SPONSORSHIPS

Your gift of sponsorship will help us bring together more than 400 health care professionals – including health care administrators, doctors, nurses, physician assistants, social workers, educators, chaplains, therapists, and thought leaders from around the state who are dedicated to taking palliative care mainstream and making it a standard in care for people with serious illness or life-threatening conditions.

Thanks to our Key Sponsors...

California
Health Care
Foundation

Additional sponsorship opportunities are available!
Contact Kristen Bond at kbond@coalitionccc.org for more info

Coalition for Compassionate Care of California promotes high-quality, compassionate care for all who are seriously ill or nearing the end of life. Our goal is to transform healthcare so that medical care is aligned with individual patient preferences – that people get the care they need and no less, and the care they want and no more.

COALITIONCCC.ORG

Children's Hospice & Palliative Care Coalition, a division of the Coalition for Compassionate Care of California, is dedicated to improving children's access to community-based palliative care and hospice care services through advocacy, program development, and education.

COMMUNICATING

COLLABORATING

INNOVATING

For over a decade, the Coalition for Compassionate Care of California has provided leadership and a place for members of California's palliative care community to come together, learn and grow. We are pleased to invite you to join us in San Francisco this April as we host our 11th Annual Summit and once again offer an atmosphere ripe for personal and professional growth.

Our Summit offers a different type of learning and networking experience. We have purposefully brought together a variety of individuals, all with an interest in palliative care, including patients, professionals, and policy-makers. We don't talk at you — we create a space for anyone interested in palliative care at any level to collaborate with us and share ideas. We offer a variety of opportunities for our participants to be interactive with the speakers, sessions, and activities. We want you to get up, speak out, and take advantage of all the Summit has to offer. We look forward to having you join us, so register today!

At the end of this conference, participants will be able to:

Talk more confidently to patients about where they stand in the trajectory of serious, chronic, or terminal illness, discover what matters to them, and help them prepare for a better end of life.

Describe best practices and current trends regarding the use of opioids in serious illness and end of life care.

Identify best practices for navigating a life transition, coping with loss or serious illness and how they guide us toward appreciating life's preciousness.

Identify opportunities and best practices for optimal Pediatric Palliative Care.

Understand the impact of palliative care from a patient prospective.

Describe the ways that understanding death can help guide you to a more meaningful life.

Discuss past and future needs in policy development to improve end of life care.

Understand how compassionate care improves our lives and that of our patients.

OUR AUDIENCE

The 2019 Summit is designed for anyone and everyone who wants to learn more about palliative care and share innovative practices. At the Summit you will be a part of the growing movement to improve the care of seriously ill people of all ages, including pediatrics, adolescents, young adults, adults, and the geriatric population.

In particular, the Summit brings together people from a variety of backgrounds who want to work together to advance palliative care. We invite you to attend and join the movement!

CONTINUING EDUCATION

Full attendance, in its entirety, is required at all education sessions in order to receive professional continuing education credits (CMEs/CEs). Continuing education is provided for full-day attendance. Partial day credit is not available. **All attendees must sign in with their professional license numbers in the morning of each day of the Summit.** In order to receive credit, participants must complete an online survey within 30 days following the Summit in order to receive a CME/CE certificate. Continuing education certificates will be sent via email. Certificates of attendance will be available at the end of the Summit in the afternoon on Tuesday, April 9, 2019. *Note: A 50-minute minimum of uninterrupted time is required to qualify for one hour of CME/CE credit. Continuing education excludes lunch and break periods.*

Physician and Physician Assistants	Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending. CME credits are sponsored by the Partnership Health Plan of California.
Nurses	Provider approved by the California Board of Registered Nursing, Provider #CEP 15403, for approximately 10 contact hours.
Social Workers	This course meets the qualifications for approximately 10 hours of continuing education credit for LMFTs, LCSWs, LPCCs, and/or LEPs as required by the California Board of Behavioral Sciences. CCCC is approved by the California Association of Marriage and Family Therapists to sponsor continuing education for LCSWs and LMFTs, Provider #91987.
Nursing Home Administrators	An application has been made to the California Nursing Home Administration program (NHAP# CEP 1735) for an estimated 10 NHAP/P credits . Determination is pending.
Chaplains	This program may be used for continuing education credit for chaplains certified with the Board of Chaplaincy Certification, Inc.
