive disorders, drug related emergencies, and chest pain

DENIS P. LYNCH, DDS, PhD**Oral Manifestations of Systemic Diseases**

Course Code: F42 8:30-11:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 148

Intended Audience: D | A | H | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn the major features of systemic diseases that have oral manifestations
- Understand the oral manifestations of systemic diseases
- Know how to manage the oral manifestations of systemic diseases

ROBERT MARGEAS, DDS**Everyday Dentistry ... More Than Everyday Esthetic Results**

Course Code: F43 8:30-11:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 780

Intended Audience: D | A | H | ST

*CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Properly layer and finish composite resins that mimic nature
- Diagnose and treat the worn dentation
- Know when to bond restorations versus cementation
- Prevent post-operative sensitivity

ROBERT MARGEAS, DDS**From Single Tooth to Full Mouth Reconstruction Using Implants**

Course Code: F44 1:30-4:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 695

Intended Audience: D | A | H | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Determine when to do an immediate implant
- Create a full arch implant case
- Use a PMMA prototype to test drive the case prior to fabricating the permanent restoration

ANGIE MOTT, RDH**Laser Assisted Dental Hygiene**

Course Code: F77 1:30-5:30

\$95

AGD Subject Code: 135

Intended Audience: A | H | ST

* CE Hours 4 - Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand how to utilize laser in periodontal pocket
- Gain knowledge of how to care for the laser
- Learn the benefits of what the laser can do for your patients

FRIDAY COURSES

AMR MOURSI, DDS, PHD

Behavior Guidance For The Most Challenging Patients Part II

Course Code: F71 8:30-11:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 433

Intended Audience: ALL

* CE Hours 3 - Meets TSBDE Requirements

LEARNING OBJECTIVES

- Compare and contrast advanced behavior guidance technique for infants, children, adolescents, and persons with special health care needs
- Select the appropriate approach to customize behavior guidance techniques
- Plan for potential adverse events associated with behavior guidance techniques

Part 1 Recommended by not required.

Educational Funding Provided by: Texas Academy of Pediatric Dentists

BRAD NEWMAN

Social Media for Dentists *(Repeat)*

Course Code: F45 8:00-11:00

Dentist - \$50, Hygienist - \$40, Staff - \$30

AGD Subject Code: 561

Intended Audience: ALL

*CE Hours 3

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Maintain social media conversation that is fresh, likeable, and targeted for the right audience
 - Learn what type of social media content works best and how to encourage engagement with your audience
 - Create a more dynamic and unique online presence while improving page rank on Google conversation
-

BRAD NEWMAN

Website Development for Dentists

Course Code: F46 1:00-4:00

Dentist - \$50, Hygienist - \$40, Staff - \$30

AGD Subject Code: 561

Intended Audience: ALL

*CE Hours 3

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Create a website that encourages stickiness, low bounce rate and conversion among visitors
 - Learn how to fully optimize your mobile responsive website using content, images and videos
 - Generate creative design elements, page layouts and multi-media content that differentiates your website from the competition
-

ROBERT "TITO" NORRIS, DDS

Leading Edge Orthodontics

Course Code: F47 9:00-12:00

Dentist - \$50, Hygienist - \$40, Staff - \$30

AGD Subject Code: 371

Intended Audience: D | A | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Gain a broader understanding of each of these technologies presented
 - Understand the indications and justifications for use of each of these technological advances
 - Learn how to properly utilize each of these technologies to achieve excellent clinical results
-

ROBERT "TITO" NORRIS, DDS**Orthodontic Esthetics****Course Code:** F48 2:00-5:00

Dentist - \$50, Hygienist - \$40, Staff - \$30

AGD Subject Code: 371

Intended Audience: D | A | ST

* **CE Hours 3** – Meets TSBDE Requirements**LEARNING OBJECTIVES**

- Gain a deeper understanding of the elements of dental esthetics
- Learn a predictable, systematic approach to achieving optimal dental esthetics when utilizing dental substitution to replace missing teeth in the maxillary anterior region
- Discover the research, technique, and predictability behind auto-transplantation to replace traumatically lost or congenitally missing teeth in the esthetic zone

