TOPICS

Newport Beach, California April 29th — 30th, 2022

Why You Should Come to these Conferences:

- More than 50 topics organized in clinical, operational, and financial tracks
- An entire day devoted to the Future of Orthopedics
- Internationally renowned speakers
- Multiple networking opportunities with world renown leaders.
- Beautiful settings of fashion island in Newport beach, CA.

What You'll Receive When You Attend the Interdisciplinary Conference

Be part of an "immersion weekend" that focuses on the Future of Orthopedics, ASCs, Value-Based care and the TEAM approach critical to success.

World class speakers including: Orthopedic Surgeons, Healthcare Executives, Anesthesiologists, Nurses, and futurists.

Participate in industry sponsored lectures/panels and learn from leaders and nationally renowned experts within this field.

Friday will be devoted to the Future of Orthopedics as well as moving your practice from hospital settings to the ASC. Saturday will have general sessions and 3 parallel tracks that focus on current and coming rules and finance of bundle payments, MACRA, MIPS; how operationally to build a clinical bundle-care model; how to clinically manage patients of these models in the most optimal way.

Location

A stay at the new Marriott Resort & Spa places you in the heart of Newport Beach. This 5-star hotel is within close proximity of Fashion Island, Balboa Beach and Fun Zone. Beyond the radiant sun, sand and surf, discover the sophisticated charm of Newport Beach, California.
