

# AAOS Fundamentals of Knee and Shoulder Arthroscopy for Orthopaedic Resident

**October 7 – 9, 2016 • Rosemont, IL**

Matthew V. Smith, MD and Daniel C. Wascher, MD  
Course Directors

**AAOS**  
AMERICAN ACADEMY OF  
ORTHOPAEDIC SURGEONS

## **An interactive course designed exclusively for residents!**

Spend the majority of the course in the hands-on cadaver lab practicing:

- ACL Reconstruction
- Rotator Cuff Repair
- Labral Surgery
- Meniscus Repair
- Partial Meniscectomy
- Subacromial Decompression
- Biceps Procedures

Each pair of residents will have their own knee and shoulder cadaver specimens, as well as access to a knee simulator, to practice arthroscopy skills.

### **Registration Fee**

AAOS Resident Member/Resident/Post-Residency Fellow

**\$895**

**To register by phone, call AAOS Customer Service at  
1-800-626-6726**