UCHE ODIATU, DMD**Maximum Energy: Your Ultimate Health Prescription****Course Code:** F49 8:00-11:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 150

Intended Audience: ALL

***CE Hours 3**

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Appreciate the value of mind over mattress and adopt strategies for more restful sleep
- Incorporate aerobic exercise and resistance training into your daily habits
- Implement top super foods and herbal remedies into your daily regimen for maximum vitality

JEFFREY OKESON, DMD**The Differential Diagnosis of TMD and Clinical Management of TMD****Course Code:** F50 8:30-11:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 202

Intended Audience: D | A | H | ST | BA

* **CE Hours 3** – Meets TSBDE Requirements**LEARNING OBJECTIVES**

- Learn to determine 5 types of muscle pain disorders
- Learn the natural course of intracapsular disorders
- Understand why an occlusal appliance may help your patient

THEODORE PASSINEAU**Dentistry by the Numbers: A Claims Data Analysis in Risk Reduction Solutions (Repeat)****Course Code:** F51 8:30-11:30

Dentist - \$40, Hygienist - \$30, Staff - \$25

AGD Subject Code: 159

Intended Audience: D | A | H | ST | BA

***CE Hours 3**

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Differentiate between the non-compliant and difficult patient
- List environmental, clinical, and dentist factors commonly associated with non-compliant and difficult patients
- Describe methods you can use to improve working relationships with difficult and non-compliant patients
- Summarize the process for discharging a patient from your practice

Educational Funding Provided by: Medical Protective

FRIDAY COURSES

CHRIS PERRY, DDS

Treatment Planning for Success

Course Code: F52 9:00-12:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 557

Intended Audience: D | A | H | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand the key elements of a truly comprehensive examination
- Understand how to look at a situation and find the etiology of the condition and use that information to create successful treatment plans
- Learn strategies to help overcome patient objections

CHRIS PERRY, DDS

The \$6,000,000 Lecture: Team-Driven, Patient-Centered Practice Management

Course Code: F53 2:00-5:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 550

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Perform the ideal comprehensive examination
- Learn how to prevent treatment from “falling through the cracks”
- Empower the team and maximize their skills

KAREN RAPOSA, RDH, MBA

The Special Patient with Autism and/or Anxiety.... How You Can Help? (*Repeat*)

Course Code: F54 1:00-5:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 436

Intended Audience: D | A | H | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Basic understanding of Autism Spectrum Disorder (ASD)
- How to assess the patient's abilities
- Techniques for treatment that encompass creativity of the latest technology

AMBER RILEY, RDH, MS

Fifty Shades of Green: Forensic Dentistry in the 21st Century

Course Code: F72 8:00-11:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 145

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Improve appreciation for the forensic value of accurate dental records
- Recognize how to cooperate with the legal system
- Understand the role of a forensic dentist and forensic dental auxiliary in scientific human identification and in multiple fatality incidents

AMBER RILEY, RDH, MS**Beyond the Tag and Bag: Forensic Dentistry Beyond the Morgue Walls****Course Code: F73 1:00-4:00**

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 145

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Improve the appreciation of accurate and well-maintained dental records for multiple applications to matters of law
- Develop a greater understanding of the efforts of County, State and National systems for the management of Missing and Unidentified Persons
- Develop a greater understanding of the management and jurisdictions of multiple fatality incidents

DAVID ROTHMAN, DDS**Can You Really Save That and Why Would You? Treatment Options for Carious Primary Teeth****Course Code: F55 9:00-12:00**

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 430

Intended Audience: D | ST | A

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Develop a treatment paradigm that includes function and longevity for which carious primary tooth to save and restore
- Review treatment and understand risk factors for pulp therapy and aesthetic and restorations
- Know when and which space maintainers (even cosmetic ones) to use when extraction is the option

DAVID ROTHMAN, DDS**Pulp and What? Treatment Options for Primary Molars—Hands On Workshop****Course Code: F56 2:00-5:00**

\$245

AGD Subject Code: 430

Intended Audience: D | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Review and practice access and pulp removal on primary molars
- Discuss and learn to use pulp medications, cements and bonding agents, and composites that work on primary molars
- Practice restoring the pulpotomized tooth with composite, stainless steel crowns, and aesthetic posterior crowns

