JIH
JOURNAL OF
INTEGRATED
HEALTH

Discover this journal online at urfpublishers.com

We believe your paper deserves to meet its ultimate research destination. With the aim of locating your research to the right destination, Surgery & Anesthesia 2023 has amplified its publication opportunities by partnering with URF Publishers. The Journal of Integrated Healthcare (JIH) aims to represent and publish research articles on high interest in multidisciplinary range of healthcare areas delivered by clinicians and healthcare professionals involved in delivering integrated healthcare. It promotes medical research for clinicians, basic scientists, and others in advancing the integration of multiple disciplines into diverse health care settings, entertains original research articles focusing on various streams of health sciences. Articles with clinical interest and implications will be given preference. All participants will be encouraged to submit an extended full manuscript to one dedicated Special Issue in "Journal of Integrated Healthcare" on discounted Article Processing Charge (APC) and will be subjected to double-blind reviewing process and will be published electronically with an ISSN a DOI Number.
