Course Director

Cynthia S. Kelly, MD, FAAP, FAAAAI

Professor of Pediatrics and Vice
Chair for Research, Eastern
Virginia Medical School
Division Director, Allergy and
Immunology, Children's Hospital
of The King's Daughters/Children's
Specialty Group

Kelly Maples, MD, FAAAAI, FAAAAI

Associate Professor of Pediatrics
and Internal Medicine,
Eastern Virginia Medical School
Pediatric Allergist and Immunologist,
Children's Hospital of The King's
Daughters/Children's
Specialty Group

Lauren Smith, MD

Assistant Professor of Pediatrics,
Eastern Virginia Medical School
Pediatric Allergist and Immunologist,
Children's Hospital of The King's
Daughters/Children's Specialty Group

Visiting Faculty

David A. Khan, MD, FAAAAI, FAAAAI

Professor of Medicine & Pediatrics
University of Texas
Southwestern Medical Center
Dallas, Texas

Lindsey Moore, DO, FAAP

Assistant Professor of Pediatrics,
Eastern Virginia Medical School
Pediatric Allergist and Immunologist,
Children's Hospital of The King's
Daughters/Children's Specialty Group

Program Manager

Rosalind W. Jenkins, BA

Children's Hospital of The King's Daughters
601 Children's Lane
Norfolk, VA 23507
(757) 668-8942 (office)
(757) 668-7122 (fax)

Our Faculty

Angela Duff Hogan, MD, FAAP, FAAAAI, FAAAAI,

Associate Professor of Pediatrics,
Eastern Virginia Medical School
Pediatric Allergist and Immunologist,
Children's Hospital of The King's
Daughters/Children's Specialty Group

Maripaz Morales, MD, FAAP, ACAAI, AAAAI

Assistant Professor of Pediatrics,
Eastern Virginia Medical School
Pediatric Allergist and Immunologist,
Children's Hospital of The King's
Daughters/Children's Specialty Group

Planning Committee

Angela Hogan, MD, Rosalind W. Jenkins, BA, Cynthia S. Kelly, MD,
Kelly Maples, MD, Lindsey Moore, DO, Maripaz Morales, MD,
Lauren Smith, MD

CME Committee

Herbert Bevan, MD, Lindsay Eilers, MD, Wilson File, MD,
C.W. Gowen, Jr., MD (chairman), John Harrington, MD,
Rosalind W. Jenkins (program manager), Jamil Khan, MD,
Alexandra Leader, MD, Windy Mason-Leslie, MD, Natasha Sriraman, MD

Register online at CHKD.org/cmeregistration.

PROGRAM

7:30 a.m. **Registration and Continental Breakfast**

8:00 **Practical Approaches to Drug Allergy** – *David A. Khan, MD*

Discuss the spectrum of drug allergic reactions. Identify historical features suggestive of a low likelihood of drug allergy. Recall when diagnostic testing or desensitization procedures are indicated.

ACGME Competencies: Patient care, practice-based learning and improvement, medical knowledge

9:00 **Transition Break**

9:10 **Let Them Eat Cake** – *Angela Hogan, MD*

Recall the new AAP guidelines for early food introduction to infants. Implement new peanut screening guidelines to decrease the development of peanut allergy.

ACGME Competencies: Patient care, medical knowledge, practice-based learning and improvement

9:45 **Pearls and Pitfalls of Atopic Dermatitis Management** – *Kelly Maples, MD*

Recall the limitations of food allergy testing and use the antihistamines in the management of atopic dermatitis. Explain the PDE-4 inhibitors, a new therapeutic class for the treatment of atopic dermatitis.

ACGME Competencies: Patient care, medical knowledge

10:20 **Break**

10:35 **Immunology Update: SCID Screening, Vaccine Responses, and Recurrent Infections** – *Lauren Smith, MD*

Identify what to do with a child who has an abnormal or critical newborn screen for SCID. Initiate an immune evaluation for a child with recurrent infections. Discuss vaccine response and what is concerning for immunodeficiency.

ACGME Competencies: Patient care, practice-based learning and improvement, medical knowledge

11:10 **Updates in Chronic Urticaria** – *Dr. Khan*

Discuss limitations for diagnostic testing in chronic urticaria. Develop a step-wise approach to management of urticaria.

ACGME Competencies: Patient care, medical knowledge

12:00 p.m. **Meet the Allergist/Lunch (Informal discussion tables with our specialists/device demonstration)**

1:00 **Pediatric Asthma Update** – *Cynthia Kelly, MD*

Describe lung function and COPD risk in children with asthma. Explain the use of individualized therapy for persistent asthma in young children. Discuss new and upcoming pharmaceutical interventions for children with asthma.

ACGME Competencies: Patient care, medical knowledge

1:30 **Adverse Reactions to Pediatric Vaccines** – *Maripaz B. Morales, MD*

Identify IgE vs. non-IgE mediated types of vaccine reactions. Manage patients accordingly to those who could get subsequent vaccine doses and those that may need referral for further evaluation.

ACGME Competencies: Patient Care, practice-based learning and improvement

2:00 **What's New in Anaphylaxis?** – *Lindsey Moore, DO*

Identify the diagnostic criteria for anaphylaxis. Recall how to perform a detailed history on a patient with anaphylaxis. Discuss short and long term management of anaphylaxis.

ACGME Competencies: Patient care, medical knowledge

2:30 **Optional Tour of New Fort Norfolk Clinic**

Register online at CHKD.org/cmeregistration.

REGISTRATION FORM

Achoo! What's New? Pediatric Allergy Update II