RONNI SCHNELL, DMD**The (Digital) Future of Removable Prosthodontics – Are We There Yet?****Course Code: F57 8:00-11:00**

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 670

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Digital vs. conventional technique comparison
- Impression techniques and occlusal records
- Complete, immediate, and implant overdenture techniques
- The removable cast partial denture fabrication story

FRIDAY COURSES

PARESH SHAH, DMD

Digital Dentistry for Everyday Practice

Course Code: F58 8:00-11:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 615

Intended Audience: ALL

* **CE Hours 3** – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn how digital impressioning can easily and effectively be introduced into everyday practice with minimal disruption
- Understand the digital workflow from patient to lab to patient with predictable esthetic and functional results
- Learn Implementation strategies for the dental team to make the learning curve as simple as possible

JANE SOXMAN, DDS

Becoming the Pediatric Alpha Pup

Course Code: F59 8:30-11:30

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 434

Intended Audience: D | A | H | ST | BA

* **CE Hours 3** – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Recognize potential behavioral problems with age-appropriate expectations and techniques for modifying various forms of behavior
- Provide information for parents regarding limitations due to behavior with our treatment plan and determine the pros and cons of parental presence for treatment
- Review the dental literature with updates using evidence-based recommendations

JANE SOXMAN, DDS

Clinical Treatment in Pediatrics

Course Code: F60 2:00-5:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 430

Intended Audience: D | A | H | ST | BA

* **CE Hours 3** – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn clinical procedures for interim therapeutic restoration, vital pulp therapy, and full coverage crowns for permanent molars
- Learn facilitated techniques for extraction of primary teeth including ankylosed primary molars
- Learn indications and management for indirect pulp therapy in young permanent molars

JAMISON SPENCER, DMD

Obstructive Sleep Apnea: Looking Beyond the Teeth and Saving Lives!

Course Code: F61 8:30-11:30

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 160

Intended Audience: D | A | H | ST | BA

* **CE Hours 3** – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand the basics of normal sleep and sleep disordered breathing
- Learn how to screen their patients for possible sleep disorders
- Master how to work as part of the medical team in the treatment of patients with OSA and snoring

JAMISON SPENCER, DMD**Dental Sleep Medicine – Hands On Workshop**

Course Code: F62 2:00-5:00

\$245

AGD Subject Code: 160

Intended Audience: D | A | H | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand the relationship of bruxism and sleep apnea
- Master appliance selection, records, fitting, and follow up
- Learn how to incorporate use of temporary appliances

ANN SPOLARICH, RDH, PhD**Antibiotic Stewardship: Implications for Dentistry**

Course Code: F63 8:00-11:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 016

Intended Audience: D | A | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Discuss the implications of widespread antibiotic use and the development of resistant organisms
- Identify pathogens which have developed antibiotic resistance with resultant health implications
- Discuss strategies to reduce risk for promoting further development of resistant organisms

BETHANY VALACHI, PT, MS, CEAS**Fitness 101 for Dental Professionals**

Course Code: F64 9:00-12:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 770

Intended Audience: D | A | H | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Identify generic exercises that can actually create & worsen pain syndromes
- Incorporate chairside stretching into the workday
- Identify painful trigger points in patients that manifest as a "muscular toothache"

THOMAS VIOLA, RPh, CCP**Just Breathe: Dental Considerations in the Treatment of Chronic Obstructive Pulmonary Disease**

Course Code: F65 8:30-11:30

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 742

Intended Audience: D | A | H | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Identify the epidemiology of the two disorders that are included in the diagnosis of COPD: emphysema and chronic bronchitis.
- Describe the pathophysiology of these conditions and the various management and treatment options available
- Explain the impact of COPD and its treatment on dental therapy

THOMAS VIOLA, RPh, CCP**Sugar, You're (Not So) Sweet: Dental Considerations in the Treatment of Diabetes Mellitus**

Course Code: F66 1:30-4:30

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 742

Intended Audience: D | A | H | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Identify the epidemiology and types of diabetes
- Describe the pathophysiology of diabetes and its various management and treatment options
- Describe the complex interplay of diabetes, systemic inflammation and periodontal disease
- Explain the impact of diabetes and its treatment on dental therapy

