LEISURE TIME

Stowe exudes breathtaking beauty in the winter. Enjoy the slopeside ski in/ski out convenience of the Stowe Mountain Lodge. The best in **alpine skiing** is found at Stowe's Mt. Mansfield and Spruce Peak complex. Mt. Mansfield is Vermont's highest peak and offers a wide range of terrain for every ability level. It's known for the double-black diamond (most difficult) "Front Four" trails, but also offers some great intermediate cruisers and a lovely group of beginner trails in the Toll House area. Stowe is now Epic and part of Vail Resorts.

Stowe's interconnected **cross-country ski centers** provide one of the largest, most diverse trail systems in the United States. More than 150km of groomed and 100km of back-country trails criss-cross Stowe's landscape.

A single all-purpose voucher will provide a discount for each person who plans to ski (Nordic or Alpine) or ride, rent equipment, take a lesson and/or participate in any of the children's lesson programs. Only one voucher is needed per person, regardless of how it is to be used.
