**MEDICAL DIRECTOR: Mark Murphy, MD,** MSN Education, Treasure Island, Florida and Northwest Seminars, Pasco, Washington

**TARGET AUDIENCE:** This course is designed for physicians, physician assistants, nurse practitioners, registered nurses, and all other medical care providers who must maintain state-of-the-art knowledge of the specialty or are impacted by it.

**PROGRAM PURPOSE:** The practitioner of emergency medicine must possess evidence-based scientific background for competent clinical practice; maintain state-of-the-art knowledge of the specialty and all additional related disciplines; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures; manage self and colleagues to function toward common goals in providing consistent care in all settings in which emergency care is provided; serve as an expert in matters involving quality, safe and equitable health care delivery and support of other service providers, departments, institutions, and organizations dependent upon professional expertise. Presentations are designed to facilitate the acquisition of cognitive and technical skills as defined through evidenced based data translated to best practice standards by the pertinent governmental and professional organizations including the American College of Emergency Physicians, American College of Surgeons and the Emergency Nurses Association and abilities in one or more of the disciplines vital to the practicing professional.

**OBJECTIVES:** At the conclusion of this activity, the participant will be able to:

**Apply** the pertinent physical and behavioral sciences as they impact and are affected by the planning, delivery, and monitoring of services inherent in the professions

**Explain** the selection, dosing considerations with methods of administration, safe use, contraindications and precautions of drugs based on their chemical and pharmacologic properties

**Outline** comprehensive patient management plans for the special patient population

**Apply** the principles of safety and asepsis in the performance of all aspects of patient care regardless of the clinical environment in which the practice resides

**Incorporate** the published tenets of pertinent, recognized external organizations, institutions, and professional groups defining medical, legal, philosophical, ethical, and health care management standards.

**ACCREDITATION:** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health and Northwest Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of **20 AMA PRA Category 1 Credit(s)™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**American Board of Anesthesiology:** CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

**Bonita Springs** is a welcoming beach community in Southwest Florida between Fort Myers and Naples. Whether you're looking to explore nature, relax on the beach, or take a boat out on its clear waters, Bonita Springs is an unforgettable destination with a little something for everyone.

Bonita Springs is home to the Conservancy of Southwest Florida Nature Center, a 21-acre celebration of Florida's wildlife and habitats. Everglades Wonder Gardens will also give you a glimpse into Florida's natural history, featuring native vegetation, butterflies, alligators, snakes, birds, flamingos, tortoises, and more. Enjoy the wildlife and views at Barefoot Beach Preserve. Bonita Springs Public Beach is a great place to go swimming, or seek out the privacy of Lovers Key State Park, a great spot for beachcombing accessible by boardwalk and public tram. Keep your eyes open for manatees and dolphins! Fishing and other outdoor activities including golf, kayaking, and parasailing are popular here. Play 18 holes at Raptor Bay or Bonita Fairways, paddle down the mangroves in Estero bay, or catch some air parasailing the skies of Bonita Bay. Watersports rentals are easily available as are charter tours, boats for fishing, and sailing certifications.

Take a lazy day to shop 140 stores at the Miromar Outlets or wine and dine with fresh seafood at Tarpon Bay. Browse the galleries of the Art League of Bonita Springs, an arts organization that hosts both local and traveling art exhibitions and community events.

**FAP (Frequent Attendee Points):**

FAP lets you accumulate points based on dollars spent with NWS including net hotel and tuition booked through NWS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NWS.