FRIDAY COURSES

MARILYN WARD, DDS, FAGD

Brighter Ways to Whiten: Recent Advances in Professional Teeth Whitening *(Repeat)*

Course Code: F67 8:30-11:30

Dentist - \$40, Hygienist - \$30, Staff - \$20

AGD Subject Code: 781

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand guidelines for diagnosis and treatment planning of tooth whitening
- Proactively control tooth sensitivity, learn about whitening options, safety, and the science of color measurements
- Gain knowledge of the latest clinic research on chemical versus light activated peroxide

Educational Funding Provided by: Philips Sonicare

MARILYN WARD, DDS, FAGD

Strategies & Techniques to Take Advantage of the Latest Whitening—Hands On Workshop *(Repeat)*

Course Code: F68 1:30-4:30

\$95

AGD Subject Code: 781

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand which peroxide to choose for your patient based on diagnosis of stain, lifestyle, and habits
- Detailed instructions for ideal tissue isolation, safety, and sensitive management for in-office whitening
- Take-home tray fabrication tips to ensure patients' compliance and comfort

Educational Funding Provided by: Philips Sonicare

JILL YEAGER

Are You Exposing Yourself – OSHA Training Update

Course Code: F74 9:00-12:00

Dentist - \$40, Hygienist - \$30, Staff - \$25

AGD Subject Code: 148

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Fulfill OSHA training requirements for the Bloodborne Pathogens & Hazard Communication Standards
 - Update your office safety policies and procedures
 - Evaluate the effectiveness of your safety programs
-

MARTY ZASE, DMD, MAGD, AACD**Cosmetic Pearls for the General Practitioner – Part I**

Course Code: F69 8:30-11:30

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 780

Intended Audience: D | A | H | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn to eliminate sensitivity with all bleaching and bonding procedures
- Learn many tips/techniques to produce and deliver excellent cosmetic dentistry
- Feel more confident in tackling and presenting cosmetic restorative options

MARTY ZASE, DMD, MAGD, AACD**Cosmetic Pearls for the General Practitioner – Part II**

Course Code: F70 1:30-4:30

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 780

Intended Audience: D | A | H | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn to eliminate sensitivity with all bleaching and bonding procedures
- Learn many tips/techniques to produce and deliver excellent cosmetic dentistry
- Feel more confident in tackling and presenting cosmetic restorative options

[Part I recommended but not required.](#)

the TEXAS Meeting Café

For your convenience, you can purchase a meal voucher for \$10, which can be used on any day or multiple days if you purchase more than one. The voucher is good for breakfast or lunch (lunch option, chips, and drink) or a-la-carte items up to \$10. This voucher can only be used one time for its value, there will be no cash back and no refunds – so please make sure to get your money's worth. The TEXAS Meeting Café will be located at the back of the exhibit hall.

BREAKFAST OPTIONS Tacos • Pastries • Juice & Coffee

LUNCH OPTIONS BBQ Sandwich • Hamburger • Hot Dog
Sandwiches & Wraps

Course code: MEAL
Fee: \$10

SATURDAY COURSES

JOHN ALONGE, DDS, MS

Exodontia Techniques—Hands On Workshop

Course Code: S01 8:30-11:30

\$245

AGD Subject Code: 311

Intended Audience: D

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Utilize specialty anatomic forceps for efficient and atraumatic surgery
- Position instruments, patients and yourself to accomplish proficient routine and surgical dentoalveolar procedures
- Perform alternative incision and flap designs to remove mandibular third molars
- Utilize surgical burs, hand pieces and elevators for rapid removal of teeth

Prerequisite: Course F03

Practical Oral Surgery for the General Dentist

JUDY BENDIT, RDH, BS

Positioning for Life: Ergonomic Advancements in Dentistry

Course Code: S02 9:00-12:00

Dentist - \$40, Hygienist - \$30, Staff - \$25

AGD Subject Code: 770

Intended Audience: D | H | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Recognize clues and signals that identify potential physical problems and eliminate them before they cause permanent damage
- Emphasize positive “neutral” postures, and eliminate or reduce negative “flexions” and “extensions”
- Recognize and convert the not-so-obvious physical stressors in daily routines
- Analyze “motions” and movements that create risk for musculoskeletal problems

