The Opioid Crisis Workshop Objectives

Feedback from previous workshop participants

"One of the best informational workshops I have ever attended! Fantastic!"

"This lecture provided up to date research on the topic of Opioids that is critical to our field. The instructor was very dynamic, and his use of humor helped keep me engaged throughout the entire training!"

WORKSHOP OBJECTIVES

1. Workshop participants will be able to differentiate the major elements the Federal Government uses when classifying drugs from schedule 1 through schedule 5.

2. Workshop participants will be able to identify national and local NJ trends with regards to prescribing practices and new legislation, opioid overdoses and trends with opioid use.

3. Workshop participants will be able to distinguish the difference between which drugs are considered naturally occurring opiates, which are considered semi-synthetic opioids and which are considered synthetic opioids.

4. Workshop participants will be able to list and describe three different best practice medication assisted therapies when working with clients who have an opioid use disorder.

The Opioid Crisis

What are the Goals of this Workshop for Providers?

The goal of this interactive workshop will discuss the latest developments and trends regarding natural opiates, semi-synthetic opioids, and synthetic opioids.

Participants will be able to identify national and local NJ trends with regards to prescribing practices and new legislation, opioid overdoses and trends with opioid use.

Participants will be able to distinguish the difference between which drugs are considered naturally occurring opiates, which are considered semi-synthetic opioids and which are considered synthetic opioids.

Workshop participants will engage in an interactive case that will develop throughout the workshop and have different objectives (e.g., assessing a proper level of care, and then incorporating a harm reduction treatment orientation with the client in regards to their MAT decision process).

2018 Rule Adoption for NJ LPCs, LACs, LCSWs, LSWs, LMFTs & LAMFTs (1 Hour Opioid Education)

New Jersey recently passed a Rule Adoption that requires all LPCs, LACs, LCSWs, LSWs, LMFTs and LAMFTs to receive 1 hour of continuing education on opioid use disorders (treatment, assessment and diagnosing, the societal problem impact). This course meets that continuing education requirement! This course covers the history of prohibition, differentiation of opiates and opioids, medication assisted treatments for opioid use disorders, and the dangers associated with use.
