Farewell and invitation to
EAFPS Amsterdam 2019

Visit Regensburg and Bavaria and find answers to:

- 1 Rhinoplasty: when will I choose a limited, when a more extensive approach?
- 2 How will I treat the next nasal valve insufficiency?
- 3 What will be my facelift workhorse?
- 4 My choice for facial resurfacing in 2018?
- 5 Which defects will I not close, when will I use a skin graft, when a flap?
- 6 Will I stop using static reconstructions for facial paralysis?

... and many more!

- Easy travel through Munich Airport
- Door to door shuttle and reasonably priced hotels