CHARLES BLAIR, DDS

Top How-To Tips for Structuring the "Ideal" Practice

Course Code: S03 9:00-12:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 550

Intended Audience: ALL

*CE Hours 3

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Learn overhead items and components
- Identify their ideal practice size
- Learn optimum staff ratios

MICHAEL GLICK, DMD

Treatment of the Medically Complex Dental Patient—Assessment and Protocols

Course Code: S04 8:00-11:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 754

Intended Audience: D | A | H | ST | BA

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Understand the role of dentists in overall health and well-being of their patients
- How to interpret information suggesting underlying medical problems
- Modify dental treatment based on patients' medical conditions

COL THERESA GONZALES, DMD, MS, MSS**Dentistry and DNA**

Course Code: S05 9:00-12:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 145

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Obtain a historical perspective regarding the development of DNA technologies
- Understand 21st century applications (applied science)
- Learn limitations of the emerging technologies

BRYAN HARRIS, DMD**Implant and Abutment Designs and How They Can Impact Your Clinical Outcomes**

Course Code: S19 8:00-12:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 695

Intended Audience: D | A | S | T

* CE Hours 3 – Meets TSBDE Requirement

LEARNING OBJECTIVES

- Learn treatment planning basics in the esthetic zone
- How to diagnose work-up including radiographic and surgical templates
- Understand protocols for provisional in the esthetic zone
- Learn soft tissue conditioning with provisional restorations
- Know material selection for abutment & definitive restorations

Educational Funding Provided by Straumann

MEL HAWKINS, DDS**Medical Emergencies in the Dental Office, Medical Emergencies in Life**

Course Code: S06 8:00-11:00

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 142

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Create office “game plans”
- Understand the importance of prevention
- Utilize consultation strategies
- Learn to look for medical “red flags”
- Master local anesthesia and vasoconstrictor risk management
- Learn BLS, ABC’s, CPR, advanced review with helpful adjuncts
- Learn how to relate rescue knowledge to your home

CHARLES HOOPINGARNER, DDS**10 Things You Can Do Tomorrow With Your Diode Laser—Hands On Workshop**

Course Code: S07 8:00-11:00

\$495

AGD Subject Code: 135

Intended Audience: D

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Discover the basic scientific principles for using your diode laser when interacting with dental tissues
- Understand how to use the correct parameters with a diode laser to get desired results
- Learn to perform biopsies, aid periodontal therapies, and improve impression quality and speed

SATURDAY COURSES

ARTHUR JESKE, DDS AND KELLY HALLIGAN, DDS

Minimal (Level 1) Enteral Sedation, a Review (Anesthesia Permit Renewal Course)

Course Code: S09 8:00-3:00

\$245

AGD Subject Code: 164

Intended Audience: D

* CE Hours 6 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Review pharmacology of drugs used to produce minimal sedation
- Review prevention, recognition, and management of emergencies related to minimal sedation
- Review other aspects of minimal sedation needed for compliance with TSBDE rules and regulations

WARREN KARP, PhD, DMD

The Use of Facilitation in Nutrition Counseling

Course Code: S10 9:00-12:00

Dentist - \$50, Hygienist - \$40, Staff - \$30

AGD Subject Code: 150

Intended Audience: ALL

*CE Hours 3

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Gain knowledge about the use of facilitation as a patient learning tool during nutrition counseling.
- Understand the technique for constructing a facilitatory nutrition learning environment in the dental setting.
- Describe the role of feedback in the nutrition counseling session and in dental patient learning and to learn how to give and receive feedback.

DON LEWIS, DDS, CFE

Employee Embezzlement and Fraud: Protection, Detection, and Prosecution

Course Code: S11 8:30-11:30

Dentist - \$40, Hygienist - \$30, Staff - \$25

AGD Subject Code: 552

Intended Audience: D

*CE Hours 3

Not qualified to meet TSBDE Requirements

LEARNING OBJECTIVES

- Recognize the signs of criminal behavior
- Understand the importance of internal controls to detect and prevent loss
- Become familiar with the fraud triangle and why seemingly good people commit embezzlement

**JANA MANNEN, RDH, MSDH AND
VICTORIA PATROUNOVA, RDH, MHA**

**Nitrous Oxide Monitoring Conscious
Sedation Review**

Course Code: S12 8:00-5:00

\$175

AGD Code: 132

Intended Audience: D | A | H

* CE Hours 8 – Meets TSBDE Requirements

ADA CERP® | Continuing Education
Recognition Program

Association for
Continuing Dental Education

LEARNING OBJECTIVES

- Demonstrate an understanding of the history of nitrous oxide/oxygen sedation
- Identify dental and basic respiratory anatomy and physiology
- Recognize the stages of anesthesia
- Identify the components of the nitrous oxide unit
- Describe infection control protocols
- Discuss patient monitoring parameters
- List the complications and prevention management
- Evaluate indications and contraindications for use of nitrous oxide sedation
- List safety measures for detecting and assessing levels of trace gas in the dental office
- Explain the legal considerations and the legal provisions of the State of Texas

Participants will need to bring the following:
Highlighters • #2 Pencils (2) • Photo ID
Study Guide (will be emailed to participant after
April 1, 2016)

The formal continuing education programs of this sponsor are accepted by AGD for Fellowship/Mastership credit. The current term of acceptance extends from 11/01/2015 to 12/31/2019.

The University of Texas School of Dentistry at Houston is a member of the Association for Continuing Dental Education.

This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Recognition Program (ADA CERP) through joint efforts between the University of Texas School of Dentistry at Houston Office of Continuing Education and the Texas Dental Association.

The University of Texas School of Dentistry at Houston Office of Continuing Education designates 8 hours of anesthesia and pain control (AGD Code 132) continuing education credits.

SATURDAY COURSES

ROBERT MARGEAS, DDS

Everyday Dentistry: More Than Everyday Results—Hands On Workshop

Course Code: S13 8:30-11:30

\$245

AGD Subject Code: 695

Intended Audience: D | A | H | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn how to fabricate an immediate implant provisional
- Learn how to reline the provisional for maximum esthetics
- Learn when to do an immediate versus delayed approach

Supplies Needed: Attendees to bring Magnification if used

ANGIE MOTT, RDH

Effective Uses of Lasers for Dental Hygienist—Hands On Workshop

Course Code: S08 8:00-11:00

\$495

AGD Subject Code: 135

Intended Audience: H

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn the basic steps of laser mechanisms
- Understand how lasers are a benefit in a periodontal pocket
- Feel comfortable utilizing lasers in the practical setting

AMBER RILEY, RDH, MS

Red, White, and Blue What Does That Mean to You? Practical Oral Pathology for the Dental Team

Course Code: S17 8:00-11:00

Dentist - \$75, Hygienist - \$60, Staff - \$50

AGD Subject Code: 739

Intended Audience: ALL

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Fundamental overview of the histology and pathogenesis of common and frequently encountered oral lesions, pathologies and the oral manifestations of systemic disease encountered in dental practice
- Recognition and differentiation of Red, White and Pigmented oral lesions and the scientifically supported protocol for evaluation and treatment
- Recognition of tissue alteration due to physical trauma or habit, localized disease and systemic illness
- Learn and implement a succinct yet thorough extra/intra oral examination process into routine dental practice

DAVID ROTHMAN, DDS

Pulp and What? Treatment Options for Primary Molars—Hands On Workshop *(Repeat)*

Course Code: S14 8:00-11:00

\$245

AGD Subject Code: 430

Intended Audience: D | A | H | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Review and practice access and pulp removal on primary molars
- Discuss and learn to use pulp medications, cements and bonding agents, and composites that work on primary molars
- Practice restoring the pulpotomized tooth with composite, stainless steel crowns, and aesthetic posterior crowns

JANE SOXMAN, DDS**Know When to Hold 'Em and
Know When to Fold 'Em**

Course Code: S15 8:30-11:30

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 430

Intended Audience: D | A | H | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Learn identification and management of ectopic eruption of maxillary molars and maxillary permanent canines
- Understand identification and management of upper airway obstruction
- Learn appropriate use of space maintainers and intervention for parafunctional habits

JAMISON SPENCER, DMD**All TMJ Patients are NUTS, Right? How to
Evaluate Diagnosis and Treat the Most Common
TMJ Problems**

Course Code: S16 8:30-11:30

Dentist - \$60, Hygienist - \$50, Staff - \$40

AGD Subject Code: 202

Intended Audience: D | A | H | ST

* CE Hours 3 – Meets TSBDE Requirements

LEARNING OBJECTIVES

- Conduct a thorough review of craniofacial anatomy
- Learn examination and imaging techniques used in the diagnosis of craniofacial and TMJ disorders
- Understand how to differentially diagnose and treat cases of capsulitis, Trismus, and non-reducing disc replacement

TDA Members - Get Involved

The House of Delegates is the legislative and supreme governing body of the TDA. The 2016 House of Delegates is composed of 141 members, which includes duly elected and installed delegates from each of the 26 components of the Texas Dental Association and the 15 voting members of the Board of Directors. That number also includes the Speaker of the House of Delegates, who is the presiding officer and is without vote. Additionally, the number includes the TDA secretary-treasurer who is an officer of the House of Delegates serving as the secretary of the house and is without the right to vote. Finally, there are 3 student delegates, each elected and installed by their respective dental school; student delegates have full privilege and access to the floor of the House of Delegates, but are without the right to vote and may not introduce resolutions.

House Materials

Delegates and alternates will receive their House book in a searchable PDF format. Reference Committee reports will be e-mailed in PDF format to all participants and these reports can be downloaded from any location with internet access.

For more information, contact TDA Governance Manager Mr Terry Cornwell at 512-443-3675, or terry@tda.org.

**The House of Delegates
convenes meetings
during the annual session of the
Texas Dental Association.**

House of Delegates Schedule:

Thursday, May 5, 8:00 AM – 11:00 AM

Friday, May 6, 1:00 PM – 4:30 PM

Saturday, May 7, 8:00 AM – 12:00 PM
1:00 PM – 5:00 PM

Caucus Meetings

Get involved by attending divisional caucus meetings and selecting your representatives on the state and national levels. ADA delegates and alternates from your division and the divisional directors of the TDA Board of Directors are nominated in this forum. The meetings will be held on Friday, May 6, at 5:30 PM. Rooms to be announced in the on-site program.

Reference Committees

Reference committee hearings offer an opportunity for any member to participate in the TDA policy-making process. All members are encouraged to attend the hearings scheduled on Thursday, May 5. All 2015 – 2016 resolutions will be discussed before presentation to the 2015 TDA House of Delegates for policy-making decisions. Starting times are:

Reference Committee A: 11:00 AM

Administration, Budget, Building, House of Delegates, Membership Processing

Reference Committee B: 1:00 PM

President's Address, Miscellaneous Matters, Component Societies, Subsidiaries, Strategic Planning, Annual Session

Reference Committee C: 1:30 PM

Dental Education, Dental Economics, Health and Dental Care Programs

Reference Committee D: 2:00 PM

Legislative, Legal and Governmental Affairs

Reference Committee E: 12:00 PM

Constitution, Bylaws, Ethics & Peer Review

Reference Committee times are subject to change.

ICD Breakfast

Friday, May 6 ~ from 7-9 a.m.
at the Grand Hyatt Hotel.

A special invitation...

The International College of Dentists cordially invites all members of the American College of Dentists and the Pierre Fauchard Academy to join us for our very first joint breakfast meeting during the TDA Annual Meeting.

A great opportunity...

This will be a great opportunity for fellowship— seeing old friends and meeting new ones! And... we will have a special guest speaker as well.

The cost is \$35 per person. Register at www.texasmeeting.com, Course Code F71.

Register now for The Texas Meeting and the ICD Breakfast!

- **New and improved exhibit hall hours!**
Thursday and Friday only from 9 AM to 6:00 PM!
- Staggered class times for you to enjoy shopping at different times throughout the day!
- **Happy Hour on Thursday and Friday!**
- Take advantage of **show specials** while testing out **new products** and **networking** with your suppliers and their representatives!

*Thank You to our
2016 Exhibitors*
Their support helps us produce one of the best
dental meetings in the country.
